GOOJODOQ M02

GOOJODOQ M02 3-in-1 Bluetooth Keyboard and Mouse Kit User Manual

Model: M02 | Brand: GOOJODOQ

INTRODUCTION

Thank you for choosing the GOOJODOQ M02 3-in-1 Bluetooth Keyboard and Mouse Kit. This versatile kit is designed to enhance your productivity across multiple devices, offering seamless connectivity with Android, iOS, and Windows systems. This manual provides detailed instructions for setup, operation, and maintenance to ensure optimal performance of your new device.

Image: The GOOJODOQ M02 3-in-1 Bluetooth Keyboard and Mouse Kit, featuring a black compact keyboard and a matching black mouse. The keyboard has a standard QWERTY layout with function keys and system-specific keys. The mouse is sleek with a scroll wheel and two buttons.

PACKAGE CONTENTS

Please check the package for the following items:

- 1 x GOOJODOQ M02 Bluetooth Keyboard
- 1 x GOOJODOQ Bluetooth Mouse
- 1 x USB Charging Cable
- 1 x User Manual (this document)

SETUP

1. Charging the Devices

Before first use, ensure both the keyboard and mouse are fully charged. Use the provided USB charging cable to connect the devices to a power source (e.g., computer USB port, USB wall adapter).

- **Keyboard:** Connect the USB charging cable to the charging port on the keyboard. The charge indicator light will illuminate during charging and turn off when fully charged.
- **Mouse:** Connect the USB charging cable to the charging port on the mouse. The charge indicator light will illuminate during charging and turn off when fully charged.

2. Powering On

- **Keyboard:** Locate the power switch on the keyboard (usually on the top right, labeled "ON/OFF"). Slide it to the "ON" position.
- **Mouse:** Locate the power switch on the mouse (usually on the bottom). Slide it to the "ON" position.

OPERATING INSTRUCTIONS

Bluetooth Connection

The GOOJODOQ M02 keyboard supports connecting up to three devices simultaneously via Bluetooth. Follow these steps to pair your devices:

1. Activate Pairing Mode:

For Device 1: Press **FN + 1** on the keyboard. The Bluetooth indicator light will start blinking, indicating it's ready for pairing.

For Device 2: Press **FN + 2** on the keyboard. The Bluetooth indicator light will start blinking, indicating it's ready for pairing.

For Device 3: Press **FN + 3** on the keyboard. The Bluetooth indicator light will start blinking, indicating it's ready for pairing.

2. **Enable Bluetooth on Your Device:** Go to the Bluetooth settings on your smartphone, tablet, or computer.
3. **Search for Devices:** Scan for available Bluetooth devices. You should see "Bluetooth Keyboard" or a similar name appear in the list.
4. **Select and Pair:** Select the "Bluetooth Keyboard" from the list to connect.
5. **System Selection:** After successful connection, press the corresponding key combination to select your device's operating system for optimal functionality:

FN + Q for **Android** devices

FN + W for **Windows** devices

FN + E for **iOS** devices

6. **Automatic Reconnection:** Once successfully paired, the keyboard will automatically connect to the last used device when powered on.

Note: To switch between connected devices, simply press **FN + 1**, **FN + 2**, or **FN + 3**, corresponding to the device's pairing slot.

Mouse Operation

The GOOJODOQ Bluetooth mouse connects independently via Bluetooth. Follow your device's standard Bluetooth pairing procedure to connect the mouse. Once connected, it functions as a standard wireless mouse.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the keyboard and mouse. For stubborn dirt, slightly dampen the cloth with water or a mild cleaning solution. Avoid excessive moisture.
- **Storage:** Store the devices in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the devices frequently. Charge them when the battery indicator is low.
- **Avoid Liquids:** Do not expose the keyboard or mouse to liquids, as this can cause damage.

TROUBLESHOOTING

Problem	Possible Solution
Device not connecting via Bluetooth.	<ul style="list-style-type: none">• Ensure the keyboard/mouse is powered on and fully charged.• Make sure the device is in pairing mode (Bluetooth indicator blinking).• Check if Bluetooth is enabled on your host device (smartphone, tablet, PC).• Forget the device from your host device's Bluetooth settings and try pairing again.• Restart both the keyboard/mouse and your host device.
