2. Safety Information

- Adult assembly is required. Please ensure all parts are securely fastened before use.
- Supervise children during use, especially with small parts or art supplies.
- Keep away from open flames or heat sources.
- Use only appropriate art supplies: chalk for the blackboard, water-based markers for the whiteboard.
- Regularly check for loose parts or damage. Discontinue use if any damage is found.
- This easel has a stable A-frame structure. Ensure it is placed on a flat, stable surface.

3. Package Contents

Please verify that all components are present before beginning assembly. Refer to the assembly video for a visual guide to parts.

4. Setup and Assembly

Follow these steps to assemble your Qaba 3-in-1 Kids Art Easel. For a detailed visual guide, please refer to Video 1 in the Package Contents section.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface. Verify against the parts list in the assembly video.
2. **Assemble the Main Frame:** Connect the vertical and horizontal wooden pieces using the provided screws and tools, forming the A-frame structure.
3. **Attach the Boards:** Securely attach the blackboard and whiteboard panels to the main frame. Ensure they are correctly oriented.
4. **Install the Paper Roll Holder:** Mount the paper roll holder at the top of the easel. Insert the paper roll onto the holder.
5. **Assemble Storage Baskets:** Construct the fabric storage baskets and attach them to the designated slots at the bottom of the easel.
6. **Final Checks:** Ensure all screws are tightened and the easel is stable before allowing children to use it.

5. Operating Instructions

The Qaba 3-in-1 Kids Art Easel offers multiple creative options:

- **Blackboard:** Use chalk for drawing and writing. The blackboard side encourages traditional chalk art.
- **Whiteboard:** Use water-based markers for drawing and writing. This side is easy to clean and ideal for vibrant colors.
- **Paper Roll:** Pull down paper from the integrated roll for painting or drawing with pencils and crayons. The paper can be easily torn off once the artwork is complete.
- **Storage Baskets:** Utilize the two fabric storage baskets located below the boards to keep art supplies organized and within easy reach.
- **Adjustable Height:** The easel's height can be adjusted to accommodate your child's growth, ensuring comfortable use and promoting proper posture.

6. Maintenance

- **Cleaning the Whiteboard:** Use a soft, damp cloth or a whiteboard eraser to clean the whiteboard surface. For stubborn marks, a mild whiteboard cleaner can be used.
- **Cleaning the Blackboard:** Use a damp cloth or a blackboard eraser to clean the blackboard surface.
- **General Cleaning:** Wipe down the wooden frame with a soft, damp cloth. Avoid abrasive cleaners.
- **Storage Baskets:** The fabric baskets can be spot cleaned with a mild detergent and air-dried.

7. Troubleshooting

- **Easel is Wobbly:** Ensure all screws are securely tightened. Check that the easel is placed on a flat, even surface.
- **Markers Not Erasing:** Ensure you are using water-based markers specifically designed for whiteboards. Use a clean eraser or damp cloth.
- **Paper Roll Not Dispensing Smoothly:** Check that the paper roll is correctly installed in its holder and that there are no obstructions.
