SAFETY PRECAUTIONS

- Ensure all parts are securely fastened during assembly to prevent instability.
- Place the cat tree on a flat, stable surface to avoid tipping.
- Regularly check for loose parts or damage and tighten/repair as needed.
- Keep small children away from the cat tree during assembly and ensure they do not climb on it.
- This product is designed for cats only.

PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. Refer to the included parts list in your physical manual for detailed identification.

SETUP AND ASSEMBLY

Assembly is straightforward. Follow the step-by-step instructions provided in your physical manual. It is recommended to wear gloves during assembly to prevent hand injuries.

1. Unpack all components and lay them out on a clean, soft surface.
2. Identify the base and attach the first set of scratching posts.
3. Securely fasten platforms and the cat condo using the provided hardware.
4. Attach the upper scratching posts and the top perch.
5. Ensure all connections are tight and stable before allowing your cat to use the tree.

MAINTENANCE AND CARE

- **Cleaning:** The cushions are removable and can be washed on a gentle cycle. The plush platforms and other surfaces can be wiped clean with a damp cloth.
- **Sisal Posts:** While durable, sisal posts are consumable. They can be rewrapped with fresh sisal if heavily worn.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight and secure.
- **Damage:** If any part becomes damaged, discontinue use and contact customer support for replacement parts or advice.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Cat tree feels wobbly.	Loose connections or uneven floor.	Tighten all screws. Ensure the tree is on a flat, stable surface. Consider placing weights on the base if your cat is very energetic.
Cushions fall off.	Adhesive may be insufficient or worn.	Re-secure cushions with stronger adhesive if necessary.
Cat not using the tree.	New environment, unfamiliar scent, or preference.	Place catnip on the tree, encourage play with toys on the tree, or place it in a preferred location. Give your cat time to adjust.
