

RORRY D13

RORRY MagSafe Compatible 3-in-1 Wireless Charger Power Bank with Ring & Stand (5000mAh) Model D13 User Manual

1. INTRODUCTION

Thank you for purchasing the RORRY D13 3-in-1 Wireless Charger Power Bank. This device is designed to provide convenient and efficient charging for your MagSafe-compatible iPhone, Apple Watch, and AirPods. It features a 5000mAh capacity, an integrated ring stand, and multiple safety protections. Please read this manual carefully before use to ensure proper operation and to maximize the product's lifespan.

2. PRODUCT FEATURES

- **MagSafe Compatibility:** Securely attaches to iPhone 12 series and newer models for stable wireless charging.
- **3-in-1 Charging:** Simultaneously charges MagSafe-compatible iPhones, Apple Watches, and AirPods.
- **Integrated Ring & Stand:** Provides a secure grip for one-handed use and functions as a kickstand for hands-free viewing.
- **5000mAh Capacity:** Offers sufficient power for on-the-go charging, providing approximately one full charge for an iPhone 15 or eight full charges for an Apple Watch Ultra 2.
- **Fast Charging:** Delivers up to 15W for iPhones and 3.3W for Apple Watches.
- **Pass-Through Charging:** Allows simultaneous charging of the power bank and connected devices from a single power outlet.
- **Safety Protections:** PSE certified and equipped with multiple protection systems for safe and reliable use.
- **Compact and Lightweight:** Designed for portability and convenience.

3. PACKAGE CONTENTS

- RORRY D13 3-in-1 Wireless Charger Power Bank
- USB Type-C Charging Cable
- User Manual
- Magnetic Ring (for non-MagSafe compatible devices)

4. SAFETY INFORMATION

- Do not expose the device to extreme temperatures, direct sunlight, or moisture.
- Avoid dropping, disassembling, or modifying the device.
- Keep out of reach of children.
- Use only the provided or certified charging cables and adapters.
- If the device shows signs of damage, overheating, or unusual behavior, discontinue use immediately.
- Dispose of the product according to local regulations.

5. SETUP

5.1 Initial Charging of the Power Bank

Before first use, fully charge the RORRY D13 power bank. Connect the included USB Type-C cable to the power bank's Type-C port and plug the other end into a compatible USB power adapter (not included). The LED indicators on the power bank will show the charging status. Once all LEDs are solid, the power bank is fully charged.

5.2 Attaching to iPhone (MagSafe)

Align the RORRY D13 power bank with the back of your MagSafe-compatible iPhone. The magnets will automatically snap the power bank into place, ensuring a secure connection for wireless charging.

5.3 Using the Magnetic Ring (for non-MagSafe devices)

For non-MagSafe compatible smartphones that support Qi wireless charging, attach the included magnetic ring to the center of the back of your phone or phone case. This will allow the RORRY D13 to magnetically attach and provide stable wireless charging.

6. OPERATING INSTRUCTIONS

6.1 Charging iPhone (MagSafe)

Once the power bank is securely attached to your MagSafe-compatible iPhone, press the power button on the side of the power bank to initiate wireless charging. The iPhone's screen will indicate that charging has begun.

6.2 Charging Apple Watch

Place your Apple Watch on the dedicated charging pad on the rear surface of the RORRY D13 power bank. Ensure the Apple Watch is properly aligned for charging to begin. The Apple Watch screen will display the charging icon.

6.3 Charging AirPods

Place your AirPods charging case (wireless charging compatible) on the front surface of the RORRY D13 power bank, next to your iPhone if it's attached. Ensure proper alignment for charging to begin.

6.4 Simultaneous Charging

The RORRY D13 can charge an iPhone/AirPods on the front and an Apple Watch on the back simultaneously. Note that charging multiple devices at once may result in a slower charging speed for each device.

6.5 Pass-Through Charging

When the RORRY D13 is connected to a power source via its Type-C input, it can simultaneously charge itself and any connected devices (iPhone, Apple Watch, AirPods). This allows you to charge all your devices overnight using a single

wall outlet.

6.6 Using the Ring Stand

The integrated ring on the back of the power bank can be pulled out to serve as a finger grip for enhanced security during one-handed phone use. It can also be rotated and positioned to act as a kickstand, allowing you to prop up your phone for hands-free viewing in both portrait and landscape orientations.

7. COMPATIBLE DEVICES

7.1 MagSafe Compatible Devices

- iPhone 16, iPhone 16 Plus, iPhone 16 Pro, iPhone 16 Pro Max
- iPhone 15, iPhone 15 Pro, iPhone 15 Pro Max
- iPhone 14, iPhone 14 Pro, iPhone 14 Pro Max
- iPhone 13 mini, iPhone 13, iPhone 13 Pro, iPhone 13 Pro Max
- iPhone 12 mini, iPhone 12, iPhone 12 Pro, iPhone 12 Pro Max

7.2 Apple Watch Compatible Devices

- Apple Watch Ultra 2, Apple Watch Ultra
- Apple Watch Series 10, Series 9, Series 8, Series 7, Series 6, Series 5, Series 4, Series 3
- Apple Watch SE

7.3 AirPods Compatible Devices

- AirPods Pro (1st and 2nd generation)
- AirPods (2nd and 3rd generation)

7.4 Qi Wireless Charging Compatible Devices (with magnetic ring)

- iPhone 8, iPhone 8 Plus, iPhone X, iPhone XS, iPhone XS Max, iPhone XR, iPhone 11, iPhone 11 Pro, iPhone 11 Pro Max, iPhone SE (2nd generation)
- Other Qi-compatible Android smartphones (requires attachment of the included magnetic ring for stable connection).

8. SPECIFICATIONS

Brand	RORRY
Model Number	D13
Capacity	5000mAh
Connector Type	USB Type-C
Input Voltage	9V (Max 18W via Type-C)
Output Voltage	9V
iPhone Wireless Output	Max 15W
Apple Watch Wireless Output	3.3W
Amperage	3A

Total USB Ports	1 (Type-C)
Color	White
Product Weight	144 grams
Material	ABS flame retardant material, Zinc alloy (ring)
Certifications	PSE, MSDS

9. MAINTENANCE

- Clean the device with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- Keep the charging surfaces free of dust and debris to ensure optimal charging performance.
- Store the power bank in a cool, dry place when not in use.
- Avoid prolonged exposure to direct sunlight or high humidity.

10. TROUBLESHOOTING

10.1 Device Not Charging

- Ensure the power bank is sufficiently charged. Check the LED indicators.
- Verify that your device is properly aligned on the charging surface.
- Remove any thick cases or metallic objects that may interfere with wireless charging.
- For non-MagSafe phones, ensure the magnetic ring is correctly attached.
- Confirm that the power button on the power bank has been pressed to activate charging.

10.2 Slow Charging Speed

- Charging multiple devices simultaneously will reduce the charging speed for each device.
- Ensure the power bank itself is fully charged.
- Check if the charging cable and wall adapter used to charge the power bank are capable of delivering sufficient power (e.g., 18W for optimal input).

10.3 Magnetic Attachment Issues

- Ensure your iPhone is MagSafe compatible (iPhone 12 series or newer).
- If using a case, ensure it is a MagSafe-compatible case or that the included magnetic ring is properly applied to a standard case.
- Clean the magnetic surfaces on both the power bank and your device/case to ensure a strong connection.

11. WARRANTY AND SUPPORT

The RORRY D13 3-in-1 Wireless Charger Power Bank comes with a **1-year warranty** from the date of purchase. This warranty covers manufacturing defects and malfunctions under normal use. For warranty claims or technical support, please contact RORRY customer service. Additionally, free returns and exchanges are available within 30 days of purchase. Our Japanese customer support team is available to assist with any product or delivery inquiries. For further assistance, please visit the RORRY store on Amazon or contact us directly.
