Xiaomi BHR5934GL

Xiaomi LED Hoses User Manual

Model: BHR5934GL

1. PRODUCT OVERVIEW

The Xiaomi LED Hoses are a versatile lighting solution designed to add vibrant, multicolor illumination to various spaces. This product functions as a smart lightstrip extension, providing flexible and customizable lighting effects. It is intended for indoor use and can be integrated into existing smart home ecosystems for enhanced control.

2. SAFETY INFORMATION

Please read all safety instructions carefully before using the product. Failure to follow these instructions may result in electric shock, fire, or other injuries.

- Do not expose the LED hoses to water or high humidity. This product is not waterproof.
- Do not cut, modify, or damage the LED strip. Any unauthorized modification may void the warranty and pose safety risks.
- Ensure the power source matches the product's voltage requirements.
- Keep out of reach of children and pets.
- Do not cover the LED strip with flammable materials when in operation.
- Disconnect power before cleaning or performing any maintenance.

3. SETUP AND INSTALLATION

Follow these steps to properly set up your Xiaomi LED Hoses:

1. **Unpack the Product:** Carefully remove the LED hose from its packaging. Inspect for any visible damage.
2. **Prepare the Surface:** Choose a clean, dry, and smooth surface for installation. Ensure the surface is free of dust, oil, and moisture.
3. **Connect to Power Source:** Connect the LED hose to a compatible Xiaomi smart lightstrip controller or power adapter (sold separately, if not included). Ensure the connector is firmly seated.
4. **Mount the LED Hose:** The LED hose typically comes with an adhesive backing. Peel off the protective film from the adhesive and carefully press the strip onto the desired surface. Apply firm, even pressure along the entire length to ensure good adhesion.
5. **Secure Connections:** Ensure all connections are secure and not under strain. Avoid sharp bends or kinks in the LED hose.

4. OPERATING INSTRUCTIONS

Once installed, the Xiaomi LED Hoses can be operated via a compatible smart home app (e.g., Xiaomi Home app) or a dedicated controller.

- **Power On/Off:** Use the app or controller to turn the LED hose on or off.
- **Color Selection:** Select from a wide range of colors using the color palette in the app.
- **Brightness Adjustment:** Adjust the brightness level to suit your preference.
- **Scene Modes:** Explore pre-set scene modes or create custom lighting effects.
- **Scheduling:** Set schedules for the LED hose to turn on/off or change modes automatically.

Note: Specific features and controls may vary depending on the smart home app version and the connected controller. Refer to the app's help section for detailed instructions.

5. MAINTENANCE AND CARE

Proper maintenance ensures the longevity and optimal performance of your LED hoses.

- **Cleaning:** Disconnect power before cleaning. Use a soft, dry cloth to gently wipe the surface of the LED hose. Do not use abrasive cleaners, solvents, or excessive moisture.
- **Storage:** If storing the LED hose for an extended period, ensure it is clean, dry, and stored in a cool, dry place away from direct sunlight. Avoid tightly coiling or bending the strip excessively.
- **Inspection:** Periodically inspect the LED hose and its connections for any signs of wear, damage, or loose connections.

6. TROUBLESHOOTING

| Problem | Possible Cause | Solution |
|---------------------------------------|---|--|
| LED hose does not light up. | No power; Loose connection; Faulty controller/adapter. | Check power supply. Ensure all connections are secure. Test with a different compatible controller/adapter if available. |
| Colors are incorrect or inconsistent. | Software glitch; Connection issue. | Restart the app and the LED hose. Check for app updates. Ensure the connection to the controller is firm. |
| LED hose flickers. | Unstable power supply; Loose connection; Overheating. | Ensure stable power. Check connections. Ensure adequate ventilation around the strip. |
| Cannot connect to smart home app. | Bluetooth/Wi-Fi issue; App error; Incorrect pairing mode. | Ensure Bluetooth/Wi-Fi is enabled on your device. Restart the app. Follow the app's pairing instructions carefully. |

7. SPECIFICATIONS

| Attribute | Detail |
|----------------------|---------------------------|
| Product Name | Xiaomi LED Hoses |
| Model Number | BHR5934GL |
| Product Dimensions | 8.2 x 1.2 x 10.3 cm; 60 g |
| Color | Multicoloured |
| Wattage | 500 watts |
| Batteries Required | No |
| Included Components | #NA |
| ASIN | B0CMCWXCX2 |
| Date First Available | 6 November 2024 |

8. WARRANTY AND SUPPORT

Xiaomi products typically come with a limited warranty. For detailed warranty terms and conditions, please refer to the official Xiaomi website or the warranty card included with your purchase (if applicable).

For technical support, troubleshooting assistance, or service inquiries, please visit the official Xiaomi support page or contact their customer service:

- **Official Xiaomi Website:** www.mi.com/global/support
- **Xiaomi Store (Amazon AE):** [Visit Xiaomi Store on Amazon.ae](#)

Please have your product model number (BHR5934GL) and purchase details ready when contacting support.
