Ensure the headboard is flush against the wall or positioned as desired for optimal stability and aesthetic.

6. CARE AND MAINTENANCE

To maintain the appearance and longevity of your headboard, follow these care instructions:

- **Cleaning:** Wipe the surface with a dry, soft cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the finish.
- **Dusting:** Regularly dust the headboard to prevent buildup.
- **Inspection:** Periodically check all connections and hardware to ensure they remain tight. Re-tighten if necessary.
