Peg Perego Primo Viaggio Lounge on Wheels User Manual

Model: ICPV00US00MO13

SAFETY INFORMATION

Please read this entire manual carefully before assembling, installing, or using your Peg Perego Primo Viaggio Lounge on Wheels. Failure to follow these instructions could result in serious injury or death.

- Always secure your child in the car seat and stroller using the 5-point harness.
- Never leave your child unattended in the car seat or stroller.
- Ensure the car seat is properly latched onto the chassis before use.
- Do not use accessories or replacement parts other than those approved by Peg Perego.
- Always engage the brakes when the stroller is stationary.
- Keep fingers clear of moving parts during folding and unfolding.
- The car seat is designed for infants weighing 4 to 30 lbs and up to 32 inches tall.

WHAT'S IN THE BOX

Your Peg Perego Primo Viaggio Lounge on Wheels package includes the following components:

- Vivace Chassis
- Primo Viaggio 4-35 Lounge Reclining Infant Car Seat

SETUP

Unfolding the Vivace Chassis

To unfold the Vivace Chassis, release the central fold mechanism. The chassis will extend and lock into place. Ensure all locking mechanisms are securely engaged before use.

Attaching the Primo Viaggio Lounge Car Seat

Align the Primo Viaggio Lounge car seat with the attachment points on the Vivace Chassis. Press down firmly until you hear an audible click, indicating that the car seat is securely locked into place. Always double-check the connection before placing your child in the seat.

Car Seat Base Installation

The Primo Viaggio Lounge car seat comes with a load leg base for enhanced safety. Install the base in your vehicle using either the LATCH system or the vehicle's seat belt, following the instructions provided with the car seat base. Extend the load leg until it firmly contacts the vehicle floor.

OPERATING INSTRUCTIONS

Comfort Recline Function

The Primo Viaggio Lounge car seat features a Comfort Recline function. When used on the stroller, the backrest can be reclined and the leg rest extended to allow your child to lie down in an ergonomic position. Locate the recline adjustment mechanism on the car seat and adjust as needed.

Pagoda Hood Adjustment

The extendable Pagoda Hood on the car seat provides full coverage to shield your baby from external elements. Simply extend or retract the hood as desired for optimal protection.

Image: The car seat with its Pagoda Hood extended, providing ample shade and protection for the infant.

Folding and Unfolding the Chassis

The Vivace Chassis features a convenient one-handed central fold. To fold, locate the mechanism on the handle and activate it while guiding the chassis to collapse. To unfold, release the lock and lift the handle until the chassis clicks into its open position.

Maneuverability and Wheels

The Vivace Chassis is designed for effortless maneuverability with its streamlined design, suspension system, and ball bearings in the wheels. This allows for smooth navigation through various terrains and crowded spaces.

For visual instructions on setup and operation, please refer to official Peg Perego product videos available on their website or authorized channels. Note: No official 'Seller' type videos were provided in the product data for direct embedding in this manual.

MAINTENANCE

- **Cleaning Fabric:** Refer to the care label on the fabric components for specific cleaning instructions. Typically, spot clean with a mild detergent and cold water. Air dry completely.
- **Cleaning Frame:** Wipe the aluminum frame and plastic components with a damp cloth. Avoid abrasive cleaners.
- **Wheels:** Regularly check wheels for debris and clean as needed. Lubricate axles periodically with a silicone-based lubricant to ensure smooth operation.
- **Storage:** Store the stroller and car seat in a clean, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

- **Stroller difficult to fold/unfold:** Ensure all components are properly aligned and not obstructed.

Check for any dirt or debris in the folding mechanisms.

- **Wheels not rolling smoothly:** Clean any hair or debris from around the wheel axles. Apply a small amount of silicone lubricant if necessary.
- **Car seat not latching onto chassis:** Verify that the car seat is correctly oriented and aligned with the chassis attachment points. Apply firm, even pressure until it clicks into place.
- **Harness difficult to adjust:** Ensure the harness straps are not twisted. Refer to the car seat manual for detailed harness adjustment instructions.

SPECIFICATIONS

Feature	Detail
Brand	Peg Perego
Model Number	ICPV00US00MO13
Color	True Black
Material	Aluminum, Polyester Blend, Plastic
Frame Material	Aluminum
Age Range (Car Seat)	Newborn (4 to 30 lbs, up to 32 inches tall)
