HOTOR US11032

HOTOR Trunk Organizer US11032 Instruction Manual

1. Product Overview

The HOTOR Trunk Organizer US11032 is designed to provide efficient and versatile storage solutions for your vehicle. Constructed from durable Oxford cloth, this foldable organizer helps keep your car trunk, backseat, or front seat tidy and organized. It features multiple compartments and pockets to secure various items, from groceries and tools to sports equipment and sundries.

This image displays the HOTOR Trunk Organizer in its fully expanded state, highlighting its two main compartments and various external mesh pockets designed for efficient storage.

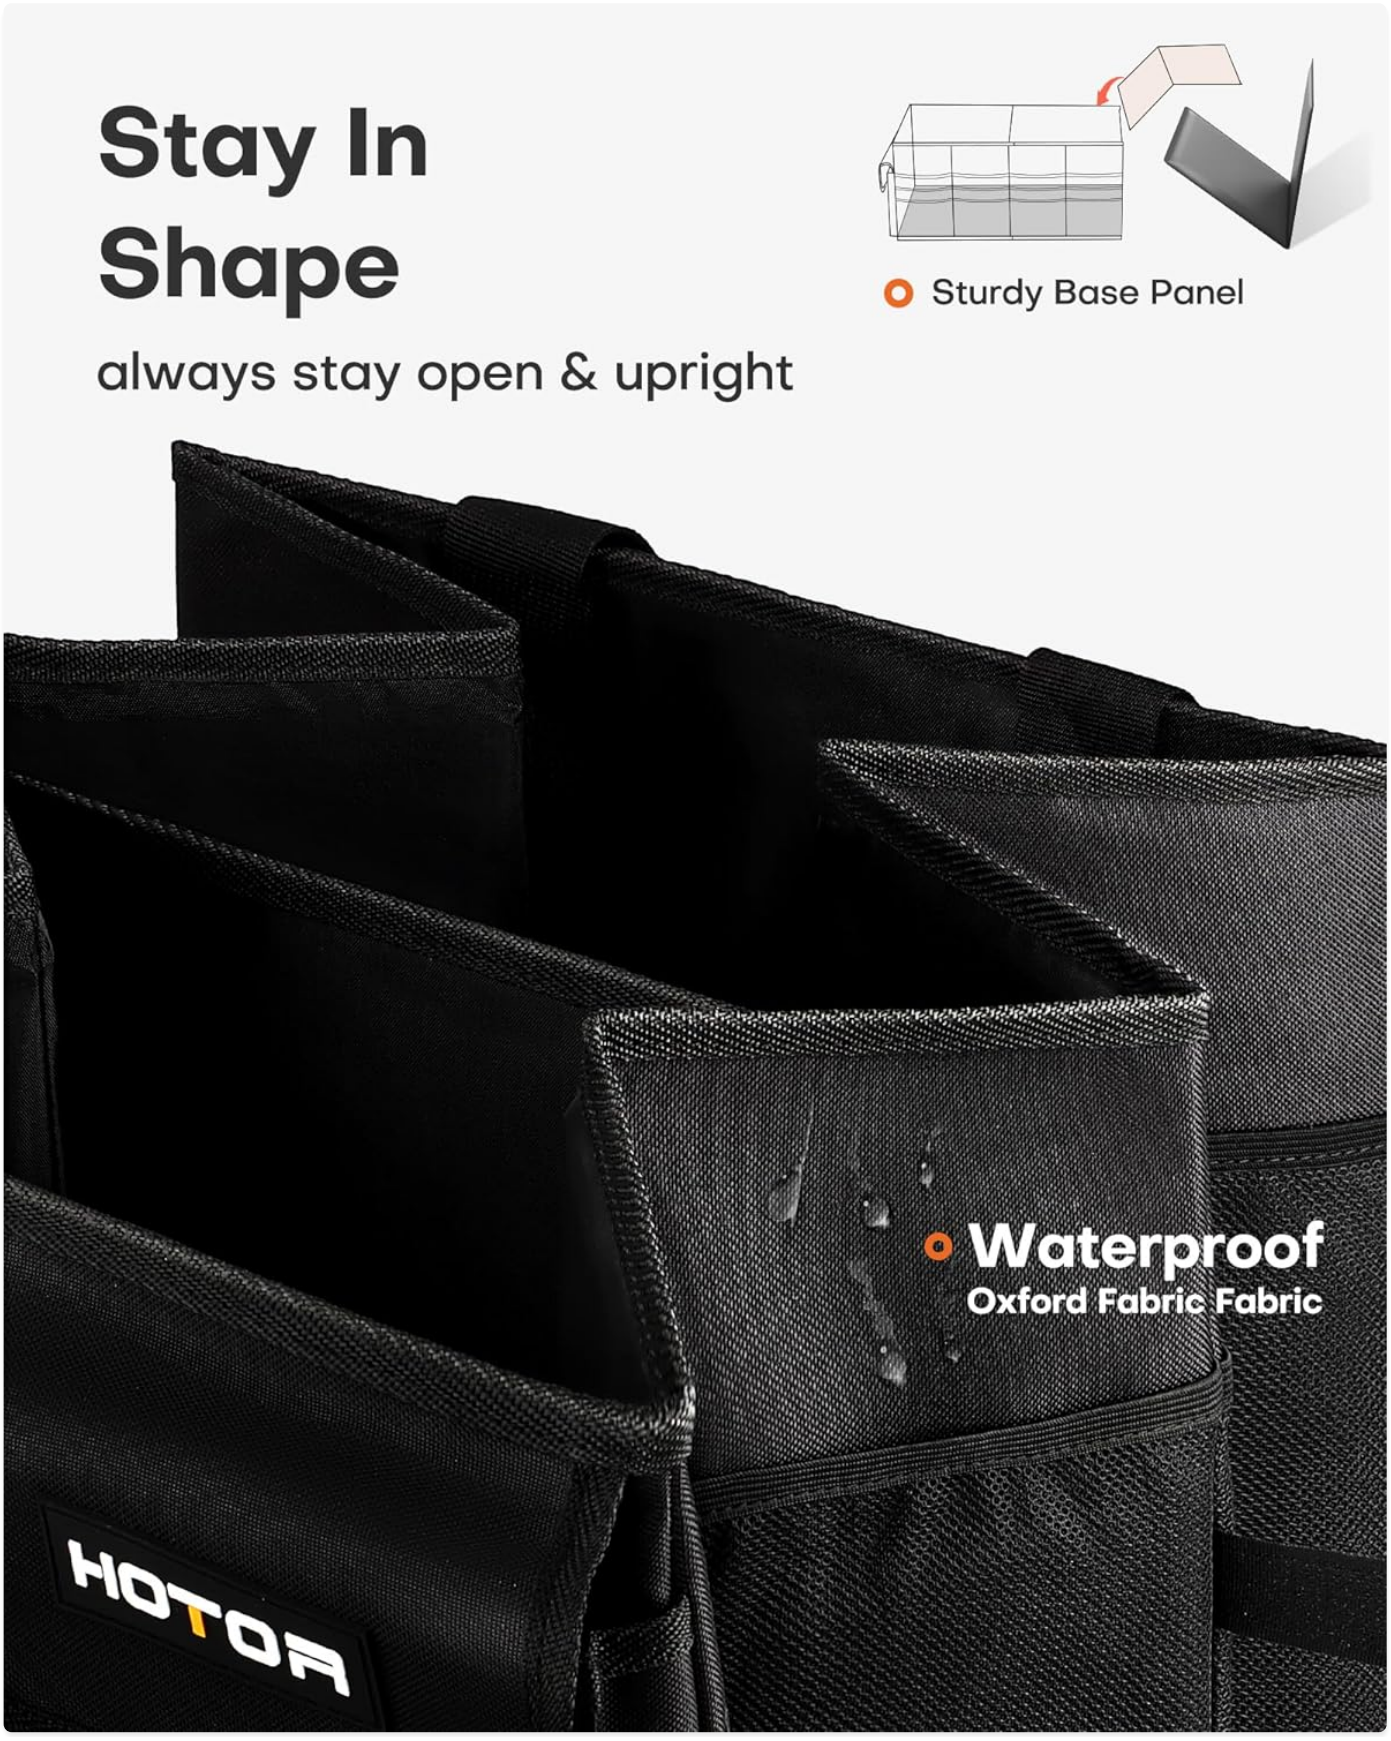

Key Features:

- **Spacious Storage:** Equipped with 2 large compartments and 6 mesh pockets for diverse storage needs.
- **Durable Construction:** Made from sturdy Oxford cloth with reinforced stitching and a thickened base panel, capable of holding over 60 lbs.
- **Flexible Configuration:** Adjustable side Velcro strips allow for full or half-fold configurations to adapt to different storage requirements.
- **Convenient Access:** Designed for easy visibility and retrieval of items, reducing clutter.
- **Portable & Space-Saving:** Collapsible design for easy storage when not in use, freeing up trunk space.

2. Setup and Assembly

The HOTOR Trunk Organizer is designed for quick and easy setup. Follow these steps to prepare your organizer for use:

1. **Unfold the Organizer:** Carefully remove the organizer from its packaging. Lay it flat on a clean surface.
2. **Expand the Compartments:** Gently pull the sides of the organizer outwards until the internal dividers are fully extended.
3. **Insert Base Panels:** Ensure the sturdy base panels are properly positioned at the bottom of each compartment to provide stability and maintain the organizer's shape.
4. **Configure as Needed:** Use the adjustable side Velcro strips to fold the organizer fully, halfway (for a single compartment), or keep it fully expanded, depending on your storage requirements.

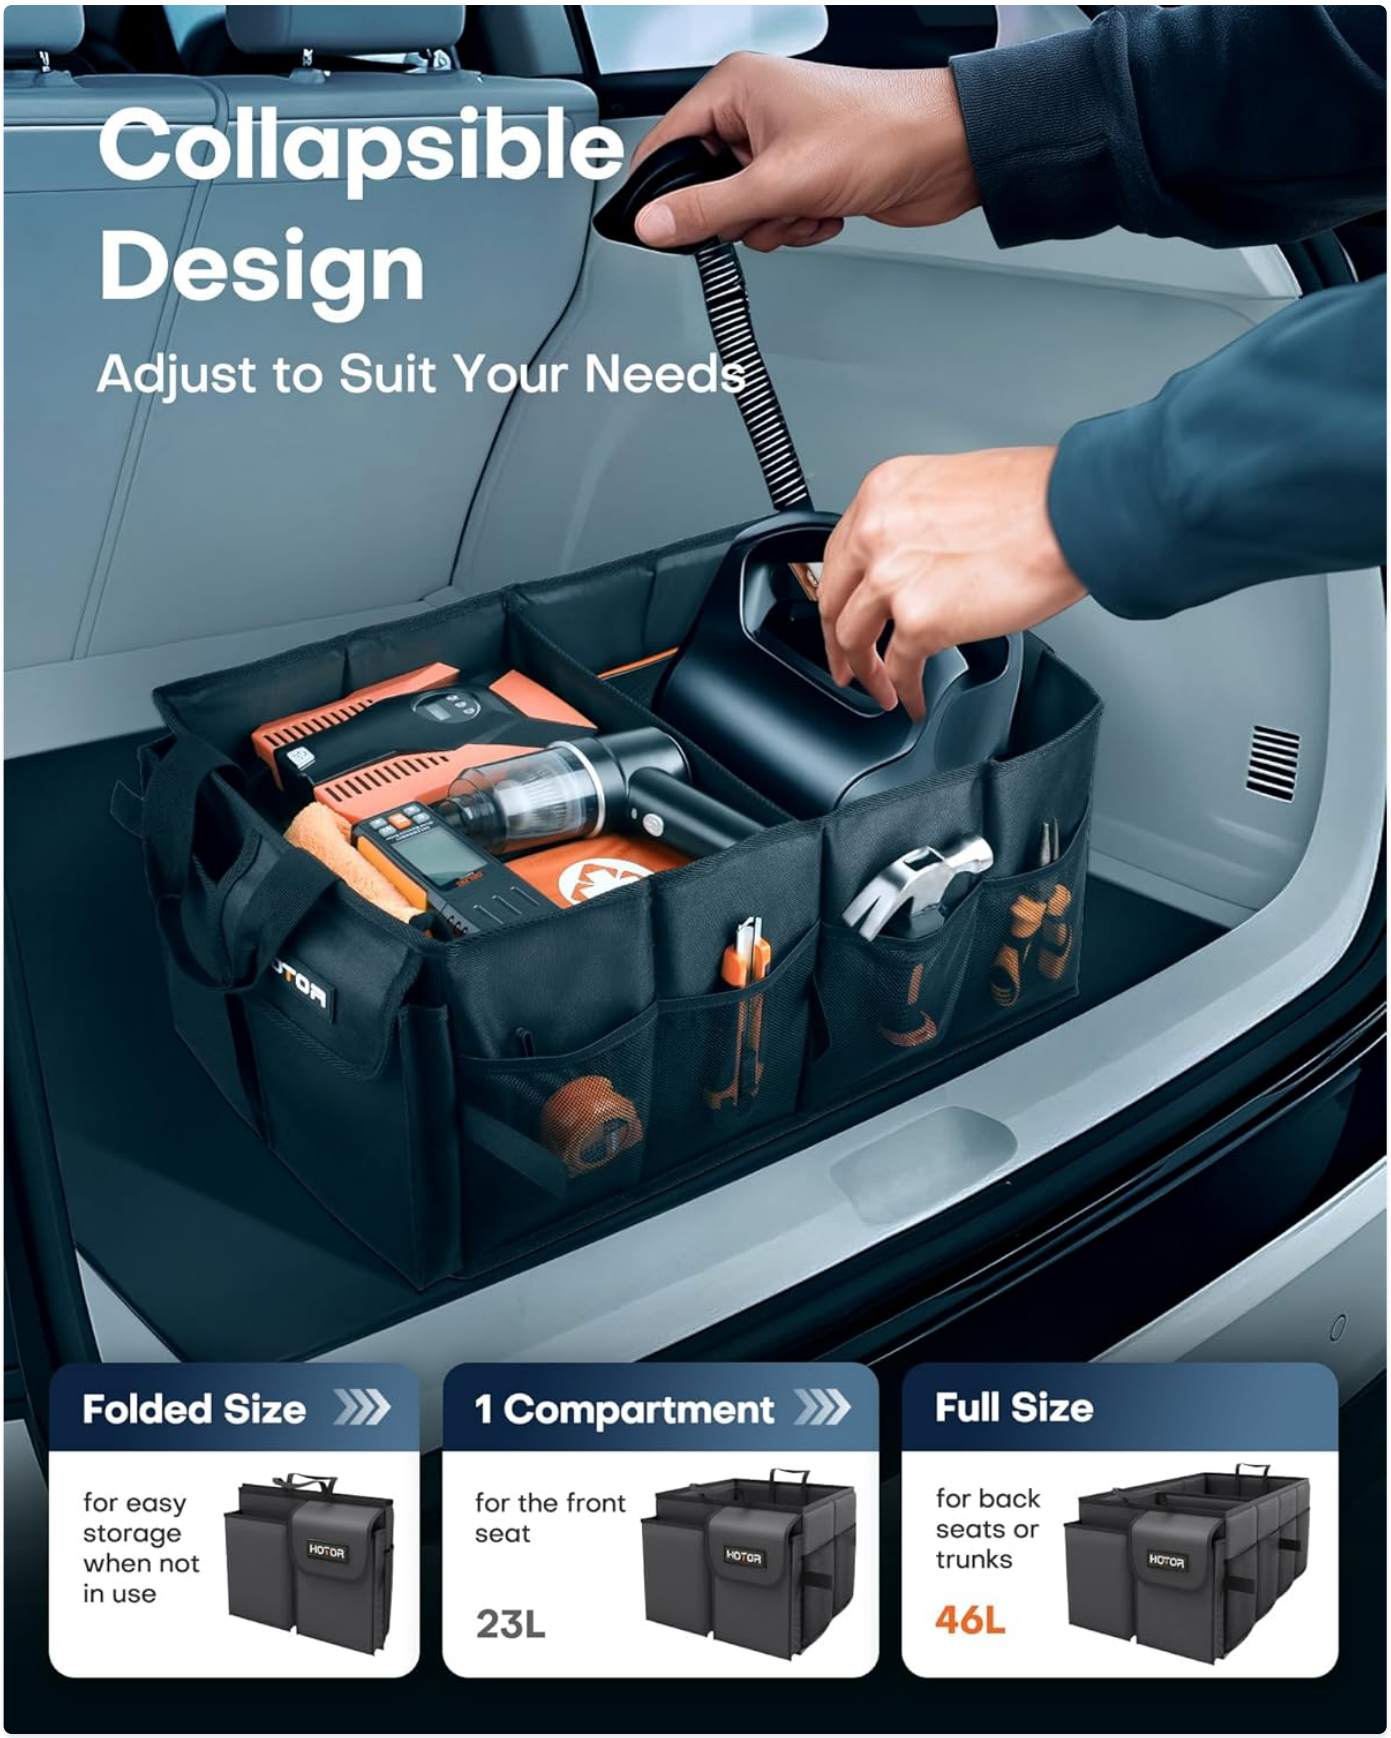

This image illustrates the versatile collapsible design of the organizer, showing how it can be folded for compact storage, partially opened for a single compartment, or fully expanded for maximum capacity within a vehicle's trunk.

3. Operating Instructions

Utilizing your HOTOR Trunk Organizer effectively will help maintain a clutter-free vehicle interior.

Using Compartments and Pockets:

- **Main Compartments:** Use the two large main compartments for bulkier items such as groceries, emergency kits, sports equipment, or cleaning supplies.
- **Mesh Pockets:** The 6 external mesh pockets are ideal for smaller items that require quick access, such as maps, pens, small tools, or water bottles.
- **Weight Distribution:** For optimal stability, distribute weight evenly across the compartments. Avoid placing excessively heavy items on one side, especially if the organizer is not fully loaded.

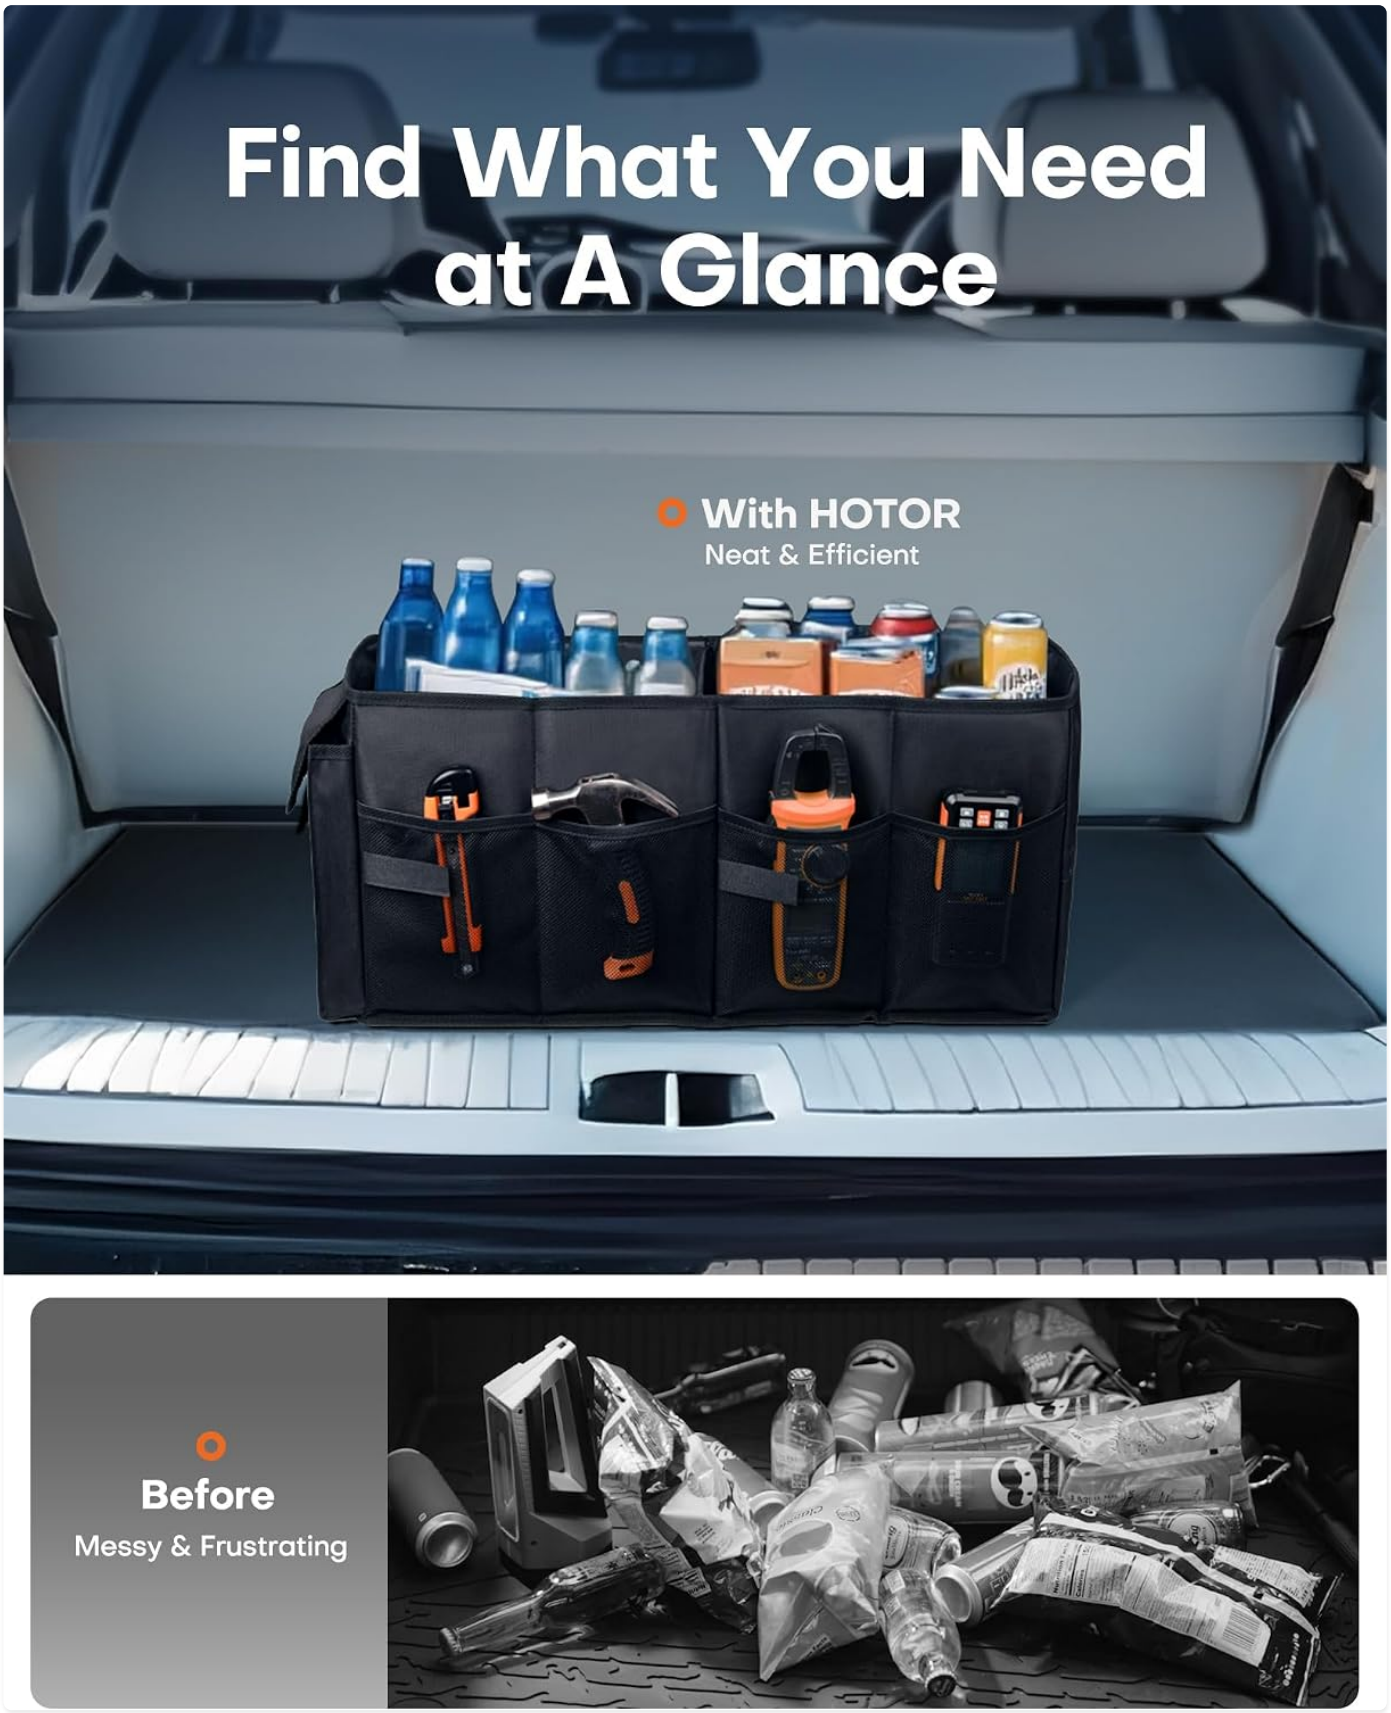

The image shows the HOTOR Trunk Organizer effectively organizing various items such as bottles, tools, and other car accessories, emphasizing its ability to keep contents neat and easily accessible.

Placement in Vehicle:

The organizer can be placed in various locations within your vehicle:

- **Trunk:** Ideal for securing items and preventing them from shifting during transit.

- **Backseat:** Can be used to organize items for passengers or to keep essentials within easy reach.
- **Front Seat:** When folded to a single compartment, it can fit on the front seat for convenient access to frequently used items.

This composite image demonstrates the multi-purpose utility of the HOTOR Trunk Organizer, showcasing its use for carrying camping essentials, organizing groceries after shopping, and providing convenient storage for household items.

4. Care and Maintenance

To ensure the longevity and cleanliness of your HOTOR Trunk Organizer, follow these care instructions:

- **Cleaning:** The Oxford cloth material is easy to clean. For dirt and spills, simply wipe the surface with a moist cloth or a damp wipe. Avoid harsh chemical cleaners that may damage the fabric.
- **Drying:** If the organizer becomes wet, allow it to air dry completely before folding or storing to prevent mildew.
- **Storage:** When not in use, fold the organizer flat using the Velcro strips and store it in a dry place away from direct sunlight.
- **Avoid Overloading:** While durable, avoid consistently overloading the organizer beyond its 60 lbs capacity to prevent strain on seams and handles.

A close-up view of the organizer highlights its construction features, including a sturdy base panel that helps it maintain its shape and the waterproof Oxford fabric, which protects contents from moisture.

5. Troubleshooting

If you encounter any issues with your HOTOR Trunk Organizer, consider the following common solutions:

- **Organizer Wobbles or Bends:** This can occur if items are not evenly distributed or if the organizer is not fully

loaded. Ensure the base panels are correctly inserted and distribute the weight of contents uniformly across compartments.

- **Difficulty Folding/Unfolding:** Check that no items are obstructing the folding mechanism. Ensure Velcro strips are properly aligned when folding for compact storage.
- **Handles Feel Strained:** Avoid lifting the organizer by the handles if it is heavily loaded. If transporting very heavy items, consider removing some contents or supporting the bottom of the organizer.

6. Product Specifications

Detailed specifications for the HOTOR Trunk Organizer US11032:

Feature	Detail
Model Number	US11032
Brand	HOTOR
