3. SETUP AND INITIAL CHARGING

3.1 Charging the Power Bank

1. Connect the provided USB-C to USB-C charging cable to the USB-C input port on the RORRY D2 Portable Charger.
2. Connect the other end of the cable to a compatible USB-C wall adapter (not included).
3. The LED indicator lights on the power bank will illuminate to show the charging status. A full

charge typically takes approximately 2.5 hours.

4. Once fully charged, all LED indicators will be solid. Disconnect the power bank from the charger.

4. OPERATING INSTRUCTIONS

4.1 Charging Apple Watch

1. Press the power button on the side of the RORRY D2 Portable Charger to activate the wireless charging pad.
2. Place your Apple Watch onto the magnetic charging pad located on the top surface of the power bank.
3. Ensure the watch is properly aligned for optimal charging. The watch screen will indicate charging status.

4.2 Charging iPhone and USB-C Devices

1. Locate the built-in Lightning cable (for iPhone) or USB-C cable (for Android/other USB-C devices) on the sides of the power bank.
2. Gently pull out the appropriate cable.
3. Connect the cable to your device's charging port. The device should begin charging automatically.
4. To charge multiple devices simultaneously, use the wireless charging pad for Apple Watch and the built-in cables for other devices.

5. SPECIFICATIONS

Model Number	D2
Battery Capacity	5000 Milliamp Hours
Product Dimensions	3.86 x 2.82 x 0.65 inches
Item Weight	4.4 ounces
Connector Type	Built-in Cable L+C, USB-C Port
Special Features	Compact, Built-in Cables, All-in-one, Keychain Design

6. SAFETY FEATURES AND PRECAUTIONS

The RORRY D2 Portable Charger is equipped with multiple safety features to protect your devices and the power bank itself:

- **Over-Temperature Protection:** Prevents overheating during charging and discharging.
- **Over-Current Protection:** Safeguards against excessive current flow.
- **Over-Voltage Protection:** Protects against voltage surges.
- **Short-Circuit Protection:** Automatically shuts down in case of a short circuit.

General Safety Precautions:

- Do not disassemble, squeeze, or hit the device.
- Keep away from fire, water, and heat sources.
- Keep out of reach of children.
- Do not use the power bank in extremely high or low temperatures.
- Avoid dropping the device or subjecting it to strong impacts.

7. CARE AND MAINTENANCE

- Clean the power bank with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- Store the device in a cool, dry place when not in use.
- If the power bank will not be used for an extended period, charge it fully at least once every three months to maintain battery health.

8. TROUBLESHOOTING

Device not charging:

- Ensure the power bank is sufficiently charged. Check the LED indicators.
- Verify that the charging cables are securely connected to both the power bank and your device.
- For Apple Watch, ensure it is correctly placed on the magnetic charging pad and the power button has been pressed.
- Try using a different charging cable or wall adapter to charge the power bank itself.

Slow charging:

- Ensure you are using a compatible wall adapter for optimal charging speed.
- Charging multiple devices simultaneously may reduce the charging speed for individual devices.

Power bank not turning on:

- Charge the power bank fully. If the battery is completely depleted, it may take a few minutes for the LED indicators to light up.

9. WARRANTY AND SUPPORT

RORRY products are designed and manufactured to the highest quality standards. For warranty information, after-sales service, or technical support, please refer to the contact details provided in the packaging or visit the official RORRY website.
