1 Hora AUT201B

1 Hora Wireless Earbuds Bluetooth 5.3 Instruction Manual

Model: AUT201B

Introduction

Thank you for choosing 1 Hora Wireless Earbuds. These earbuds are designed to provide a superior audio experience with advanced features and comfortable wear. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

Our earbuds feature Bluetooth 5.3 technology for greatly improved transmission speed and low-latency listening. Enjoy powerful, deep bass and crystal-clear sound, perfect for workouts, travel, or daily use. With up to 5 hours of playback per earbud and over 22 hours total with the charging case, you'll have music all day long.

Setup

Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the included Type-C charging cable to the charging port on the case and a compatible USB power source. A full charge takes approximately 1.5 hours.

Image: Graphic illustrating the long playing time of the earbuds, showing 5 hours on a single charge and 22 hours total with the charging case.

Pairing with Your Device

The earbuds are designed for simple connections. Take the earphones out of the charging case to initiate pairing. Ensure your device's Bluetooth function is turned on. The earbuds will automatically enter pairing mode. Select "AUT201" from your device's Bluetooth list to connect.

Operating Instructions

Touch Controls

Your 1 Hora earbuds feature smart touch control functions for easy management of music and calls. The touch-sensitive area is located on the outer surface of each earbud.

- **Play/Pause Music:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Answer/Hang Up Call:** Single tap on either earbud during an incoming call or active call.
- **Activate Voice Assistant (Siri/Google Assistant):** Triple tap on either earbud.

Call Quality and Audio Experience

The built-in microphone ensures clear calls even in noisy environments. Enjoy powerful, deep bass with 13mm drivers for a superior listening experience across all your media.

Maintenance

Cleaning

Regularly clean your earbuds with a soft, dry, lint-free cloth. Avoid using harsh chemicals or abrasive materials. Ensure the charging contacts on both the earbuds and the case are clean and dry.

Water Resistance

The earbuds are water resistant, making them suitable for active lifestyles and sports activities. However, they are not waterproof. Avoid submerging them in water or exposing them to heavy rain for extended periods.

Battery Care

To prolong battery life, avoid fully discharging the earbuds and charging case frequently. Store them in a cool, dry place

when not in use. If storing for an extended period, ensure they have at least a partial charge.

Troubleshooting

- **Earbuds not pairing:** Ensure both earbuds are out of the case and your device's Bluetooth is on. Forget the device from your phone's Bluetooth settings and try pairing again.
- **Only one earbud working:** Place both earbuds back into the charging case, close the lid, wait a few seconds, then take them out again. This often re-syncs them.
- **Poor sound quality:** Ensure earbuds are clean and properly seated in your ears for a good seal. Check your device's volume and audio settings.
- **Charging issues:** Verify the charging cable and port are clean and undamaged. Ensure the charging case has power.

Specifications

Feature	Specification
Brand	1 Hora
