5. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your KROFEM Patio Furniture Set.

5.1 General Cleaning

- **Frame and Rattan:** Wipe with a dry cloth to remove dust and debris. For more stubborn dirt, use a damp cloth with mild soap and water, then rinse thoroughly and dry completely.
- **Cushions:** The cushion covers feature an all-weather zipper and can be removed for cleaning. While the surface is spill-proof, cushions should not be exposed to prolonged rain. Retract cushions promptly during rainy weather or store them in a dry place.
- **Glass Tabletop:** The tempered glass tabletop can be easily cleaned with a simple wipe using a glass cleaner or a damp cloth.

5.2 Weather Protection

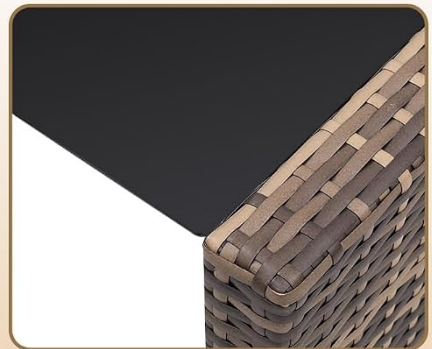

Although designed for all-weather use, protecting your furniture during extreme weather conditions (heavy rain, snow, strong winds) is recommended. Consider using a furniture cover or storing cushions indoors during off-seasons to prolong their lifespan.
