SARDVISA B61D

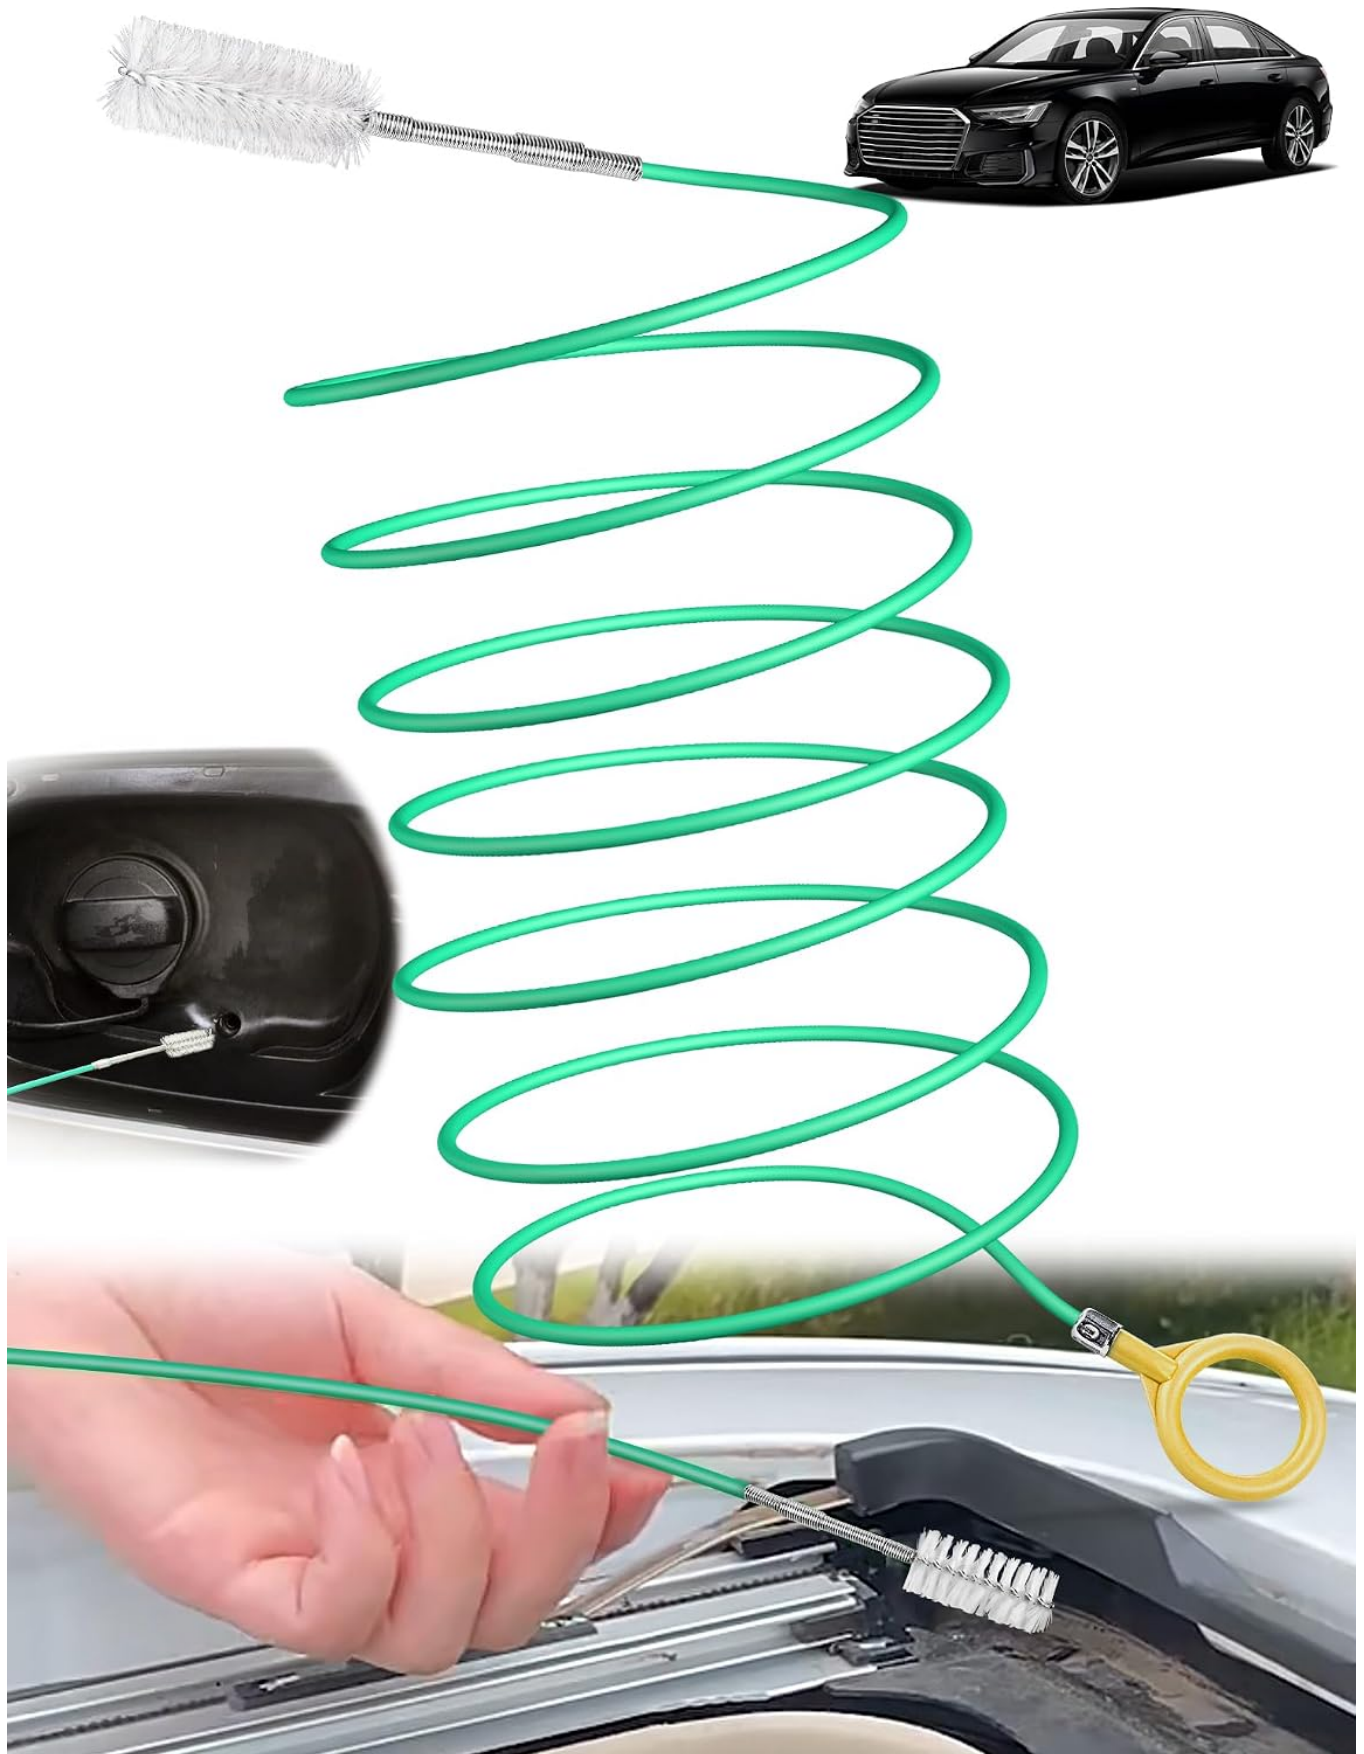

Upgraded Auto Sunroof Drain Cleaning Tool User Manual

Brand: SARDVISA | Model: B61D

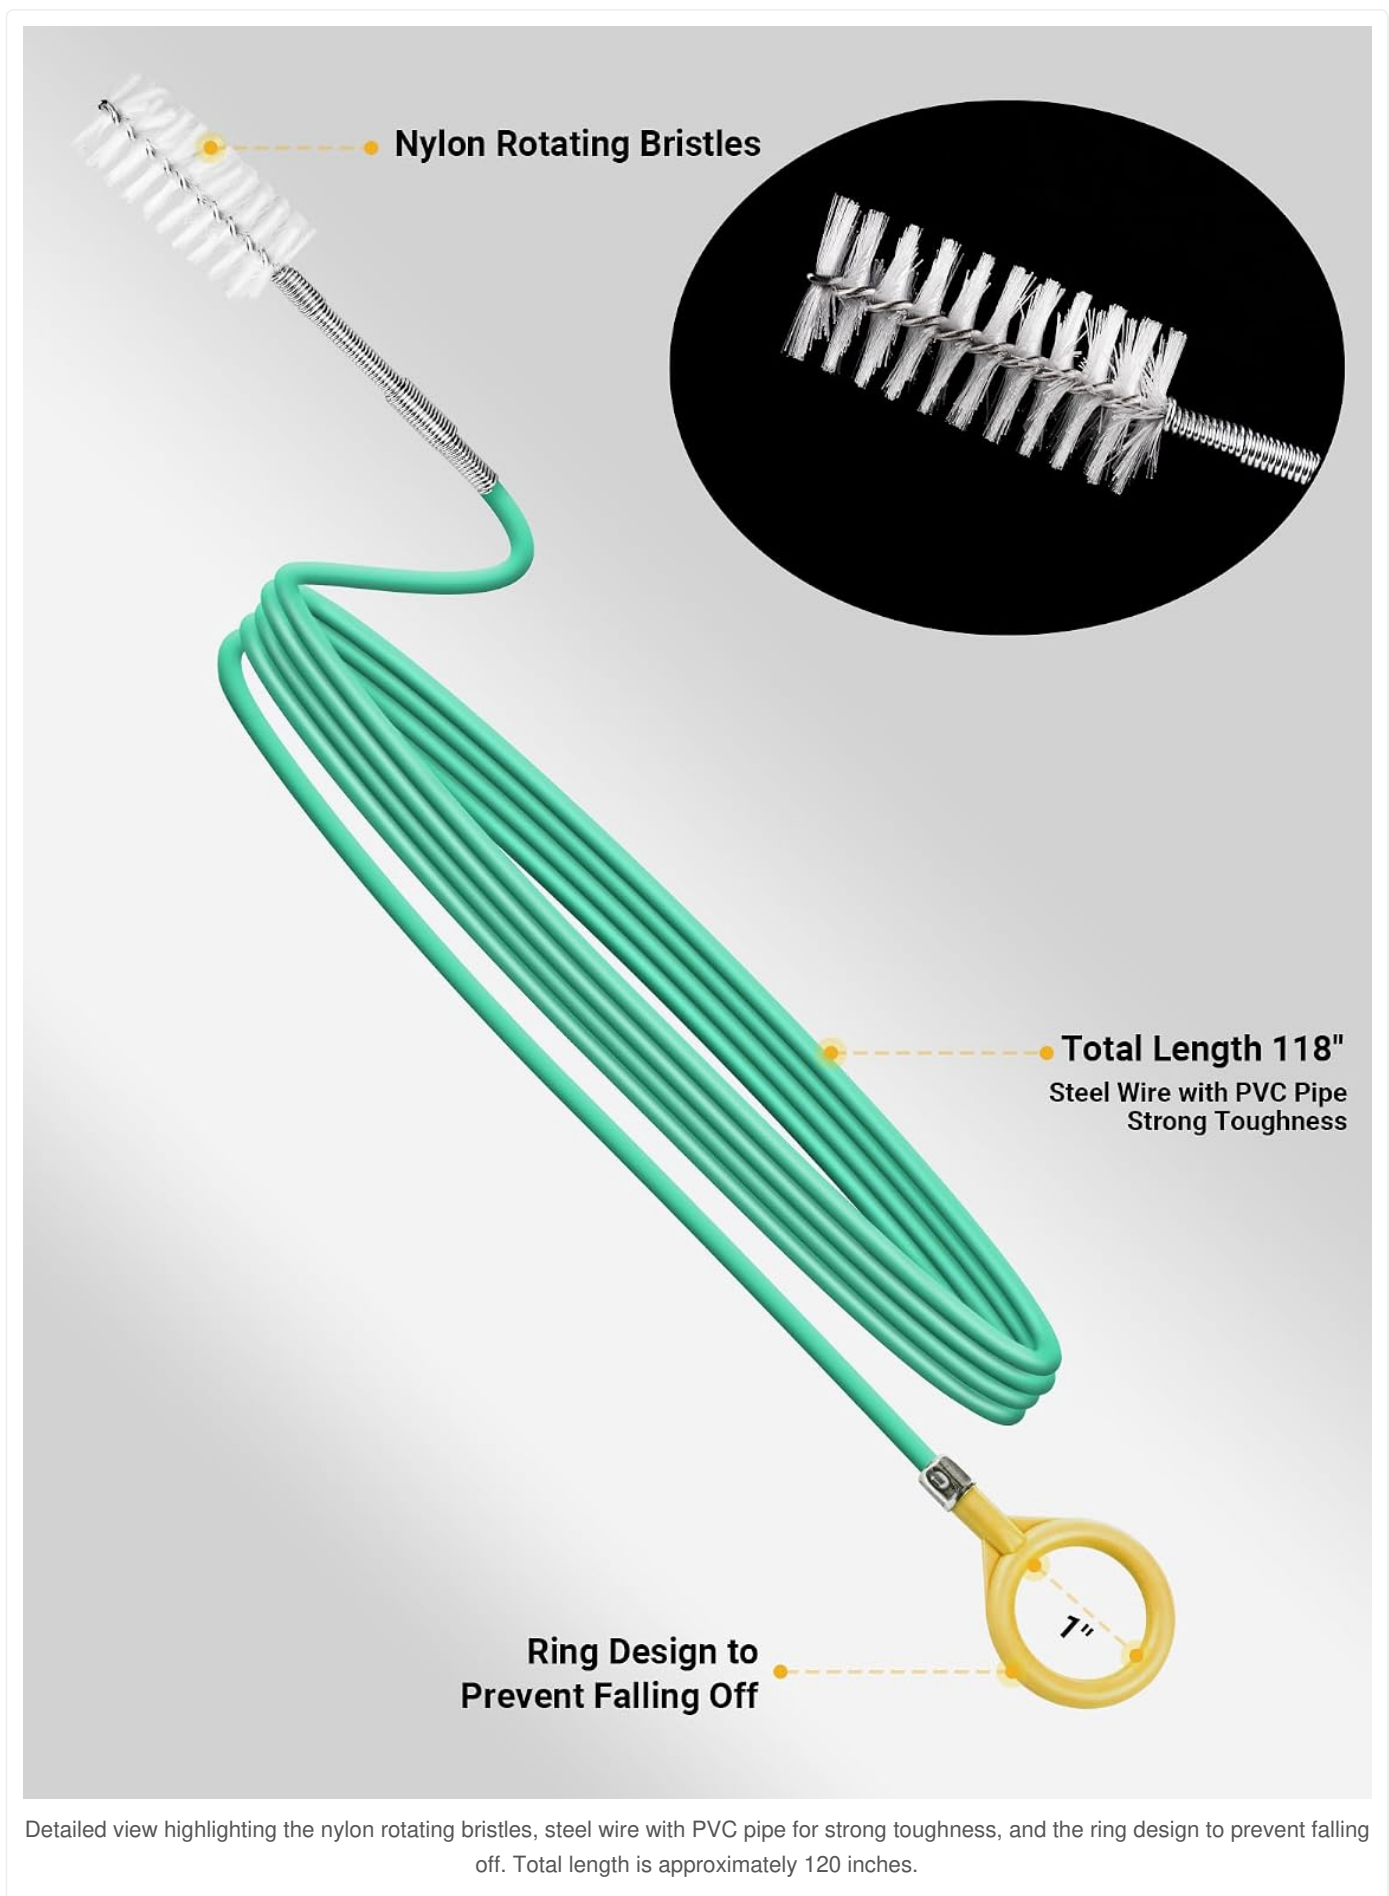

INTRODUCTION

This manual provides comprehensive instructions for the safe and effective use of your Upgraded Auto Sunroof Drain Cleaning Tool. Designed for clearing obstructions in narrow pipes, this flexible tool is ideal for maintaining various vehicle and household drains.

PRODUCT OVERVIEW

The Upgraded Auto Sunroof Drain Cleaning Tool, featuring a long flexible design with a brush head and hand ring.

Key Features:

- **120 Inches Longer Drain Brush:** Extended length (300 cm) for reaching deep into narrow and curved pipes.
- **Steel Wire with PVC Pipe:** High toughness construction prevents damage and scratches to soft rubber pipes.

- **Nylon Rotating Bristles:** Soft, scratch-free tubular brush head effectively removes leaves, dirt, cobwebs, and debris. Reusable for long-term use.
- **Practical Hand Ring Design:** Ergonomic hand ring for easy extraction and secure grip, preventing the tool from falling into drains.
- **Wide Application:** Suitable for car sunroofs, auto wipers, fuel tank drain holes, car door drain holes, skylight drain pipes, refrigerator drains, fish tanks, hoses, glass tubes, and water pump accessories.

WHAT'S IN THE BOX

- 1 x Upgraded Auto Sunroof Drain Cleaning Tool (120 Inch)

SETUP AND PREPARATION

Before beginning the cleaning process, ensure you have access to the drain opening. For car sunroof drains, this typically involves opening the sunroof to expose the drain channels.

CAR PIPE **QUICK DREDGING** TOOL

The tool can be used for various car pipe quick dredging tasks, including skylight, windshield wiper, fuel tank, and door drain holes.

OPERATING INSTRUCTIONS

Follow these steps to effectively clean clogged drains using the SARDVISA Upgraded Auto Sunroof Drain Cleaning Tool:

1. **Locate the Drain:** Identify the specific drain hole you intend to clean. For sunroofs, these are usually located in the corners of the sunroof tray.
2. **Insert the Brush:** Gently insert the brush end of the tool into the drainage pipe. Do not force the tool if resistance is met.
3. **Pull Brush and Rotate to Clean:** Once inserted, slowly push and pull the tool while rotating it to dislodge and clear any obstructions. The flexible design allows it to navigate curved pipes.
4. **Verify Drainage:** After cleaning, pour a small amount of water into the drain to confirm proper flow and ensure the clog has been removed. Water should drain freely.

CLEAR BLOCKED SKYLIGHT DRAIN

PRACTICAL HAND RING DESIGN

Hand Ring Designed for Easy Extraction. You Don'T Need to Worry About The Pipe Cleaner Brush Falling Into The Hose and Not Being Taken Out, More Convenient for Holding

The hand ring design ensures easy extraction and prevents the tool from being lost inside the pipe.

MAINTENANCE AND CARE

To ensure the longevity and effectiveness of your drain cleaning tool, follow these simple maintenance steps:

- **Rinse After Use:** After each use, thoroughly rinse the brush and flexible pipe with water to remove any accumulated debris and dirt.
- **Store Properly:** Store the tool in a clean, dry place away from direct sunlight and extreme temperatures to prevent material degradation.

EASY TO RINSE

After Use, Rinse With Water and
It Will Be As Clean As New

The tool is easy to rinse with water after use, keeping it clean for future applications.

TROUBLESHOOTING

If you encounter issues while using the drain cleaning tool, consider the following:

- **Tool Not Advancing:** If the tool does not advance smoothly, do not force it. The obstruction might be too large or rigid. Try rotating the tool gently or withdrawing it slightly before re-attempting.
- **Persistent Clog:** For stubborn clogs, repeat the cleaning process multiple times. If the issue persists, the clog may require professional attention or a different type of cleaning method.
- **Water Not Draining:** Ensure the tool has reached and cleared the entire length of the clogged pipe. Sometimes, multiple smaller obstructions can be present.

SPECIFICATIONS

Attribute	Detail
Brand	SARDVISA
Model Number	B61D
Color	Green
Handle Material	Plastic
Material	Nylon, Polyvinyl Chloride (PVC), Rubber
Special Feature	Reusable
Shape	Round
Item Weight	2.39 ounces
Package Dimensions	10.31 x 5.16 x 0.63 inches
Unit Count	1.0 Count
Item Firmness Description	Medium
Date First Available	October 31, 2023

WARRANTY AND SUPPORT

Specific warranty information and detailed support contacts are not provided in the current product data. For any inquiries regarding warranty, returns, or technical assistance, please refer to the seller's information on the purchase platform or contact SARDVISA directly through their official channels if available.
