4. SPECIFICATIONS

Feature	Detail
Model Number	D2
Battery Capacity	5000 Milliamp Hours (Lithium Ion)
Product Dimensions	4.33 x 2.83 x 0.83 inches
Item Weight	4.4 ounces
Connectivity	USB Type C, Built-in Lightning, Built-in USB-C, Wireless (Apple Watch)
Special Features	Compact, Built-in Cables, Apple Watch Charging, Keychain Design
Manufacturer	Shenzhen Xianyang Innovation Technology Co., Ltd

5. COMPATIBILITY

The RORRY portable charger is designed for broad compatibility with various devices:

- **Apple Watch:** Series Ultra 2/10/9/8/Ultra/7/6/SE/5/4/3/2
- **iPhone:** 16/15/14/13/12/11/Pro/Pro Max and earlier models with Lightning port
- **AirPods:** All generations
- **Android Devices:** Compatible with devices using a USB-C charging port

Universal Compatibility

For iPhone

iPhone 16/Plus/Pro/
Pro Max/e

iPhone 15~11
Pro/Pro Max/XR

For Apple Watch

Apple Watch Ultra 2/Ultra

Apple Watch Series 1~10

Others

AirPods/AirPods Pro

Galaxy

6. INITIAL SETUP

6.1. Charging the Power Bank

Before first use, fully charge your RORRY portable charger. Use the included USB-C to USB-C cable to connect the power bank's USB-C port to a compatible USB wall adapter (not included). The four LED indicators will illuminate progressively as the power bank charges. All four LEDs will be solid when fully charged.

6.2. Checking Battery Level

Press the power button once to check the current battery level. The LED indicators will light up to show the remaining capacity:

- **1 LED:** 0-25% capacity
- **2 LEDs:** 25-50% capacity
- **3 LEDs:** 50-75% capacity
- **4 LEDs:** 75-100% capacity

7. OPERATING INSTRUCTIONS

7.1. Charging an Apple Watch

1. Place your Apple Watch directly onto the magnetic charging pad on top of the power bank.
2. Ensure the watch is centered on the pad for optimal connection.
3. The watch display will indicate charging status.

7.2. Charging iPhone/Devices with Built-in Cables

1. Gently pull out the appropriate built-in cable (Lightning for iPhone, USB-C for compatible Android devices) from the side of the power bank.
2. Connect the cable to your device's charging port.
3. Your device will begin charging automatically.
4. After use, carefully reinsert the cable into its designated slot.

7.3. Charging Other Devices via USB-C Port

1. Use your device's own USB-C to USB-C cable (or the included cable if compatible) to connect your device to the power bank's USB-C port.
2. Your device will begin charging.

7.4. Simultaneous Charging

The RORRY portable charger supports charging multiple devices concurrently, such as an Apple Watch, iPhone, and AirPods. The total charging speed may vary depending on the number of devices connected and their power requirements.

Charge 4 Device Simultaneously

Image 7.1: The portable charger's capability to charge multiple devices at once.

Image 7.2: Another view of the power bank charging an Apple Watch and an iPhone.

7.5. Charging Times

Approximate charging times for devices and the power bank itself:

- **Apple Watch (Magnetic charging):** Approximately 1.2 hours for a full charge. The power bank can charge an iWatch 7-10 times.
- **iPhone 15 (Built-in charging cable):** Approximately 1 full charge.
- **AirPods:** The power bank can charge AirPods 6-8 times.
- **Recharging Power Bank:** Approximately 2.5-2.8 hours to fully charge the 5000mAh power bank.

5000mAh Large Capacity

Small Body, Big Power

	for Apple Watch 9 (Magnetic charging) 7~10 Charges		1.2 H Fully Charged
	for iPhone 15 Pro (Built-in charging cable) 1 Charges		2.1 H Fully Charged
	Power Bank		2.5~2.8 H Fully Charged

Image 7.3: Details on charging capacity and estimated charging durations.

8. RECHARGING THE POWER BANK

To recharge your RORRY portable charger:

1. Connect the included USB-C to USB-C cable to the power bank's USB-C port.
2. Connect the other end of the cable to a USB wall adapter (5V/2A or higher recommended for faster charging).
3. The LED indicators will flash to show charging progress and remain solid when fully charged.

Image 8.1: The power bank can be recharged while also providing power to other devices.

9. SAFETY INFORMATION

The RORRY portable charger incorporates multiple safety features to protect your devices and the power bank itself:

- **Over-temperature Protection:** Prevents overheating during charging or discharging.
- **Over-current Protection:** Safeguards against excessive current flow.
- **Over-voltage Protection:** Protects against voltage spikes.
- **Short-circuit Protection:** Automatically shuts off in case of a short circuit.

General Safety Guidelines:

- Do not expose the power bank to extreme temperatures (hot or cold), direct sunlight, or high humidity.
- Avoid dropping, disassembling, or attempting to repair the device yourself.
- Keep out of reach of children.
- Do not immerse in water or other liquids.
- Dispose of the product responsibly according to local regulations.

10. TROUBLESHOOTING

10.1. Device Not Charging

- Ensure the power bank is sufficiently charged (check LED indicators).
- Verify that cables are securely connected to both the power bank and your device.
- For Apple Watch, ensure it is properly aligned on the magnetic charging pad.
- Try using a different cable or charging port on the power bank.

10.2. Power Bank Not Recharging

- Ensure the USB-C cable is firmly connected to the power bank and the wall adapter.
- Verify that the wall adapter is functioning correctly and plugged into a live power outlet.
- Try using a different USB-C cable or wall adapter.

10.3. Slow Charging

- Ensure you are using a compatible and high-quality charging cable and wall adapter.
- Charging multiple devices simultaneously may reduce individual charging speeds.
- Check if your device's battery is extremely low, which can sometimes cause slower initial charging.

11. MAINTENANCE

11.1. Cleaning

Wipe the surface of the power bank with a soft, dry cloth. Do not use harsh chemicals, abrasive cleaners, or immerse the device in liquids.

11.2. Storage

Store the power bank in a cool, dry place away from direct sunlight and extreme temperatures. If storing for extended periods, recharge the power bank every 3-6 months to maintain battery health.

12. WARRANTY AND SUPPORT

RORRY is committed to providing quality products and customer satisfaction. Your portable charger comes with the following support:

- **12-Month Care Plan:** Covers manufacturing defects and ensures product reliability.
- **30-Day Exchange Service:** For easy replacement if you encounter issues within the first 30 days.
- **7x24H After-sales Service:** Dedicated customer support available around the clock for any inquiries or assistance.

For support, please contact RORRY customer service through the platform where you purchased the product or visit the official RORRY website for contact information.

13. VIDEO INFORMATION

No official product videos from the seller were available with sufficient metadata for embedding in this manual.
