6 IN 1 MULTIFUNCTIONAL GIFT

Perfect for girls, women, or your loved ones.
Purchase this wonderful gift to meet her diverse needs.

Figure 1.2: Overview of the 6-in-1 functionalities: Phone Wireless Charger, Vanity Mirror, LED Mirror Light, Alarm Clock (Set Dual Mode), Portable Bluetooth Speaker, and Phone Holder.

2. PACKAGE CONTENTS

Please check the package contents upon unboxing to ensure all items are present:

- COLSUR S33 Multifunctional Bluetooth Speaker Alarm Clock Unit
- Type-C Charging Cable
- User Manual (this document)
- 1 Lithium Ion Battery (pre-installed or included)

Figure 2.1: The COLSUR S33 package contents, including the main unit, Type-C cable, and manual.

3. SETUP

3.1 Power Connection

1. Connect the provided Type-C charging cable to the charging port on the back of the COLSUR S33.
2. Plug the other end of the cable into a compatible USB power adapter (not included).
3. For optimal performance, especially when using the wireless charging function, ensure the device is connected to a stable power source.

3.2 Initial Power On

Press and hold the power button (usually labeled with a power icon or integrated with the 'M' button) to turn on the device. The LED display will illuminate.

Figure 3.1: Detail of the control buttons, including the power/mode button.

4. OPERATING INSTRUCTIONS

4.1 Setting the Clock and Alarms

The device features a digital display clock with 4 levels of brightness and dual alarm settings.

1. Time Setting:

- Short press the **M** (Mode) button 1 time to enter Hour setting mode. Use **+** or **-** buttons to adjust the hour. Press **BT** to confirm.
- Short press the **M** button 2 times to enter Minute setting mode. Use **+** or **-** buttons to adjust the minute. Press **BT** to confirm.

2. Alarm Setting:

- Short press the **M** button 3 times to set Alarm 1. Follow the same procedure as time setting to adjust hour and minute.
- Short press the **M** button 4 times to set Alarm 2. Follow the same procedure as time setting to adjust hour and minute.

3. **12H/24H System:** Short press the **M** button 7 times to display the "12H system". Use **+** or **-** to adjust. Press **BT** to confirm.

4. **Snooze Function:** When an alarm sounds, long touch the snooze area (usually the top surface or a designated button) for 5 minutes or 10 minutes (depending on model/setting) to activate snooze.

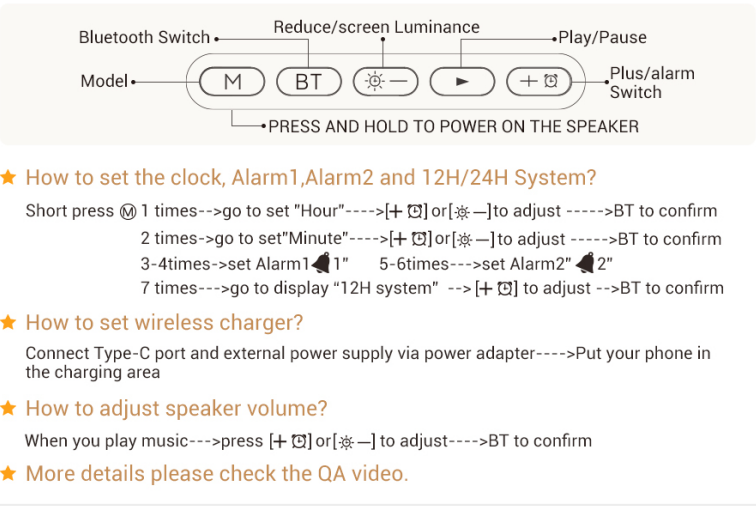

Figure 4.1: Control panel layout and detailed instructions for setting clock and alarms.

Figure 4.2: Visual representation of setting wake-up and coffee times, and activating snooze.

4.2 Bluetooth Speaker Function

The COLSUR S33 features a powerful Bluetooth 5.0 speaker for immersive sound.

1. Pairing:

- Ensure the device is powered on.
- Press the **BT** button to enter Bluetooth pairing mode. The display may show a Bluetooth icon or "BT".
- On your mobile device, enable Bluetooth and search for "COLSUR S33" (or similar name).
- Select the device to pair. A confirmation sound will indicate successful pairing.

2. **Volume Adjustment:** When playing music, press **+** or **-** buttons to adjust the volume.

3. **Play/Pause:** Press the Play/Pause button (often integrated with the **BT** button or a dedicated icon) to play or pause music.

Figure 4.3: The COLSUR S33 functioning as a portable Bluetooth speaker.

4.3 Wireless Charging

The COLSUR S33 supports 15W fast wireless charging for compatible iOS and Android devices. Ensure the device is connected to a power supply for this function to work.

1. Connect the COLSUR S33 to an external power supply via the Type-C port and a power adapter.
2. Place your compatible smartphone or wireless charging earbuds case onto the designated charging area on top of the device.
3. Ensure the device is centered on the charging pad for optimal charging. A charging indicator (e.g., a flashing dot on the clock display) may appear.

1800mAH BATTERY CAPACITY & 15W FAST WIRELESS CHARGING

Supports all compliant with the standard wireless charging devices
Headphones | Cell Phones

Figure 4.4: Instructions for using the 15W fast wireless charging feature.

Figure 4.5: A smartphone placed vertically on the charging area, indicating active wireless charging.

Figure 4.6: A smartphone placed horizontally on the charging area, indicating active wireless charging.

4.4 Vanity Mirror and LED Light

The integrated vanity mirror can be adjusted for optimal viewing angles and features an LED light for enhanced visibility.

1. **Adjusting Mirror Angle:** The mirror rotates 180 degrees and the stand rotates 90 degrees, allowing you to customize the viewing angle.
2. **Turning LED Light On/Off:** Touch the designated switch area (often indicated by a light icon) on the mirror or base to turn the LED light on or off.
3. **Adjusting Brightness:** The LED light offers adjustable brightness levels. Use the brightness control buttons (often labeled with sun icons) to cycle through or adjust the intensity.

DIMMABLE DIGITAL CLOCK WITH VANITY MIRROR

- Digital display clock offers 4-levels brightness
- Easy to control the LED makeup mirror

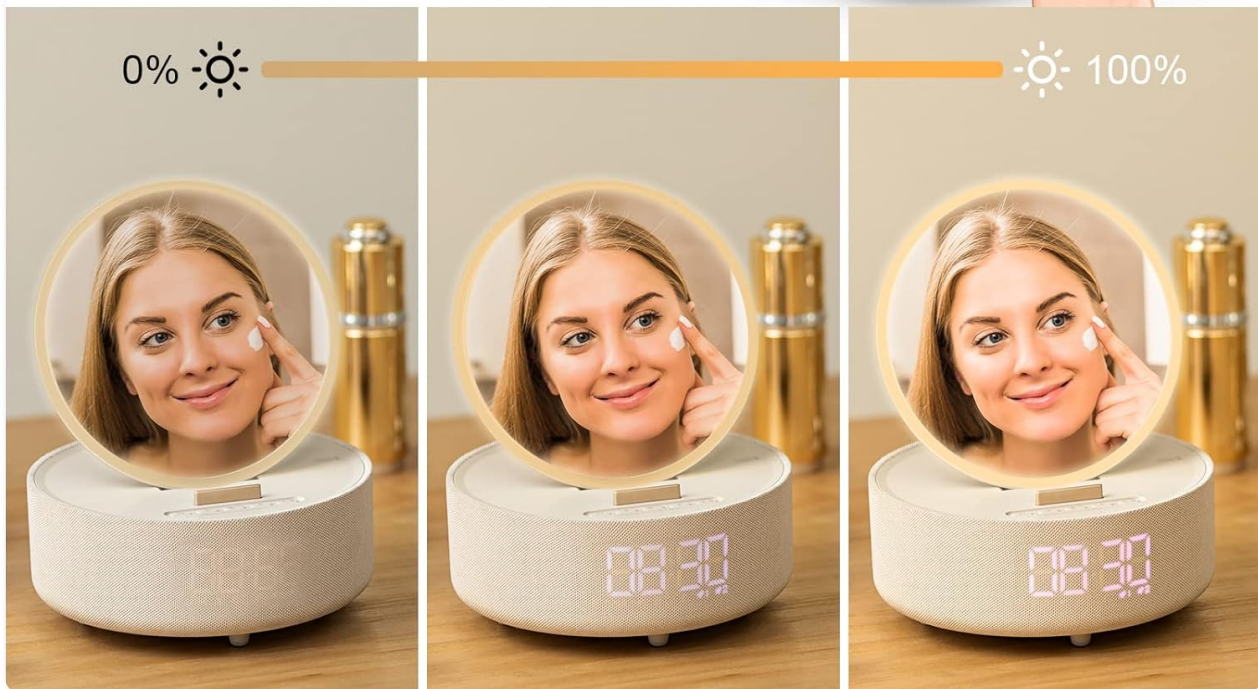

Figure 4.7: Demonstrating the dimmable LED display and the touch control for the vanity mirror's LED light.

CUSTOMIZING ANGLE FOR ALL YOUR NEEDS

- Weigh: 508g/1.12 lbs
- Power Input: DC5V/2A 9V/2.1A
- Package Include: Portable Bluetooth Speaker with Mirror+Type C

Figure 4.8: Illustration of the mirror's adjustable angles for customized viewing.

Figure 4.9: The lighted makeup mirror provides ideal illumination for applying cosmetics.

4.5 Phone Holder

The design of the COLSUR S33 allows it to function as a phone holder, providing a stable upright position for

your device while charging or watching content.

Simply place your smartphone into the designated slot or against the mirror stand to utilize the phone holder feature.

5. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to wipe the surface of the device. For stubborn marks, a slightly damp cloth can be used, but ensure no liquid enters the ports or speaker grille. Do not use abrasive cleaners or solvents.
- **Mirror Care:** Clean the mirror surface with a glass cleaner and a microfiber cloth to avoid scratches.
- **Storage:** When not in use for extended periods, store the device in a cool, dry place away from direct sunlight and extreme temperatures.
- **Power:** Always disconnect the power cable before cleaning or moving the device.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not power on.	No power connection or low battery.	Ensure the Type-C cable is securely connected to a working power adapter and outlet. Charge the device for at least 30 minutes.
Wireless charging not working.	Device not connected to external power; phone not aligned; phone case too thick; incompatible device.	Ensure the COLSUR S33 is plugged into a wall adapter. Re-position your phone on the charging pad. Remove thick phone cases. Verify your phone supports Qi wireless charging.
Bluetooth speaker not pairing.	Device not in pairing mode; Bluetooth disabled on phone; too far from device.	Press the BT button to enter pairing mode. Enable Bluetooth on your phone. Move your phone closer to the speaker (within 33 feet/10 meters).
Alarm not sounding.	Alarm not set correctly; volume too low.	Review Section 4.1 to ensure alarms are set and activated. Increase the speaker volume.
LED display is too bright/dim.	Brightness setting needs adjustment.	Use the brightness control buttons (often labeled with sun icons) to adjust the display brightness.
