CAPHAUS FLR-CH2412MW6-RUOK CHFW

CAPHAUS 6-Tier Bookshelf Instruction Manual

Model: FLR-CH2412MW6-RUOK CHFW

Brand: CAPHAUS

1. INTRODUCTION

Thank you for choosing the CAPHAUS 6-Tier Bookshelf. This industrial-style bookshelf, featuring rustic oak shelves and a sturdy metal frame, is designed to provide versatile storage and display space for your home office, living room, kitchen, or bedroom. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure safe and proper use of your new bookshelf.

Image 1.1: Overview of the CAPHAUS 6-Tier Bookshelf.

2. IMPORTANT SAFETY INSTRUCTIONS

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Anti-Tipping Kit:** Always install the provided anti-tipping kit to secure the bookshelf to the wall. This is crucial to prevent tipping injuries, especially in households with children or pets.
- **Weight Capacity:** Each shelf is designed to hold a maximum of 60 lbs (27.2 kg). Do not exceed this weight limit per shelf or the overall capacity of the unit. Distribute weight evenly across shelves.
- **Stable Placement:** Place the bookshelf on a flat, level, and stable surface. Uneven surfaces can compromise stability.
- **Assembly:** Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as needed.
- **Children Safety:** Do not allow children to climb on or play with the bookshelf.
- **Proposition 65 Warning:** This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer service.

Part	Description	Quantity
A	Side Metal Frame (Left)	1
B	Side Metal Frame (Right)	1
C	Shelf Board (Rustic Oak)	6
D	X-Shaped Support Rods	2 sets
E	Adjustable Leveling Feet	4
F	Anti-Tipping Kit	1
G	Hardware Pack (Screws, Allen Wrench)	1

4. ASSEMBLY INSTRUCTIONS

Assembly typically takes about 30 minutes. It is recommended to assemble the bookshelf with two people for easier handling and safety. Ensure you have enough clear space.

Step 1: Attach Leveling Feet to Side Frames

Carefully attach the adjustable leveling feet (Part E) to the bottom of both side metal frames (Parts A and B). Hand-tighten initially.

Step 2: Secure Shelf Boards to Side Frames

Position the first shelf board (Part C) into the designated slots on the side metal frames (Parts A and B). Use the screws from the hardware pack (Part G) and the provided Allen wrench to secure the board. Repeat for all six shelf boards, working from bottom to top or top to bottom, ensuring each board is firmly seated and screwed in.

Image 4.1: Illustrates shelf board installation and 15mm thickness.

Step 3: Install X-Shaped Support Rods

Attach the X-shaped support rods (Part D) to the back of the assembled bookshelf using the provided screws. These rods enhance the stability and rigidity of the unit.

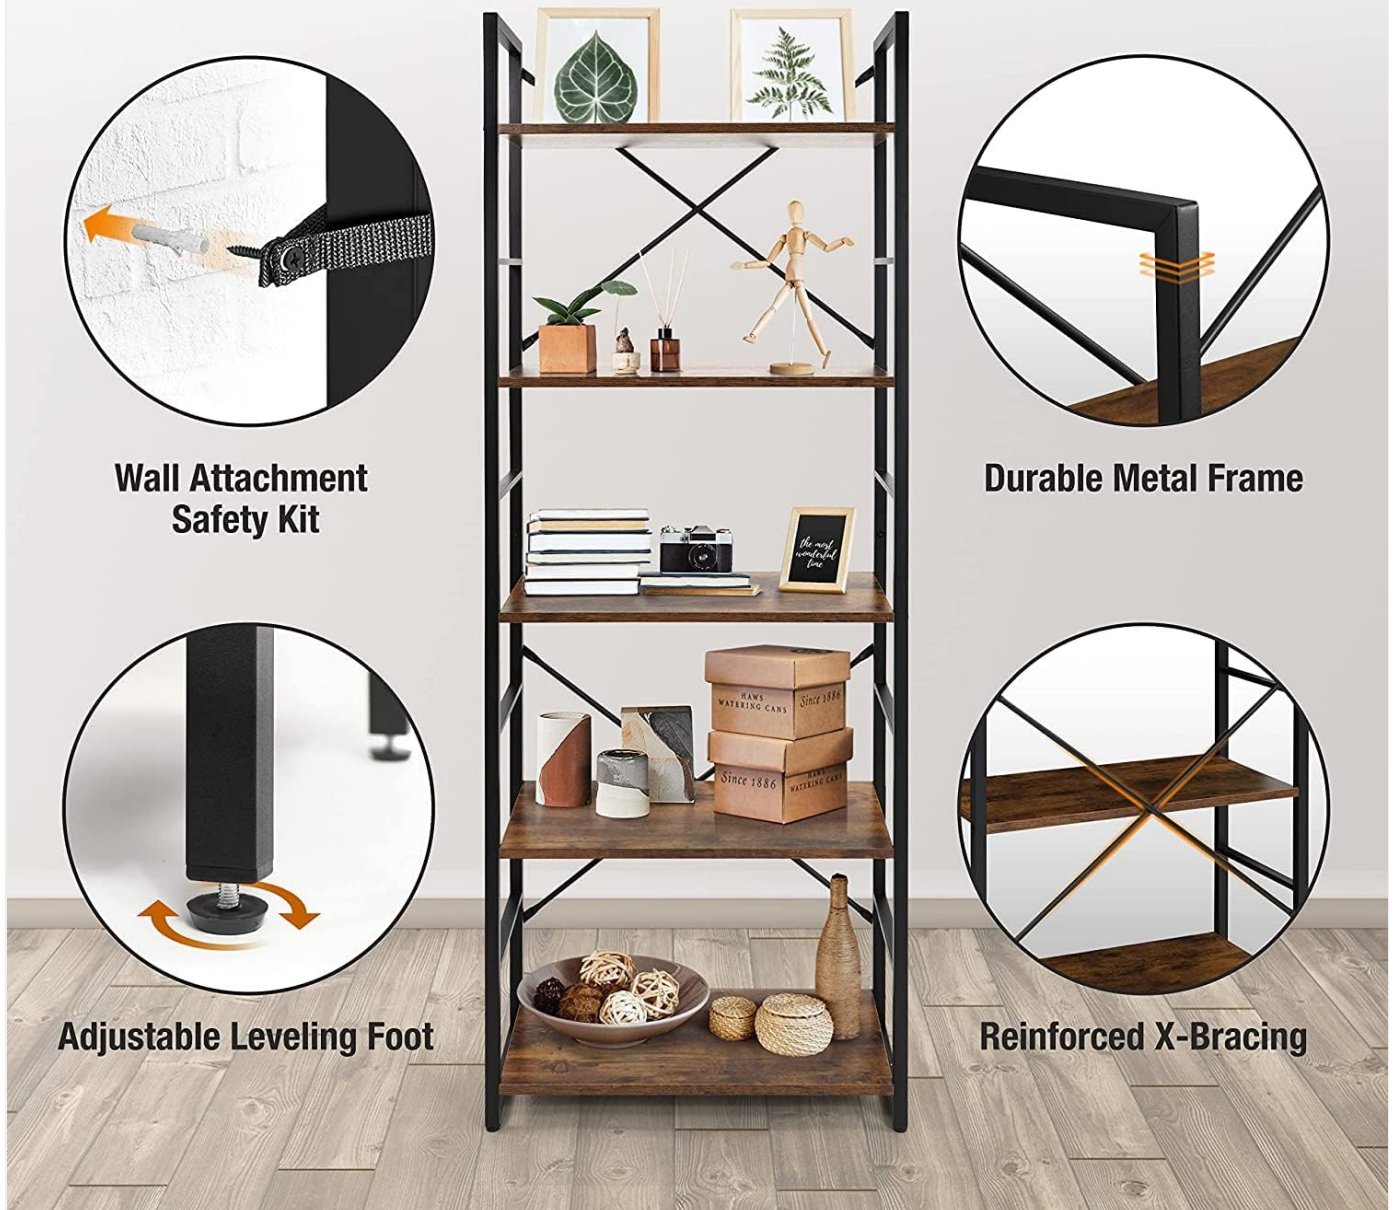

Image 4.2: Key features including reinforced X-bracing and wall attachment safety kit.

Step 4: Install Anti-Tipping Kit

Once the bookshelf is fully assembled, position it in its desired location. Use the anti-tipping kit (Part F) to secure the top of the bookshelf to a wall stud. Follow the kit's specific instructions for proper installation. This step is critical for safety.

Step 5: Adjust Leveling Feet

Adjust the leveling feet (Part E) at the bottom of the bookshelf to ensure the unit is stable and does not wobble on uneven floors.

5. OPERATING AND USAGE

- **Loading:** Place items on the shelves, distributing weight as evenly as possible. Avoid concentrating heavy items on one side or corner of a shelf.
- **Weight Limits:** Do not exceed the maximum weight capacity of 60 lbs (27.2 kg) per shelf. Overloading can cause damage to the bookshelf and pose a safety risk.

- **Environment:** Use the bookshelf indoors in a dry environment. Avoid exposure to direct sunlight, extreme temperatures, or high humidity, which can affect the material integrity.

Image 5.1: Dimensions and individual shelf weight capacity.

6. CARE AND MAINTENANCE

- **Cleaning:** Wipe the bookshelf surfaces with a dry, soft cloth. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Regular Checks:** Periodically inspect all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Stability:** Regularly check the stability of the bookshelf, especially if it has been moved or if heavy items have been rearranged. Re-adjust leveling feet if needed.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Bookshelf wobbles	Uneven floor; loose connections; leveling feet not adjusted	Adjust the leveling feet until stable. Ensure all screws are tightened.
Difficulty assembling parts	Incorrect orientation of parts; screws not aligned	Refer to the assembly diagrams and ensure parts are oriented correctly. Do not overtighten screws until all are in place.
Missing or damaged parts	Packaging error; shipping damage	Do not proceed with assembly. Contact CAPHAUS customer service immediately for replacement parts.

8. PRODUCT SPECIFICATIONS

- Brand:** CAPHAUS
- Model:** FLR-CH2412MW6-RUOK CHFW
- Type:** 6-Tier Bookshelf
- Dimensions (D x W x H):** 23.62" x 11.81" x 77.17" (60cm x 30cm x 196cm)
