2. SAFETY INFORMATION

Your child's safety is paramount. Always adhere to the following safety guidelines:

- Never leave your child unattended in the playpen.
- Ensure the playpen is fully assembled and all locking mechanisms are engaged before placing a child inside.
- Place the playpen on a flat, stable, and level surface.
- Keep the playpen away from open flames, heaters, and other sources of strong heat.
- Do not use the playpen if any parts are broken, torn, or missing. Contact customer support for replacement parts.
- Do not use additional mattresses or padding inside the playpen unless specifically approved by the manufacturer.
- Regularly inspect the playpen for any signs of wear or damage.
- The playpen is equipped with foam-covered top tubes and anti-slip caps on the corners for enhanced safety and stability.

5. OPERATING INSTRUCTIONS

5.1. Using the Zippered Side Entries

The playpen features two zippered side entries, allowing easy access for your child to crawl in and out, or for parents to interact without excessive bending.

- To open, locate the zipper on the side panel and pull it down.
- To close, pull the zipper up until it is fully secured.
- Always ensure the zippers are fully closed when the child is inside and unsupervised.
