86lux TH-OK25-BL-JH

86lux Book Light Instruction Manual (Model TH-OK25-BL-JH)

Your guide to operating and maintaining your 86lux Book Light.

1. INTRODUCTION

Thank you for choosing the 86lux Book Light. This device is designed to provide comfortable and adjustable illumination for reading, featuring a USB rechargeable LED light with multiple color temperatures and stepless dimming. Its aluminum alloy construction ensures durability and portability. This manual provides essential information for safe and effective use.

2. SAFETY INFORMATION

- Do not expose the device to extreme temperatures or direct sunlight.
- Keep away from water and moisture.
- Do not attempt to disassemble or repair the device yourself. Contact customer support if needed.
- Use only the provided USB-C cable for charging.
- Keep out of reach of children.

3. PACKAGE CONTENTS

Verify that all items are present in your package:

- 1 x 86lux Book Light
- 1 x USB-C Charging Cable (adapter not included)

4. PRODUCT OVERVIEW

The 86lux Book Light features a compact design with intuitive controls and a flexible light head.

Made for Quiet Nights & Long Chapters

A refined clip-on booklight for bedtime reading.

Figure 1: Overview of the 86lux Book Light.

- **Light Head:** Contains 7 high-intensity LEDs with a curved lampshade for wider, softer illumination.
- **Flexible Arm/Body:** Allows for omnidirectional adjustment of the light head.
- **Control Buttons:** Three independent buttons for power, brightness, and color temperature.
- **Clip:** Securely attaches to books, acting as a bookmark.
- **USB-C Port:** For charging the internal battery.
- **Battery Indicator:** Displays remaining battery life.

5. SETUP AND CHARGING

5.1 Initial Charge

Before first use, fully charge the book light. Connect the provided USB-C cable to the charging port on the device and to a USB power source (e.g., computer, wall adapter, power bank).

Figure 2: Charging the 86lux Book Light using a USB-C cable.

- The battery indicator lights will show charging progress.
- A full charge provides up to 100 hours of use on the dimmest setting.

5.2 Attaching to a Book

Gently slide the clip onto the pages of your book. The expanded contact area of the clip is designed to reduce pressure and prevent marks on your book. The ideal clamping range is approximately 0.06 to 0.17 inches (10-15 pages).

7. MAINTENANCE

- Clean the light with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- Store the device in a cool, dry place when not in use.
- Avoid dropping the device or subjecting it to strong impacts.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Light does not turn on.	Battery is depleted.	Charge the book light using the provided USB-C cable.
Light flickers or is dim.	Low battery.	Recharge the device.
Cannot change brightness or color.	Buttons unresponsive.	Ensure the device is powered on. If issue persists, try charging or resetting (if applicable, though not specified).
Light leaves marks on book pages.	Clip applied to too many pages.	Ensure the clamping range is within 0.06-0.17 inches (approx. 10-15 pages).
