VAVOFO KM-6779A

VAVOFO Cordless Desk Lamp User Manual

Model: KM-6779A | Brand: VAVOFO

1. PRODUCT OVERVIEW

The VAVOFO Cordless Desk Lamp (Model KM-6779A) is a versatile and portable lighting solution designed for various environments, including home offices, student desks, and outdoor activities. It features a foldable design, a large-capacity 6000mAh rechargeable battery, and multiple lighting modes with adjustable brightness. The lamp also includes a unique rabbit-inspired night light and a convenient mobile phone emergency charging function.

2. KEY FEATURES

- **Portable and Lightweight Design:** Sophisticated and attractive, with a foldable design for easy portability, ideal for various settings.
- **USB-C Charging & Long-lasting Battery:** Equipped with a 6000mAh rechargeable battery for extended use. Features a USB output port for emergency mobile phone charging and a pull-out bracket for phone support.
- **Multiple Color Temperatures & Brightness Levels:** Offers three color temperatures (warm, white, yellow) and eight levels of stepless brightness adjustment via an efficient touch button.
- **Fantasy Rabbit Design:** Includes a cute rabbit-shaped night light that emits a warm glow, serving as both a practical light source and a decorative element.
- **Child-Friendly and Safe:** Constructed from safe, flame-retardant materials, designed to meet children's usage standards. Features anti-slip points and hook points for stability or wall mounting.
- **High-Quality LEDs:** Utilizes 48 long-life LEDs (24 yellow, 24 white) for energy-efficient, high-brightness illumination.

3. SETUP AND ASSEMBLY

The VAVOFO Cordless Desk Lamp requires minimal setup due to its foldable and integrated design. It comes pre-assembled and ready for use after charging.

3.1 Initial Charging

Before first use, fully charge the lamp using the provided USB-C cable. Connect the USB-C end to the lamp's charging port and the other end to a compatible USB power adapter (not included). The charging indicator light will provide status feedback.

Figure 3: The lamp's USB output port can be used for emergency charging of mobile devices.

3.2 Positioning the Lamp

Unfold the lamp to your desired angle. The lamp arm and lampshade are adjustable to provide optimal lighting. For stable support, ensure the pull-out bracket at the bottom is extended if using it as a phone stand. The lamp can also be mounted on a wall using the integrated hook points and screws (not included) for a fixed lighting solution.

Figure 4: The lamp can be wall-mounted or used with its pull-out phone holder.

4. OPERATING INSTRUCTIONS

4.1 Power On/Off

Locate the master ON/OFF slider switch on the side of the lamp. Slide it to the "ON" position to enable the lamp's functions. To turn off the lamp completely and conserve battery, slide it to the "OFF" position.

4.2 Adjusting Light Modes and Brightness

The lamp features an intuitive touch control panel.

- **Changing Color Temperature:** Lightly touch the circular button (usually marked with a sun icon) to cycle through the three available color temperatures: warm light, white light, and yellow light.
- **Adjusting Brightness:** Long-press the circular button to activate stepless dimming. The brightness will gradually increase or decrease. Release your finger when the desired brightness level is reached. There are 8 levels of brightness.

4.3 Using the Rabbit Night Light

The lamp includes a charming rabbit-shaped night light. Touch the moon-shaped button on the control panel to turn the rabbit night light on or off. This feature provides a soft, warm glow, ideal for creating a comfortable ambiance.

5. MAINTENANCE

To ensure the longevity and optimal performance of your VAVOFO Cordless Desk Lamp, follow these simple maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe the lamp's surface. Avoid using abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish.

- **Storage:** When not in use for extended periods, fold the lamp into its compact form and store it in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To maintain battery health, avoid fully discharging the lamp frequently. Recharge the battery regularly, even if the lamp is not in constant use.
- **Avoid Water Exposure:** The lamp is not water-resistant. Do not expose it to water or high humidity.

6. TROUBLESHOOTING

If you encounter any issues with your VAVOFO Cordless Desk Lamp, please refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Lamp does not turn on.	Master switch is OFF. Battery is depleted.	Slide master switch to "ON". Charge the lamp fully.
Light flickers or is dim.	Low battery.	Recharge the lamp.
Cannot change color temperature/brightness.	Master switch is OFF. Touch control issue.	Ensure master switch is "ON". Try touching the button firmly. If issue persists, contact support.
Phone not charging via USB port.	Master switch is OFF. Cable issue. Lamp battery low.	Ensure master switch is "ON". Check USB cable. Charge the lamp.

If the problem persists after trying these steps, please contact VAVOFO customer support for further assistance.

7. SPECIFICATIONS
