

## iDOO ID-EM002

# iDOO Cordless Electric Mop with Water Spray & LED Headlight

Model: ID-EM002

Your guide to efficient and effortless floor cleaning.

## 1. INTRODUCTION

Thank you for choosing the iDOO Cordless Electric Mop. This manual provides essential information for the safe and effective operation and maintenance of your new appliance. Please read it thoroughly before first use and keep it for future reference.

### Key Features:

- **Cordless & High-Efficiency:** Equipped with powerful dual motors spinning up to 280 r/Min for effective cleaning on various hard floor surfaces.
- **Ultra-Quiet Operation:** Operates at a low noise level of 46 dB, ensuring a peaceful cleaning experience.
- **Transparent & Detachable Water Tank:** A 350ml transparent tank allows for easy monitoring and refilling without measuring cups.
- **2-in-1 Sprayer & LED Headlight:** Integrated water spray function and LED headlight to illuminate dirt in dark areas and corners.
- **Long-Lasting Battery:** Features a 2600 mAh detachable battery, providing up to 2350 sq ft of cleaning area on a single 2.5-hour charge.
- **Self-Propelled Design:** The mop assists movement, reducing effort during cleaning.

## 2. PRODUCT OVERVIEW

Familiarize yourself with the components of your iDOO Cordless Electric Mop.

Figure 1: Main components of the iDOO Cordless Electric Mop, including the handle, main body, water tank, and cleaning pads.

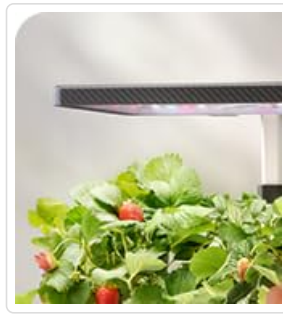

Figure 2: Exploded view showing the handle, extension pole, main body, water tank, battery, charger, and various cleaning pads.

## 3. SETUP

---

### 3.1 Assembly

1. Connect the handle to the extension pole until it clicks into place.
2. Attach the assembled pole to the main mop body, ensuring a secure connection.
3. Attach the cleaning pads to the bottom of the mop head. The pads are secured by Velcro.

### 3.2 Charging the Battery

Before first use, fully charge the detachable battery. A full charge takes approximately 2.5 hours.

- Remove the battery from the mop body.
- Connect the charger to the battery and plug it into a power outlet.
- The indicator lights on the battery will show charging status. Once fully charged, the lights will indicate completion.

## 2600 mAh Detachable Battery

Figure 3: The detachable battery being charged separately from the mop unit.

### 3.3 Filling the Water Tank

The mop features a 350ml transparent water tank.

- Locate the water tank on the mop body. It is detachable for easy refilling.
- Open the cap and fill the tank with clean water or a suitable floor cleaning solution. Do not overfill.
- Close the cap securely before use.

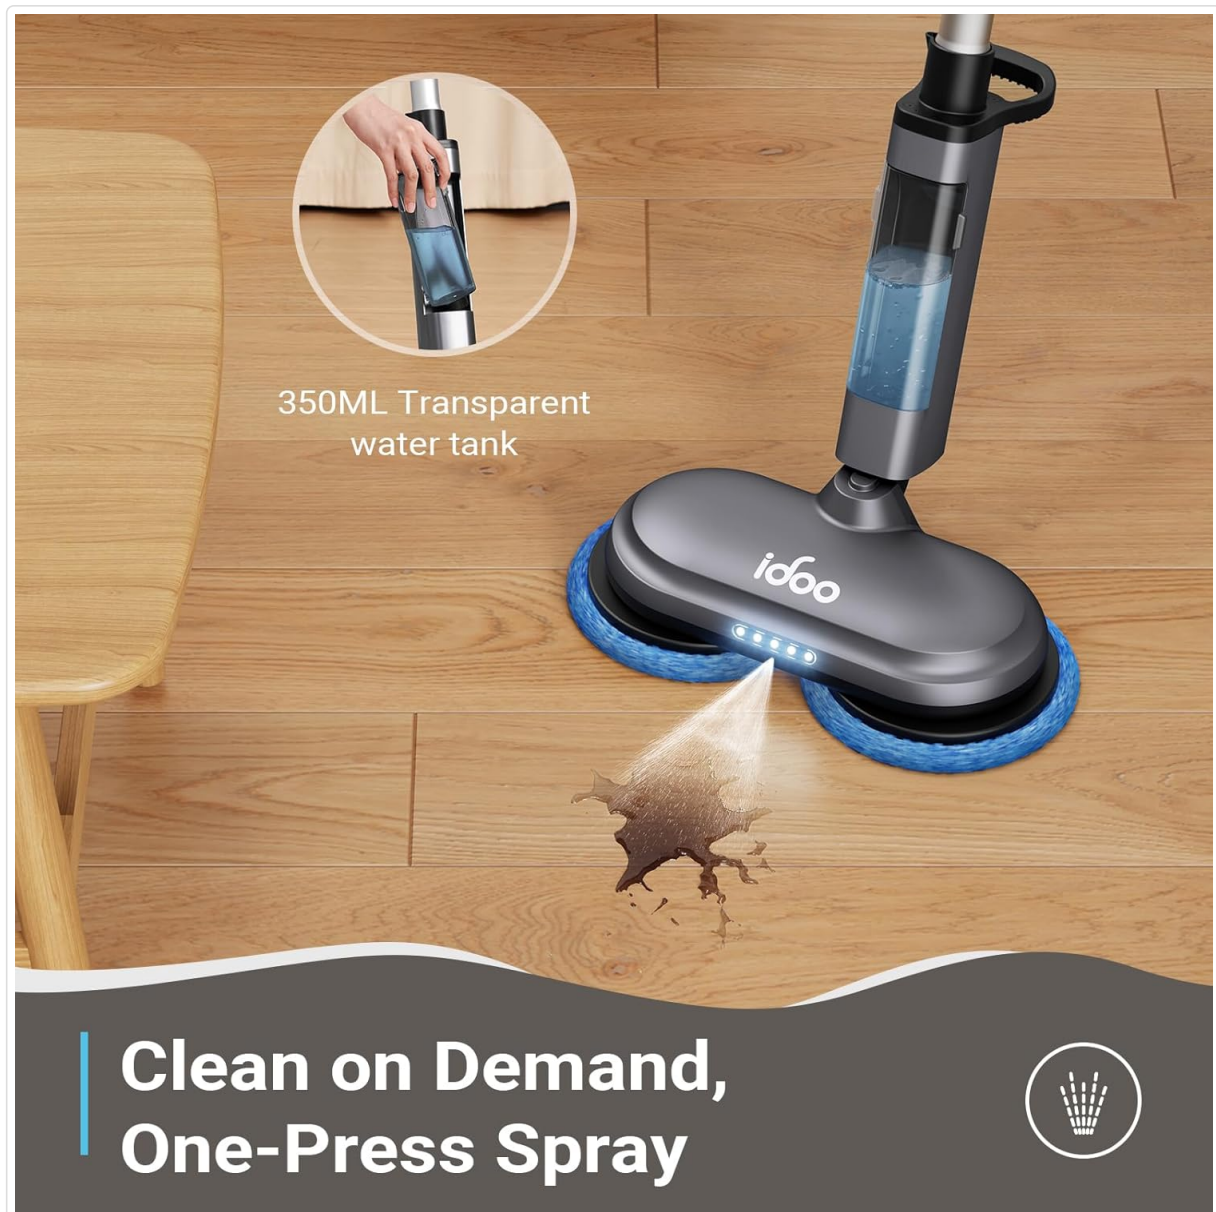

Figure 4: The 350ml transparent water tank is easily detachable and refillable.

## 4. OPERATING INSTRUCTIONS

### 4.1 Power On/Off

Press the power button located on the handle to turn the mop on or off. The LED headlight will illuminate when the mop is active.

### 4.2 Using the Water Spray

To activate the water spray, press the spray button on the handle. The mop will dispense cleaning solution onto the floor.

Figure 5: The mop head actively spraying water for cleaning.

### 4.3 LED Headlight

The integrated LED headlight automatically turns on with the mop, providing visibility in dimly lit areas and under furniture.

Figure 6: The LED headlight illuminates dirt under furniture for thorough cleaning.

### 4.4 Self-Propelled Movement

The dual motors provide a self-propelled function, making the mop easy to maneuver. Gently guide the mop across the floor; it will assist in forward motion.

# Make Mopping Easier

Meaningful gifts for elders

Figure 7: The self-propelled feature reduces physical effort during mopping.

## 4.5 Adjusting Handle Height

The handle height can be adjusted to suit your comfort. Locate the adjustment mechanism on the pole and extend or retract as needed.

Figure 8: The mop handle can be adjusted to different heights for ergonomic use.

## 4.6 Suitable Surfaces

The iDOO Cordless Electric Mop is suitable for various hard floor surfaces, including hardwood, tile, laminate, marble, and vinyl.

Figure 9: The mop is effective on a variety of hard floor surfaces.

## 5. MAINTENANCE

### 5.1 Cleaning Pads

The mop comes with 4 washable replacement pads. It is recommended to clean the pads after each use.

- Remove the pads from the mop head (they are attached by Velcro).
- The pads can be hand-washed or machine-washed. Allow them to air dry completely before reattaching.

Figure 10: The mop includes four washable and reusable cleaning pads.

## 5.2 Water Tank Cleaning

Regularly empty and rinse the water tank to prevent residue buildup.

- Detach the water tank from the mop body.
- Empty any remaining water or solution.
- Rinse the tank with clean water and allow it to air dry before reattaching.

## 5.3 Battery Care

To prolong battery life, avoid completely draining the battery before recharging. Store the battery in a cool, dry place when not in use.

## 6. TROUBLESHOOTING

- **Mop not turning on:** Ensure the battery is fully charged and correctly inserted. Check the power button for proper function.
- **No water spray:** Check if the water tank is filled and properly seated. Ensure the spray nozzle is not clogged.

- **Reduced cleaning performance:** Clean or replace the mop pads. Ensure the water tank contains sufficient cleaning solution.
- **Mop making unusual noise:** Turn off the mop immediately and check for any obstructions in the spinning pads or motor area.

## 7. SPECIFICATIONS

Brand	iDOO
Model Number	ID-EM002
Item Weight	9.33 pounds
Product Dimensions	13.8"L x 6.7"W x 53.5"H
Battery	1 Lithium Ion (2600 mAh)
Head Material	Polyester
Surface Recommendation	Hardwood, Tile, Laminate, Marble, Vinyl
Included Components	Battery, 4 Washable Scrub Pads
