1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Tribesigns 63-inch L-Shaped Office Desk with Mobile File Cabinet, Model F2086. Please read this manual thoroughly before beginning assembly or use to ensure safe and efficient operation.

Key Features:

- **Cost-effective Design:** The executive desk and mobile filing cabinet are designed to complement each other, offering a complete and sturdy office solution.
- **Robust Construction:** Features a 1.18-inch thickened desktop and heavy-duty metal frame, capable of supporting up to 300 pounds for enhanced stability and durability.
- **Simplified Assembly:** Designed with two separate, independent structures for easier installation. Picture instructions are included, and an electric screwdriver is recommended for efficiency.
- **Integrated Storage:** A storage rack with a back panel beneath the main desk provides ample space for books, power strips, and storage boxes.
- **Organized Filing:** The mobile file cabinet includes two drawers to keep office supplies organized and out of sight. The top shelf is suitable for a printer or other accessories, an upper drawer for privacy items, and a deep bottom drawer for hanging letter-size files.
- **Mobility:** The file cabinet is equipped with wheels for flexible placement and easy relocation.

2. SAFETY INFORMATION

Please observe the following safety guidelines to prevent injury or damage to the product:

- **Weight Limit:** Do not exceed the recommended weight limit of 300 pounds on the desk surface to prevent tipping or

instability.

- **Assembly:** Ensure all components are securely fastened according to the instructions. Do not overtighten screws.
- **Placement:** Place the desk on a level surface to prevent wobbling.
- **Children:** Keep small parts away from children during assembly.
- **Moving:** When moving the desk, lift it rather than dragging it to prevent damage to the frame or floor.

3. SETUP AND ASSEMBLY

The Tribesigns L-Shaped Office Desk and Mobile File Cabinet are designed for straightforward assembly. All necessary tools and hardware are included. It is recommended to have two people for assembly.

3.1 Unpacking and Component Check

Carefully unpack all components and verify against the parts list provided in your package. Ensure no parts are missing or damaged before proceeding.

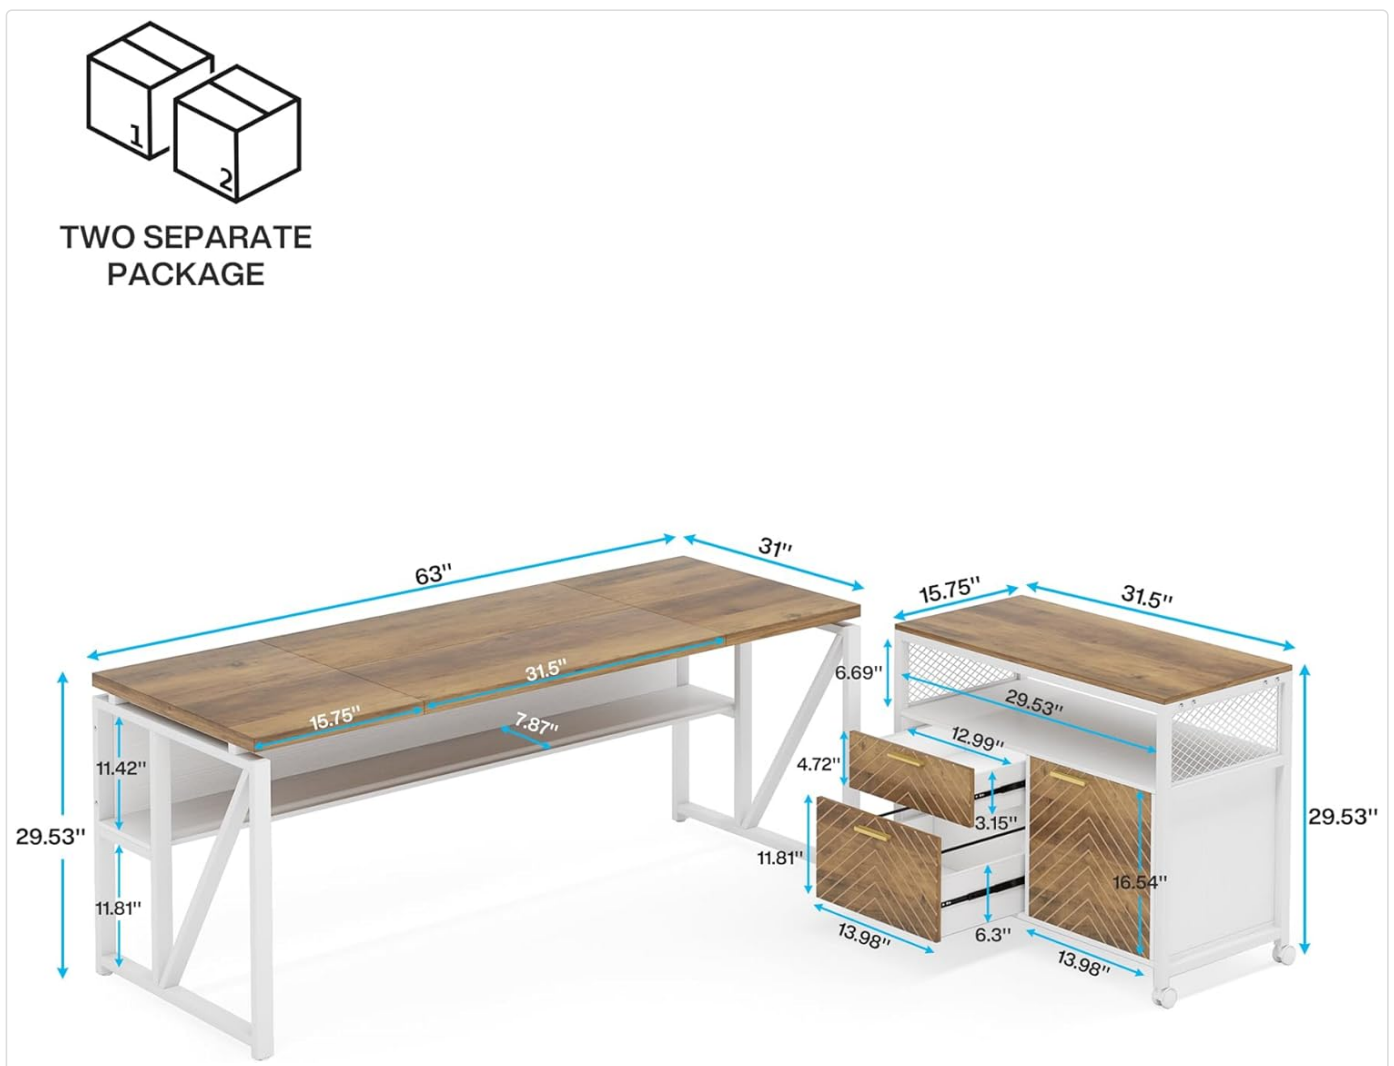

Image: The Tribesigns L-Shaped Office Desk and Mobile File Cabinet arrive in two separate packages, ensuring all components are securely contained for assembly.

3.2 Desk Frame Assembly

Follow the included picture instructions to assemble the metal frame of the desk. Use the provided Allen wrench to secure all screws. An electric screwdriver can expedite this process.

4. OPERATION

Your Tribesigns desk and file cabinet are designed to enhance your productivity and organization. Here's how to best utilize its features:

4.1 Utilizing the Desk Space

The 63-inch L-shaped desktop provides ample room for multiple monitors, laptops, and other work essentials. The integrated storage shelf underneath offers convenient access to books, power strips, and personal items, keeping your main workspace clear.

63" X 31" Spacious Desk

Image: The generous dimensions of the desk provide a comfortable and expansive work area, with 29.9 inches of height for legroom.

4.2 Using the Mobile File Cabinet

The mobile file cabinet is a versatile storage unit. Its top surface can hold a printer, plants, or other decorative items. The upper drawer is ideal for small office supplies and personal items, while the deep bottom drawer is designed for hanging letter-size files, ensuring your documents are organized and easily accessible.

5. MAINTENANCE

To ensure the longevity and appearance of your Tribesigns desk and file cabinet, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or warping of the engineered wood.
- **Hardware:** Periodically check and tighten all screws and fasteners to maintain stability.
- **Casters:** If the file cabinet casters become stiff, clean any debris and apply a small amount of silicone lubricant.

6. TROUBLESHOOTING

If you encounter any issues with your Tribesigns desk or file cabinet, refer to the following common solutions:

Problem	Possible Cause	Solution
Desk is wobbly	Uneven floor; loose fasteners	Ensure the desk is on a level surface. Check and tighten all assembly screws. Adjust the leveling feet if present.
Drawers do not slide smoothly	Misaligned drawer slides; debris in tracks	Verify that the drawer slides are correctly installed and aligned. Clean the tracks of any dust or obstructions.
File cabinet casters are stiff	Debris in casters; lack of lubrication	Clean any hair or debris from the caster wheels. Apply a small amount of silicone-based lubricant if necessary.

7. SPECIFICATIONS

Feature	Detail
Brand	Tribesigns
