Backyard Discovery Fusion Flame Outdoor Kitchen User Manual

Brand: Backyard Discovery | Model: Fusion Flame Outdoor Kitchen (2304079)

INTRODUCTION AND OVERVIEW

The Backyard Discovery Fusion Flame Outdoor Kitchen is designed to bring family and friends together for delicious homemade meals. This robust outdoor kitchen is constructed from powder-coated galvanized steel with a full coverage roof, ensuring year-round usability in various weather conditions.

It features a 304 stainless steel 5-burner propane grill, an outdoor-rated refrigerator, expansive food-grade stainless steel countertops, and integrated storage solutions. The patented PowerPort provides convenient electrical outlets and USB ports for all your outdoor cooking needs.

PRODUCT FEATURES

- **All-Weather Durability:** Pro-Tect tested and proven to withstand up to 2,100 pounds or 30 inches of snow load, and winds up to 100 mph with a full coverage galvanized steel roof.
- **Premium Construction:** Made from 100% black powder-coated galvanized steel for corrosion resistance and lasting durability, complemented by wood grain accents for a stylish aesthetic.
- **Stainless Steel Countertops:** Over 6 feet of food-grade stainless steel countertops provide 13.3 square feet of generous space for food preparation and cooking.
- **Professional-Grade Grill:** A 38-inch 5-burner 304 stainless steel grill with 846 total square inches of cook space, warming rack, flame tamers, sear zone, and Infrared rotisserie. Delivers 72,000 BTUs of power and includes a weatherproof cover.
- **Outdoor-Rated Refrigerator:** 304 stainless steel construction designed to withstand temperatures over 100°F. Features a 23-inch design, LED interior light, and single-zone 3-layer storage offering 5.3 cubic feet of space for up to 180 cans.
- **Integrated Storage:** Includes a utensil drawer and spacious cabinet with adjustable shelving and soft-close hardware to keep cooking essentials organized and accessible.
- **Hidden Trash Stash:** A 15-inch soft-close trash bin with an easy-stow design that slides away discreetly, holding up to 7 gallons with a 100-pound capacity.
- **Powered Up:** Patented PowerPort features 3 electrical outlets and 3 USB ports to conveniently power blenders,

lighting, devices, and more. Mounts easily to any post on the structure (power source not included).

- **Ready to Assemble:** Pre-fabricated, pre-drilled, and powder-coated pieces, combined with guided instructions in the interactive BILT app, offer easy installation.

SETUP & ASSEMBLY

The Fusion Flame Outdoor Kitchen is designed for straightforward assembly. All pieces are pre-fabricated, pre-drilled, and powder-coated to simplify the process.

Recommended Assembly Process:

- Site Preparation:** Choose a level, stable surface for installation. Ensure adequate clearance around the unit for safe operation and maintenance.
- Unpacking:** Carefully unpack all boxes and lay out components. Verify all parts are present against the packing list. Note that some boxes may be very heavy (total unit weight is 1061 pounds), so plan for assistance.
- BILT App Guidance:** For the most detailed and interactive assembly instructions, download and utilize the BILT app. This app provides step-by-step 3D animated guides.
- Structural Assembly:** Begin with the main frame and roof structure. Ensure all connections are secure before proceeding.

5. **Component Installation:** Install the grill, refrigerator, countertops, and storage cabinets according to the instructions.
6. **Electrical Connections:** Install the PowerPort and ensure it is connected to a suitable outdoor power source (not included).
7. **Final Checks:** Before first use, double-check all connections, gas lines (if applicable), and electrical wiring for safety.

OPERATING INSTRUCTIONS

Grill Operation:

The 5-burner propane grill offers versatile cooking options. Ensure the propane tank is securely connected and the gas line is free of leaks before operation.

- **Main Burners:** Turn a control knob to the HIGH position and press the igniter button to light. Adjust heat as needed.
- **Sear Zone:** Use the dedicated sear burner for high-heat searing to lock in flavors.
- **Infrared Rotisserie:** Ideal for slow-roasting meats. Secure the rotisserie spit with your food, position it over the infrared back burner, and activate the rotisserie motor.
- **Warming Rack:** Utilize the upper warming rack to keep cooked food warm or for indirect cooking.

Refrigerator Use:

The outdoor-rated refrigerator is designed to keep beverages and ingredients cool even in high temperatures.

- **Temperature Control:** Adjust the internal thermostat to your desired cooling level.
- **Storage:** Utilize the 3-layer storage system for efficient organization of up to 180 cans or various food items.
- **LED Interior Light:** The internal LED light illuminates the contents for easy visibility.

PowerPort Functionality:

The patented PowerPort provides convenient access to electrical power for your outdoor appliances and devices.

- **Outlets:** Features 3 standard electrical outlets for blenders, portable lights, or other kitchen appliances.
- **USB Ports:** Includes 3 USB ports for charging mobile phones, tablets, or other USB-powered devices.
- **Weather Protection:** Ensure the protective cover is closed when not in use to shield outlets from weather elements.

MAINTENANCE & CARE

Regular maintenance will ensure the longevity and optimal performance of your Fusion Flame Outdoor Kitchen.

- Stainless Steel Surfaces:** Clean countertops and grill exterior with a mild soap and water solution. For stubborn stains, use a stainless steel cleaner. Always wipe in the direction of the grain.
- Grill Grates:** After each use, brush off food residue from the grill grates. Periodically, remove and wash grates with warm soapy water.
- Refrigerator:** Wipe down the interior and exterior of the refrigerator regularly. Defrost if ice buildup occurs. Ensure the ventilation grilles are clear of debris.
- Steel Roof & Frame:** Inspect the galvanized steel roof and powder-coated frame periodically for any signs of wear or damage. Clean with mild soap and water.
- Storage Cabinets:** Keep cabinets clean and dry. Wipe spills immediately to prevent staining or damage to the interior.
- Weather Protection:** While the unit is designed for all-weather use, using the included weatherproof grill cover when not in use can further extend its lifespan.

TROUBLESHOOTING

This section provides general guidance for common issues. For complex problems, refer to the BILT app or contact customer support.

| Problem | Possible Cause | Solution |
|------------------------------------|----------------------------------------------------|------------------------------------------------------------------------------------------------------------------|
| Grill not lighting | No gas flow, igniter issue, clogged burner | Check propane tank connection and level. Ensure gas valve is open. Clean igniter and burner ports. |
| Refrigerator not cooling | Power issue, thermostat setting, blocked vents | Verify PowerPort is active and refrigerator is plugged in. Adjust thermostat. Clear any obstructions from vents. |
| PowerPort not working | No external power, tripped breaker, internal fault | Ensure external power source is active. Check household breaker. If problem persists, contact support. |
| Drawers/doors not closing smoothly | Obstruction, misaligned hardware | Check for items blocking closure. Inspect soft-close hardware for damage or misalignment. |
