## 2. PRODUCT OVERVIEW

The Tribesigns desk and cabinet set is engineered for efficiency and durability. Key features include:

- **Large 63-inch Desk:** The spacious 63" X 31.5" x 29.5" (L\*W\*H) desktop provides ample room for multiple monitors and work essentials, offering a minimalist yet elegant look.
- **47-inch Filing Cabinet:** A large mobile storage cabinet measuring 47"x 15.75"x 25.79" (L\*W\*H) serves as a secondary work surface or a dedicated space for printers, office supplies, or scanners. It includes double drawers suitable for letter-size files and can also function as a printer stand or office cabinet.
- **Simple Design:** Features a clean table leg design providing spacious leg room underneath without obstructions. A front baffle offers privacy and structural support. The cabinet is equipped with four wheels for easy mobility.
- **Stable & Sturdy Construction:** Constructed from a heavy-duty metal frame and thickened compressed board (1.2 inches) to ensure durability and stability.

- **Easy to Assemble:** Includes all necessary hardware, tools, and clear instructions for straightforward assembly. Please note that the desk and cabinet are shipped in two separate parcels.

Video: Official Assembly Video Guide for the Tribesigns Multifunctional Desk. This video provides a step-by-step visual walkthrough of the assembly process for both the desk and the lateral file cabinet.

#### Step-by-Step Assembly Instructions (Summary from Video)

1. **Unpack and Identify Parts:** Carefully unpack all components from both boxes. Refer to the parts list provided in your manual and the video (0:03-0:07) to identify all pieces and hardware.

2. **Assemble Cabinet Drawer Sides:** Attach the drawer slides to the side panels (parts 3, 4, 5, 6) using screws (K) and cam locks (A) as shown in the video (0:08-0:55).
3. **Construct Cabinet Frame:** Connect the side panels (3, 4, 5, 6) with the middle panels (9, 10) using dowels (D) and cam locks (C) to form the main structure of the cabinet (0:56-1:30).
4. **Attach Casters to Cabinet Base:** Secure the rolling casters (J) to the bottom panel (part 2) of the cabinet using screws (K) (1:31-2:07).
5. **Assemble Cabinet Base and Top:** Attach the assembled cabinet frame to the base (part 2) and then secure the top panel (part 1) to the cabinet structure using dowels (D) and cam locks (C) (2:08-3:01).
6. **Secure Back Panels:** Fasten the back panels to the cabinet using screws (L) and brackets (M) to ensure stability (3:02-3:19).
7. **Assemble Drawers:** Construct the two drawers by attaching the side panels (12) to the front (11) and back (14) panels, securing with cam locks (C) and dowels (D). Attach the drawer handles (G) using screws (H) (3:20-3:58).
8. **Install Drawers:** Slide the assembled drawers into the cabinet, ensuring the drawer slides engage correctly (3:59-4:10).
9. **Assemble Desk Frame:** Connect the desk legs (1, 2) with the horizontal support bars (3) and the back panel (4) using screws (A) and cam locks (D) (4:11-5:00).
10. **Attach Desk Top:** Place the desk top (5) onto the assembled metal frame and secure it using screws (B) and cam locks (C) (5:01-5:34).

**Important Note:** Always ensure all screws and fasteners are tightened securely. If you encounter any difficulties, refer to the video or contact customer support.

## 4. OPERATING THE DESK AND CABINET

Your Tribesigns desk and cabinet set is designed for versatile use in various office environments. The large desk surface provides ample space for computers, documents, and other work essentials. The lateral file cabinet offers organized storage solutions.

- **Desk Usage:** Utilize the spacious desktop for your computer setup, writing, or other tasks. The open design underneath provides comfortable legroom.
- **Cabinet Functionality:** The 47-inch cabinet can be positioned to extend your workspace in an L-shape or used as a standalone storage unit. The two file drawers are designed to hold letter-size documents, ensuring your files are neatly organized and easily accessible. The open shelves provide additional space for books, decorative items, or office supplies.
- **Mobility:** The cabinet is equipped with rolling casters, allowing you to easily move it to different locations within your office as needed. Ensure the casters are locked when you want the cabinet to remain stationary.

## 5. MAINTENANCE

To ensure the longevity and appearance of your Tribesigns desk and cabinet, follow these simple care instructions:

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the laminated finish.
- **Spills:** Promptly wipe up any spills to prevent moisture damage to the wood and metal components.
- **Heat and Moisture:** Keep the desk and cabinet away from direct heat sources and excessive moisture to prevent warping or damage to the materials.
- **Weight Distribution:** Do not place excessively heavy objects on the edges of the desk or shelves to prevent tipping or structural strain. Distribute weight evenly.
- **Fasteners:** Periodically check and tighten all screws and fasteners to maintain stability and prevent wobbling.

## 6. TROUBLESHOOTING

Here are some common issues and potential solutions:

- **Damaged Parts Upon Arrival:** If any parts are damaged during shipping, do not attempt to assemble. Contact customer support immediately with details and photos of the damage.
- **Assembly Difficulties (Misaligned Holes/Fasteners):** Double-check that you are using the correct parts for each step as per the instructions and video. Sometimes, slight adjustments or re-orientation of pieces can resolve alignment issues. Ensure cam locks are fully engaged. If issues persist, contact customer support.
- **Desk/Cabinet Wobbles:** Ensure all screws and fasteners are fully tightened. Check that the desk is on a level surface. Adjustable feet on the desk legs can be used to compensate for uneven floors.
- **Drawers Not Sliding Smoothly:** Verify that the drawer slides are installed correctly and are free of debris. Ensure the drawers are not overloaded.
- **Missing Parts:** If you find any parts missing, refer to the parts list and contact customer support for replacements.
