

ODK ZJZ-QTMDCZ

ODK L-Shaped Gaming Desk with LED Lights

Model: ZJZ-QTMDCZ

1. IMPORTANT SAFETY INFORMATION

Always secure the desk to the wall or floor to prevent tipping. Be cautious when using the electrical outlets and USB ports to avoid electrical hazards. Ensure all connections are firm and cables are managed to prevent tripping hazards. Do not overload the power outlets. Keep liquids away from electrical components.

2. PRODUCT OVERVIEW

The ODK L-Shaped Gaming Desk is designed for an optimized gaming or work setup. It features an L-shaped configuration for ample surface area, integrated LED lighting, built-in power outlets, and USB charging ports. A monitor stand is included to promote ergonomic posture.

Key Features:

- **L-Shaped Design:** Provides a large, versatile workspace.
- **Integrated LED Lights:** Offers 7 colors, 13 lighting modes, and 8 adjustable brightness levels for an immersive experience.
- **Built-in Power Strip:** Includes 2 standard sockets and 2 USB charging ports for convenient device power.
- **Monitor Stand:** Elevates your screen to an ergonomic height, reducing neck and back strain.
- **Sturdy Construction:** Made with a durable metal frame and a carbon fiber textured surface.
- **Accessories:** Comes with a cup holder and double headphone hooks.

4. SETUP INSTRUCTIONS

Assembly typically requires two people. Follow the step-by-step instructions provided in the separate assembly guide included with your package. Ensure all screws are tightened securely, but do not overtighten.

1. **Unpack Components:** Lay out all parts on a clean, soft surface to prevent scratches.
2. **Assemble Frame:** Connect the metal frame components using the provided hardware.
3. **Attach Desk Panels:** Secure the L-shaped desk panels and the corner piece to the assembled frame.
4. **Install Monitor Stand:** Attach the monitor stand to the designated area on the desk surface.
5. **Mount Power Strip:** Install the integrated power strip into its cutout on the desk.
6. **Apply LED Strip:** Adhere the LED light strip to the underside of the monitor stand or desired location.
7. **Attach Accessories:** Install the cup holder and headphone hooks as desired.
8. **Adjust Leveling Feet:** Ensure the desk is stable and level by adjusting the feet at the bottom of the legs.
9. **Connect Power:** Plug the power cable into the integrated power strip and then into a wall outlet.

5. OPERATING INSTRUCTIONS

LED Lights:

The LED light strip is controlled via an inline controller. Ensure the LED strip is properly connected to the power strip.

- **Power Button:** Press to turn the lights ON or OFF.
- **Color Button (C):** Cycle through 7 static colors.
- **Mode Button (M):** Cycle through 13 dynamic lighting modes.

- **Brightness Buttons (+/-):** Adjust the brightness level (8 levels available).

Power Outlets and USB Ports:

The integrated power strip provides convenient access to power for your devices.

- **2 Sockets:** Use for standard electrical devices (e.g., monitors, PC).
- **2 USB Charging Ports:** Use for charging mobile devices, headphones, or other USB-powered accessories.

Ensure the desk's main power cable is plugged into a functional wall outlet for the power strip to operate.

Image: A detailed view of the power strip, specifying the voltage and amperage for the sockets and USB ports.

6. MAINTENANCE

Regular maintenance will ensure the longevity and appearance of your desk.

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the carbon fiber finish.
- **Electrical Components:** Keep the power outlets and USB ports free from dust and debris. Do not attempt to clean them with liquids.
- **Tighten Fasteners:** Periodically check and tighten all screws and bolts to maintain desk stability.
- **Cable Management:** Organize cables to prevent strain on connections and reduce clutter.

7. TROUBLESHOOTING

- **LED Lights Not Working:**
 - Ensure the power cable is securely plugged into a functional wall outlet.
 - Check that the LED strip is properly connected to its controller and the power strip.
 - Verify the controller's power button is pressed.
- **Power Outlets/USB Ports Not Functioning:**
 - Confirm the desk's main power cable is firmly plugged into a live wall outlet.
 - Test the wall outlet with another device to ensure it is working.
 - Avoid overloading the power strip with too many high-power devices.
- **Desk is Unstable/Wobbly:**
 - Check that all assembly screws and bolts are securely tightened.
 - Adjust the leveling feet at the bottom of each leg to compensate for uneven flooring.
- **Missing or Damaged Parts:**
 - If any components were missing or damaged upon arrival, contact ODK customer support immediately for assistance.

8. SPECIFICATIONS

Brand	ODK
-------	-----

Model Number	ZJZ-QTMDCZ
Shape	L-Shape
Product Dimensions	129D x 129W x 76H centimetres
Color	White Carbon Fiber
Material Type	Metal
Finish Type	Powder Coated
Item Weight	20 Kilograms
Special Features	Adjustable, Reversible
Included Components	2 Sockets and 2 USB charging ports
Assembly Required	Yes

9. WARRANTY INFORMATION

ODK products are manufactured to high-quality standards. For specific warranty details regarding your L-Shaped Gaming Desk, please refer to the warranty card included in your product packaging or visit the official ODK website. Keep your proof of purchase for any warranty claims.

10. CUSTOMER SUPPORT

If you have any questions, require assistance with assembly, or encounter any issues not covered in this manual, please contact ODK customer support. Contact information can typically be found on the product packaging or the official ODK website.
