2. PRODUCT OVERVIEW AND FEATURES

The MONSTER Airmars XKT01 earphones offer a range of features for an enhanced listening experience:

- **True Wireless Stereo:** Enjoy rich, delicate, high, middle, and low frequency balanced sound.
- **Bluetooth 5.2:** Provides a stable and continuous connection for audio and calls.
- **Music/Game Mode:** Switch between optimized sound effects for music listening or gaming.
- **High Capacity Battery:** Extended playtime with the included charging case.
- **Compact Design:** Semi-in-ear form factor for comfortable wear.
- **Type-C Charging:** Modern and convenient charging interface.

Main Feature

3. SETUP AND FIRST USE

3.1 Charging the Earphones and Case

Before first use, ensure both the earphones and the charging case are fully charged.

1. Place the earphones into the charging case, ensuring they are correctly seated.
2. Connect the Type-C charging cable to the charging port on the case and the other end to a USB power source (e.g., wall adapter, computer USB port).
3. The indicator lights on the case will show the charging status. Once fully charged, the lights will indicate completion or turn off.

Note: The charging case has a battery capacity of 300 mAh, and each earbud has 30 mAh.

3.2 Pairing with Your Device

The earphones will automatically enter pairing mode when taken out of the charging case.

1. Open the charging case and remove both earphones. They will automatically power on and attempt to pair with each other.
2. On your device (smartphone, tablet, computer), go to the Bluetooth settings.
3. Search for available devices and select "MONSTER XKT01" from the list.
4. Once connected, you will hear a confirmation tone, and the earphones will be ready for use.

Note: After the initial pairing, the earphones will automatically connect to the last paired device when removed from the case, provided Bluetooth is enabled on the device.

4. OPERATING INSTRUCTIONS

4.1 Basic Controls (Touch Functions)

The earphones feature touch-sensitive controls for various functions. (Specific touch gestures are not provided in product data, general functions are listed below.)

- **Play/Pause:** Tap once on either earbud.
- **Next Track:** Double-tap the right earbud.
- **Previous Track:** Double-tap the left earbud.
- **Answer/End Call:** Tap once on either earbud during an incoming call.
- **Reject Call:** Press and hold either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Triple-tap either earbud.

4.2 Switching Between Music Mode and Game Mode

The XKT01 earphones allow you to switch between optimized sound profiles for music and gaming.

- To switch modes, press and hold the touch area on the **right** earbud for approximately 2 seconds until you hear a mode change prompt.
- Game mode provides lower latency for a more synchronized audio-visual experience during gaming.

Music/ Game Mode

The real game headset can switch the sound effect. You can switch the game mode with one key, and there is three-dimensional sound effect

5. MAINTENANCE AND CARE

Proper maintenance ensures the longevity and optimal performance of your earphones.

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the earphones and charging case. Do not use harsh chemicals or abrasive materials.

- **Storage:** When not in use, store the earphones in their charging case to protect them and keep them charged.
- **Avoid Water:** While the product may have some water resistance (indicated as 'Living waterproof' in features), avoid submerging the earphones or exposing them to excessive moisture.
- **Temperature:** Do not expose the earphones to extreme temperatures (hot or cold) or direct sunlight for extended periods.

6. TROUBLESHOOTING

If you encounter issues with your MONSTER Airmars XKT01 earphones, try the following solutions:

Problem	Possible Solution
Earphones not pairing with device	Ensure earphones are charged. Turn off and on Bluetooth on your device. Forget "MONSTER XKT01" in your device's Bluetooth settings and re-pair. Place earphones back in case, close lid, wait 5 seconds, then remove to re-enter pairing mode.
Only one earbud working	Ensure both earbuds are charged. Place both earbuds back in the charging case, close the lid, and then take them out again to re-establish stereo connection. Reset the earphones (refer to manufacturer's website if specific reset steps are needed, as not provided here).
Low volume or poor sound quality	Adjust volume on both your device and the earphones (if volume control gestures are available). Clean any debris from the earbud speaker grilles. Ensure a secure fit in your ears.
Charging issues	Check the charging cable and adapter. Try a different cable or power source. Ensure the charging contacts on the earphones and inside the case are clean and free of debris.
