› OKP Folio Case Instruction Manual for Samsung Galaxy Tab A11+/A9+ Plus 11-inch

OKP SM-X230/X236/X238/X210/X216/X218

OKP Folio Case Instruction Manual

For Samsung Galaxy Tab A11+/A9+ Plus 11-inch (Models: SM-X230/X236/X238/X210/X216/X218)

1. INTRODUCTION

This manual provides comprehensive instructions for the OKP PU Leather Folio Case, designed to protect and enhance the functionality of your Samsung Galaxy Tab A11+ or A9+ Plus 11-inch tablet. Please read this manual carefully to ensure proper use and care of your product.

2. COMPATIBILITY

This OKP Folio Case is specifically designed for the following 11-inch Samsung Galaxy Tab models:

- Samsung Galaxy Tab A11+ (Models: SM-X230, SM-X236, SM-X238)
- Samsung Galaxy Tab A9+ Plus (Models: SM-X210, SM-X216, SM-X218)

Note: This case is not compatible with other tablet models, including 8.7-inch or 10.5-inch versions of the Galaxy Tab.

For Samsung Galaxy Tab A11+ / A9+ Plus 11 inch

(SM-X230/X236/X238/X210/X216/X218)

This image illustrates the precise compatibility of the OKP Folio Case with the Samsung Galaxy Tab A11+ and A9+ Plus 11-inch models (SM-X230/X236/X238/X210/X216/X218). It also highlights models that are not compatible, such as the 8.7-inch and 10.5-inch versions, ensuring users select the correct case for their device.

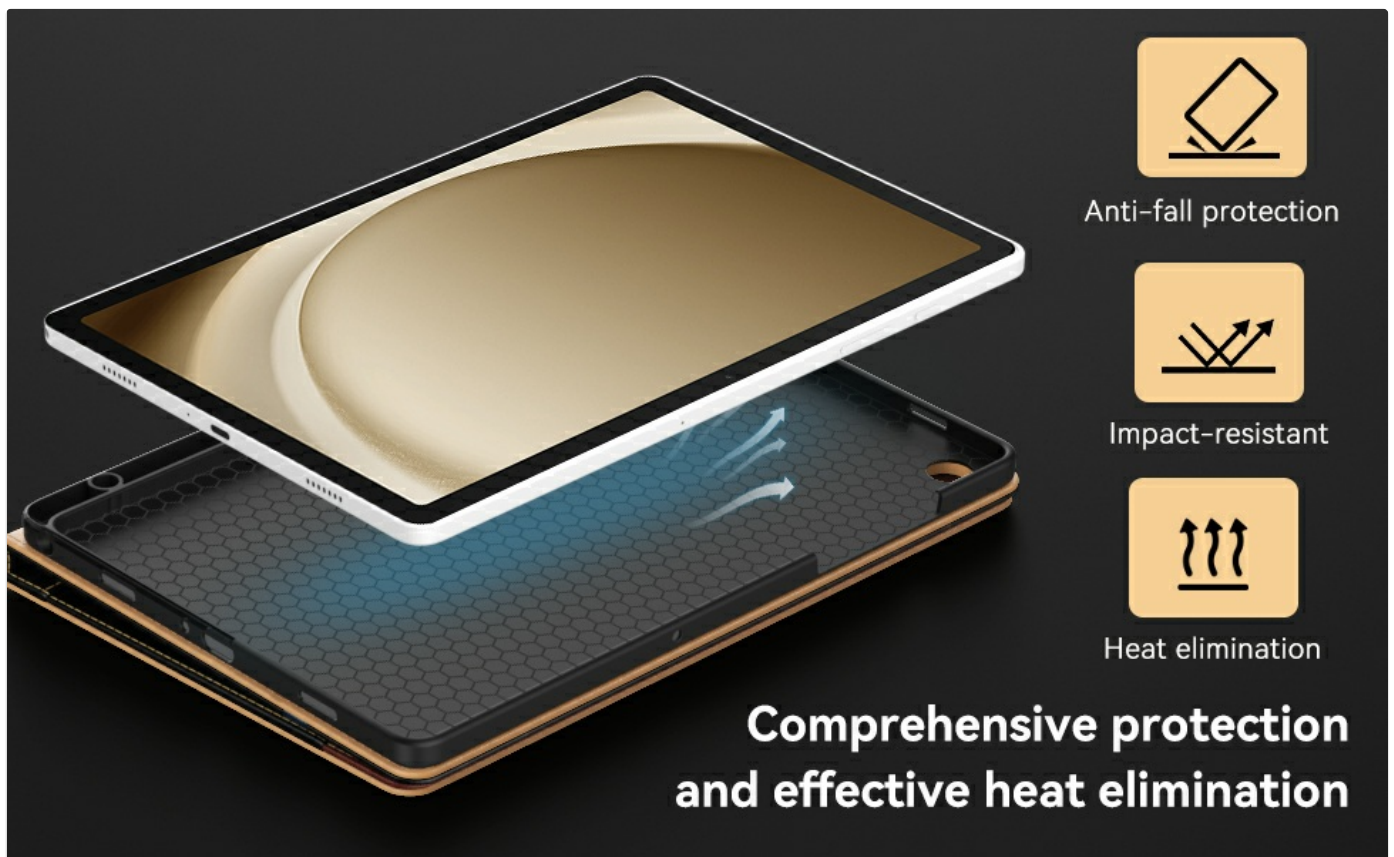

3. FEATURES

3.1 High-Quality Materials

The OKP Folio Case is crafted from premium PU leather with a soft microfiber interior, providing a comfortable touch and protecting your tablet's screen from scratches. The durable TPU back shell offers comprehensive protection against drops and impacts.

A detailed view of the case's exterior, emphasizing the comfortable, soft-touch PU leather and the precise stitching that contributes to its classic and minimalist design.

This image highlights the protective features of the case, including the full-covered durable TPU back shell designed for anti-fall protection and impact resistance, along with 0.2mm raised edges to safeguard the screen and camera.

3.2 Auto Wake/Sleep Function

The case features a built-in magnetic strip that automatically wakes your tablet when the cover is opened and puts it to sleep

when closed. This functionality helps to conserve battery life and provides quick access to your device.

This graphic demonstrates the automatic wake/sleep feature. The built-in magnetic strip instantly wakes the tablet when the cover is opened and puts it to sleep when closed, helping to conserve battery life.

This video demonstrates the installation of the Samsung Galaxy Tab A11+ into the OKP Leather Folio Case. It also showcases key features such as the auto wake/sleep function, the multi-angle stand, and the overall fit and finish of the case.

3.3 Multi-Angle Viewing Stand

The case incorporates three anti-slip strips, allowing you to adjust your tablet to multiple stable viewing angles. This feature is ideal for typing, watching videos, or making video calls, providing hands-free convenience.

Take it with you wherever you go!

Featured with business and fashionable style, this Galaxy Tab A11+/A9+ inch case brings a comfortable grip. Just slide it into your bag for travelling or business trips, really convenient and portable!

The image displays the case's multi-angle viewing stand, featuring three anti-slip strips that allow for stable and flexible adjustment of the viewing angle, suitable for typing, watching, or video calls.

3.4 Precise Cutouts and Stylus Holder

All ports, buttons, speakers, and the camera are precisely cut out, ensuring full accessibility without removing the case. An integrated stylus pencil holder slot securely holds your stylus, preventing accidental loss.

Precise cutouts allow all functions (buttons, speakers, camera) to be accessed.

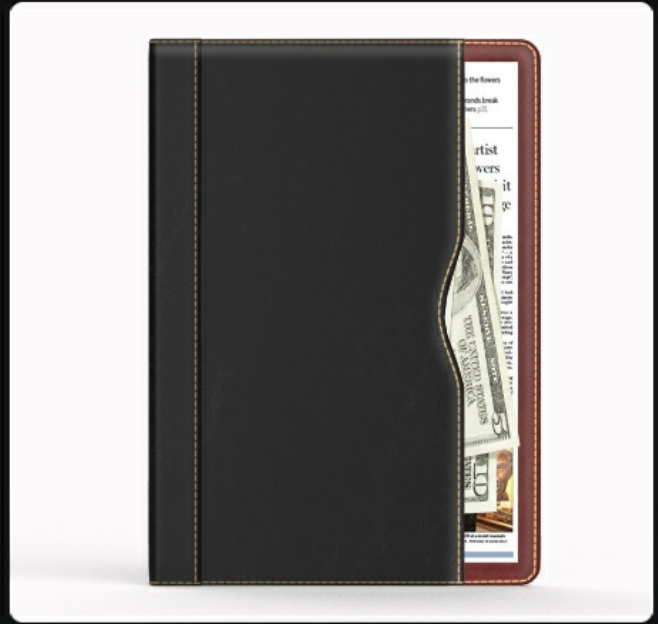

This image highlights the precise cutouts of the case, ensuring full access to all buttons, speakers, camera, and charging ports without

needing to remove the tablet from the case.

Multiple Viewing Angle Anti-slip Strips

Large Pocket for cards, notes, cash, etc

The case includes a dedicated stylus pencil holder slot, designed to securely hold your stylus and prevent it from accidentally falling out.

3.5 Storage Pockets

For added convenience, the case features two card slots for IDs or bank cards and a large pocket for notes, cash, or other small documents, making it a practical accessory for travel or daily use.

The interior of the case features two card slots for bank cards or IDs, and a large pocket for notes, cash, paper, or other documents, enhancing its utility for daily use.

4. SETUP (INSTALLATION)

To install your Samsung Galaxy Tab A11+/A9+ Plus into the OKP Folio Case:

1. Open the folio case completely.
2. Align your tablet with the TPU back shell, ensuring the camera and ports match the case's cutouts.
3. Gently press the tablet into the TPU shell until it snaps securely into place. Ensure all edges are fully seated within the case.

This video demonstrates the installation of the Samsung Galaxy Tab A11+ into the OKP Leather Folio Case. It also showcases key features such as the auto wake/sleep function, the multi-angle stand, and the overall fit and finish of the case.

5. OPERATING INSTRUCTIONS

5.1 Using the Multi-Angle Stand

To use the stand feature, simply fold the front cover back and align the edge of your tablet with one of the three anti-slip strips on the inner cover. This allows you to prop your tablet at your desired viewing angle.

5.2 Auto Wake/Sleep

The magnetic closure automatically activates the tablet's wake function when the cover is opened and puts it to sleep when the cover is closed. No manual button presses are required for this function.

5.3 Using the Stylus Holder and Pockets

Insert your stylus into the dedicated slot for secure storage. Utilize the two card slots for small cards and the large front pocket for documents, notes, or cash.

6. MAINTENANCE

To maintain the quality and appearance of your OKP Folio Case:

- **Cleaning the PU Leather:** Wipe the exterior with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Cleaning the Microfiber Lining:** Use a dry, soft cloth to gently wipe away dust or smudges.
- **Avoid Extreme Conditions:** Do not expose the case to direct sunlight for prolonged periods or to extreme temperatures, as this may affect the material's integrity.

7. TROUBLESHOOTING

7.1 Auto Wake/Sleep Not Functioning

If the auto wake/sleep feature is not working:

- Ensure your tablet is correctly seated within the TPU shell and fully aligned.
- Verify that the magnetic strip in the cover is making proper contact with the tablet's sensor.
- Check your tablet's settings to ensure the 'Smart Cover' or 'Flip Cover' function is enabled (if applicable to your tablet model).
