Infused with rosemary and mint, this serum soothes the scalp, stimulates blood circulation, and strengthens hair follicles. Its lightweight, non-greasy formula is suitable for all hair types, offering a refreshing addition to your hair care routine.

2. PRODUCT FEATURES

- **Suitable for All Hair Types:** Effective for straight, curly, or wavy hair.

3. SETUP AND PREPARATION

Ensure your scalp is clean and free from excessive product buildup before applying the serum. The serum can be applied to damp or dry hair, depending on personal preference and desired absorption rate. For best results, use after washing your hair when the scalp is clean and pores are open.

4. OPERATING INSTRUCTIONS

1. **Step 1: Apply Directly on Scalp.** Using the applicator tip, apply a small amount of serum directly to targeted areas of your scalp, or distribute evenly across the entire scalp.
2. **Step 2: Massage with Fingertips.** Gently massage the serum into your scalp using your fingertips in circular motions. This helps to stimulate blood flow and ensure even distribution and absorption.
3. **Step 3: Let the Serum Absorb.** Allow the serum to absorb into your scalp. Do not rinse. For optimal results, leave it in and style your hair as usual.
