## MAINTENANCE

---

Regular maintenance will help preserve the appearance and functionality of your ODK Corner Desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the laminated finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood.
- **Drawer Care:** The fabric drawers can be spot cleaned with a mild detergent if necessary. Ensure they are completely dry before reinserting.
- **Connections:** Periodically check all screws and fasteners to ensure they remain tight.
- **Electrical Components:** Keep the power outlets and USB ports free from dust and debris. Do not expose electrical components to liquids.

## TROUBLESHOOTING

---

If you encounter any issues with your ODK Corner Desk, refer to the following common troubleshooting steps.

| Problem | Possible Cause | Solution |
|---------|----------------|----------|
|---------|----------------|----------|

| Problem                              | Possible Cause  | Solution   |
|--------------------------------------|---|--|
| LED lights not turning on.           | Power cable not connected; LED strip not properly plugged in; faulty control panel. | Ensure the desk's power cable is securely plugged into a wall outlet. Check the connection of the LED strip to the control panel. If issues persist, contact customer support.                           |
| USB ports or AC outlets not working. | Desk not powered; device not properly plugged in; power surge protection tripped.   | Verify the desk is plugged into a live wall outlet. Ensure devices are fully inserted into the ports. Try a different device to rule out device issues. If the issue persists, contact customer support. |
| Desk wobbles after assembly.         | Loose fasteners; uneven floor.  | Check and tighten all assembly screws. Adjust the leveling feet at the bottom of the desk legs if your floor is uneven.  |
