SETUP

Your Jurassic Park Figural Bag Clip comes ready for immediate use. Simply remove the clip from its blind bag packaging.

1. Carefully open the blind bag to reveal your mystery figural bag clip.
2. Inspect the clip for any visible damage.
3. The clip is attached to a small chain and a metal clasp.

OPERATING YOUR BAG CLIP

The figural bag clip is designed for decorative and light utility purposes, allowing you to personalize your belongings.

- **Attachment:** Squeeze the metal clasp to open it. Attach the clasp to zippers on backpacks, lunch bags, pencil cases, or to keyrings, belt loops, and other suitable loops.
- **Display:** Once attached, the figural clip will hang freely, showcasing your favorite Jurassic Park character or dinosaur.
- **Removal:** To remove, simply squeeze the metal clasp again and detach it from the desired item.

Maintenance and Care

To ensure the longevity and appearance of your figural bag clip, follow these simple care instructions:

- **Cleaning:** Wipe the foam figure gently with a soft, slightly damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the paint or foam material.
- **Drying:** Allow the clip to air dry completely after cleaning. Do not expose to direct sunlight or high heat for prolonged periods.
- **Storage:** When not in use, store the clip in a cool, dry place away from direct sunlight to prevent fading or material degradation.
- **Handling:** While durable, avoid excessive bending or pulling on the foam figure to prevent tearing or deformation.

Troubleshooting

Most issues with your figural bag clip are minor and easily resolved.

- **Clip Detachment:** If the bag clip accidentally detaches from your item, simply re-attach it by squeezing the clasp and securing it to a loop. Ensure the clasp is fully closed after attachment.
- **Figure Damage:** In the rare event of significant damage to the foam figure (e.g., tearing, severe paint chipping), the item may need to be replaced. Contact customer support if the damage occurred upon opening.
