SETUP AND INSTALLATION

1. **Prepare Your Device:** Ensure your Samsung Galaxy S24 is clean and free of dust or debris.
2. **Align the Case:** Start by aligning the top edge of your phone with the top edge of the case.
3. **Insert the Phone:** Gently push your phone into the case, ensuring all corners snap securely into place. Apply even pressure around the edges until the phone is fully seated.
4. **Check Fit:** Verify that all buttons (power, volume) are accessible and functional, and that the charging port and speaker cutouts align correctly.

Important Note:

This case is specifically designed for the Samsung Galaxy S24. It is *not* compatible with the Galaxy S24+ or S24 Ultra models.

OPERATING INSTRUCTIONS

Once installed, the Spigen Rugged Armor case allows full functionality of your Samsung Galaxy S24.

- **Button Access:** The case features precise cutouts and responsive button covers for easy access to power and volume controls.
- **Port Access:** All ports, including the USB-C charging port, are easily accessible without removing the case.
- **Wireless Charging:** The case is thin enough to support wireless charging and PowerShare without interference. Simply place your phone with the case on a compatible wireless charger.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your Spigen Rugged Armor case, follow these simple care instructions:

- **Cleaning:** Wipe the case regularly with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used. Avoid harsh chemicals or abrasive cleaners.

- **Drying:** Allow the case to air dry completely before re-installing your phone.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight to prevent material degradation.

TROUBLESHOOTING

Issue: Case does not fit correctly.

Solution: Ensure you have the correct model case for your phone. This case is designed specifically for the Samsung Galaxy S24 (Model: ACS07346). Double-check that the phone is fully seated within the case, applying gentle, even pressure around all edges.

Issue: Wireless charging is not working.

Solution: Verify that your wireless charger is compatible with the Samsung Galaxy S24. Ensure the phone is properly centered on the charging pad. If the issue persists, try removing the case to confirm it is not the cause. The Spigen Rugged Armor case is designed to be wireless charging compatible.

Issue: Buttons are stiff or unresponsive.

Solution: Re-seat the phone in the case to ensure proper alignment. The case's button covers are designed to be responsive; if they feel stiff, it might indicate a slight misalignment.
