Lionelo LO-AURORA GREY GRAPHITE

Lionelo Aurora 3-in-1 Co-sleeper Bassinet User Manual

Model: LO-AURORA GREY GRAPHITE | Brand: Lionelo

1. Product Overview

The Lionelo Aurora 3-in-1 is a versatile baby bed designed to provide comfort and safety for your child from birth up to 9 kg, or until they can sit up independently. This multi-functional product serves as a co-sleeper, an independent bassinet, and a standalone baby bed, adapting to your family's needs.

Figure 1.1: Lionelo Aurora 3-in-1 Co-sleeper Bassinet with included attachment straps and carry bag.

Key Features:

- **3-in-1 Functionality:** Easily converts between a co-sleeper, an independent bassinet, and a standalone baby bed.
- **Comfortable Mattress:** Features an innovative, breathable, and deformation-resistant 2 cm thick semi-firm foam mattress (T25 density) for optimal support. The mattress cover is made from soft peach skin fabric.
- **Adjustable Mattress Tilt:** The mattress angle can be easily adjusted to two levels, which is beneficial for babies experiencing reflux or respiratory issues.
- **Height and Leg Length Adjustment:** Continuously adjustable height and leg length allow the bassinet to perfectly align with various adult bed heights for co-sleeping.
- **Mobility and Stability:** Equipped with 4 braked wheels for easy movement around the house and a stable steel frame for safety.
- **Ventilation and Monitoring:** Large mesh inserts on the sides ensure excellent air circulation and allow for easy monitoring of your child.
- **Easy Maintenance:** The entire fabric covering and mattress cover are removable and can be hand washed for hygiene. The frame can be wiped clean with a damp cloth.

- **Portability:** Folds compactly and comes with a practical carry bag for convenient storage and transport.

2. Safety Warnings

WARNING!

- The bassinet is **not suitable for children who can sit up, kneel, or pull themselves up** Discontinue use when your child reaches this developmental stage or exceeds the maximum weight limit of 9 kg.
- Before using the product, always **read and understand all operating instructions** provided in this manual.
- When used as a co-sleeper, the bassinet can **only be used with standard adult beds**. Ensure a secure attachment to the adult bed using the provided straps.
- Always ensure all locking mechanisms are engaged and the bassinet is stable before placing your child inside.

- Do not use the product if any parts are broken, torn, or missing. Contact customer support for replacement parts.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Never leave your child unattended in the bassinet.

Figure 2.1: The bassinet is suitable for babies up to 9 kg or until they can sit up independently.

3. Components

Before assembly, ensure all components are present and undamaged. The package typically includes:

- Bassinet Frame (steel alloy and polypropylene plastic)
- Fabric Covering (Polyester)
- Semi-firm Foam Mattress (T25 density, 2 cm thick)

- Mattress Cover (Peach skin fabric)
- 4 Wheels with Brakes
- Attachment Straps for Co-sleeper Mode
- Carry Bag

4. Setup and Assembly

The Lionelo Aurora bassinet is designed for easy setup. While specific detailed steps are not provided, the product is indicated as requiring "No Assembly" in some specifications, suggesting it comes largely pre-assembled or with minimal setup.

General Setup Guidelines:

1. **Unpack:** Carefully remove all components from the packaging and the carry bag.
2. **Unfold Frame:** Extend the bassinet frame until it locks securely into place. Ensure all joints are fully engaged.
3. **Attach Wheels:** If not pre-attached, insert the 4 wheels into their designated slots on the bassinet legs until they click into place. Ensure the brakes are functional.
4. **Insert Mattress:** Place the semi-firm foam mattress inside the bassinet, ensuring it fits snugly and lies flat.
5. **Adjust Height:** Use the continuous height adjustment mechanism to set the bassinet to your desired height. For co-sleeping, align it with your adult bed.
6. **Adjust Leg Length (if applicable):** If your bed has a frame that requires it, adjust the length of the bassinet legs to ensure proper fit and stability.
7. **Secure for Co-sleeping:** If using as a co-sleeper, lower one side of the bassinet (if designed to do so) and use the provided attachment straps to securely fasten the bassinet to your adult bed frame. Ensure there is no gap between the bassinet and the adult mattress.

Figure 4.1: Attaching the bassinet to an adult bed using fixation straps and continuous height adjustment.

5. Operating Instructions

5.1. Using as a Co-sleeper

The co-sleeper function allows your baby to sleep safely next to you. Ensure the bassinet is securely attached to your adult bed using the provided straps, and there is no gap between the bassinet mattress and your mattress. The side panel can be lowered for easy access to your baby.

5.2. Using as an Independent Bassinet/Baby Bed

When used independently, ensure both side panels are raised and locked. The 4 braked wheels allow you to easily move the bassinet between rooms. Engage the wheel brakes when the bassinet is in its desired position to prevent accidental movement.

Figure 5.1: The bassinet features 4 braked wheels for mobility and adjustable leg length for stability.

5.3. Adjusting Mattress Tilt

The mattress can be tilted to two different levels. This feature is particularly useful for babies who experience reflux or have a runny nose, as it helps elevate their head slightly for comfort and easier breathing. Consult your pediatrician before using the tilt function for medical conditions.

5.4. Adjusting Height

The bassinet's height can be continuously adjusted to match the height of your adult bed or to suit your preference when used independently. Locate the height adjustment mechanisms on the legs and follow the instructions to raise or lower the bassinet, ensuring it locks securely at the desired height.

6. Maintenance and Cleaning

Regular cleaning and maintenance will ensure the longevity and hygiene of your Lionelo Aurora bassinet.

6.1. Fabric Covering and Mattress Cover

- The entire fabric covering and the mattress cover are removable.
- **Hand wash** the fabric parts with mild detergent in cold water. Do not bleach.
- Air dry thoroughly before reattaching to the frame. Do not tumble dry.

6.2. Frame and Wheels

- Wipe the steel alloy and polypropylene plastic frame with a soft, damp cloth and mild soap.
- Do not use abrasive cleaners or solvents.
- Regularly check the wheels for any debris and ensure they rotate freely and the brakes engage properly.

Figure 6.1: The fabric cover is removable and washable, while the frame can be wiped clean.

7. Troubleshooting

Problem	Possible Cause	Solution
Bassinet feels unstable or wobbly.	Legs not fully extended or locked; uneven surface.	Ensure all legs are fully extended and locked into position. Place the bassinet on a flat, level surface.
Wheels are not rolling smoothly or brakes are stuck.	Debris caught in wheels; brake mechanism engaged.	Clean any debris from the wheels. Ensure the brake levers are fully disengaged. Apply light lubricant if necessary.
Difficulty adjusting height or mattress tilt.	Mechanism jammed or not properly aligned.	Ensure no fabric or foreign objects are obstructing the mechanism. Apply gentle, even pressure. Refer to the assembly instructions for specific adjustment points.
Bassinet does not attach securely to adult bed.	Straps not correctly routed or tightened; incompatible bed type.	Review the co-sleeper attachment instructions carefully. Ensure straps are taut and the bassinet is flush against the adult bed. The co-sleeper is designed for standard adult beds only.
