- **Drying:** Ensure all pieces are completely dry before storing to prevent damage.
- **Storage:** Store the building blocks in a clean, dry place away from direct sunlight and extreme temperatures. A sealed container or bag can help keep pieces together and prevent dust accumulation.
- **Handling:** Handle the assembled figures with care to prevent pieces from detaching.

Troubleshooting

While these building block sets are designed for ease of use, here are some common issues and their solutions:

- **Missing Pieces:** In rare cases, a pack might have a missing piece. Double-check the packaging thoroughly. If a piece is genuinely missing, please contact JOYIN customer support for assistance.
- **Difficulty Assembling:** Ensure you are following the included instruction sheet step-by-step. Sometimes, pieces may require a firm but gentle push to connect properly.
