## 3. GETTING STARTED

### 3.1 Charging the Earbuds and Case

Before first use, fully charge both the earphones and the charging case.

1. Place the earbuds into the charging case, ensuring they are correctly seated.
2. Connect the USB charging cable to the charging port on the case and the other end to a USB power source (e.g., computer, wall adapter).
3. The indicator lights on the case will show the charging status. Once fully charged, the lights will indicate completion or turn off.
