

XIAOMI Poco C65

Poco C65 User Manual

Model: 2310FPCA4G

INTRODUCTION

The Poco C65 smartphone, showcasing its sleek design and camera setup.

The Poco C65 is a powerful and versatile smartphone designed for an immersive user experience. Featuring a MediaTek Helio G85 processor, a 50MP AI triple camera, and a massive 5000mAh battery, it offers extended usage and impressive performance for daily tasks, entertainment, and photography. Its large 6.74-inch HD+ display with a 90Hz refresh rate provides smooth visuals, while TÜV Rheinland certifications ensure comfortable viewing by reducing blue light and flicker. This manual provides essential information on setting up, operating, maintaining, and troubleshooting your Poco C65 device.

WHAT'S IN THE BOX

This image displays the contents typically found in the Poco C65 retail box. It includes the Poco C65 smartphone, its distinctive yellow packaging box, a fast 33W car charger, a USB cable, and a SIM tray ejector tool. These are the essential items to get started with your new device.

- Poco C65 Smartphone
- Fast 33W Car Charger
- Phone Case
- SIM Tray Ejector
- USB Cable

SETUP

1. Inserting SIM Card and Micro SD Card

Locate the SIM tray on the side of your Poco C65. Use the provided SIM tray ejector tool to gently push into the small hole next to the tray until it pops out. Place your Nano-SIM card(s) and/or Micro SD card into the designated slots on the tray. Ensure the cards are correctly oriented as indicated on the tray. Carefully reinsert the tray into the phone.

This composite image provides detailed views of the Poco C65's physical features. It highlights the various ports and slots, including the SIM card tray, USB-C charging port, speaker grilles, and the 3.5mm headphone jack. These images are useful for identifying where to insert your SIM card and connect accessories.

2. Powering On and Initial Configuration

Press and hold the power button located on the side of the device until the Poco logo appears. Follow the on-screen prompts to complete the initial setup, which includes selecting your language, connecting to Wi-Fi, setting up your Google account, and configuring security features like fingerprint or AI face unlock.

3. Charging the Device

Connect the provided USB cable to the phone's USB-C port and the other end to the 33W car charger. Plug the charger into a power outlet. The phone supports 18W fast charging. A full charge provides up to 23 hours of video streaming or 114 hours of music playback. A 5-minute charge can provide up to 5 hours of music playback.

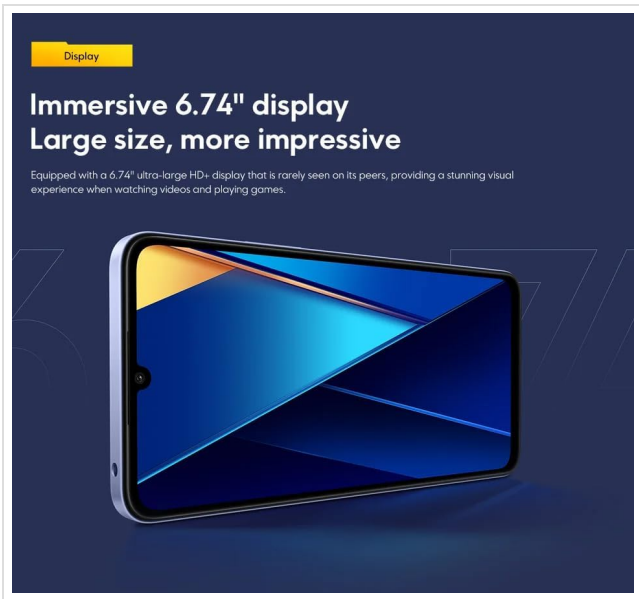

This image illustrates the impressive 5000mAh typical battery capacity of the Poco C65 and its 18W Type-C PD fast charging capability. It visually represents the phone's long-lasting power, showing estimated usage times for standby, calling, online video streaming, and music playback, emphasizing the convenience of rapid charging.

OPERATING YOUR POCO C65

Display and Navigation

The Poco C65 features an immersive 6.74-inch HD+ Dot Drop display with a 90Hz refresh rate for smooth scrolling and fluid visuals. Navigate using touch gestures, including taps, swipes, and pinches. The display also supports Reading mode and DC dimming for eye comfort. It is protected by Corning Gorilla Glass.

This image highlights the Poco C65's immersive 6.74-inch HD+ display. It emphasizes the large screen size, which provides a more impressive and engaging visual experience for watching videos and playing games, making content consumption more enjoyable.

Camera Features

The device is equipped with a 50MP AI triple camera system. The main camera features a 5P lens and f/1.8 aperture, complemented by a 2MP macro camera (f/2.4) and an auxiliary lens. Rear camera video recording supports 1080P at 30fps and 720P at 30fps. The 8MP front camera includes an upgraded soft-light ring for improved selfies in low-light conditions. Explore various modes like Film Camera, HDR, Night mode, Portrait mode, and 50MP mode.

This infographic provides a concise overview of the Poco C65's main selling points. It highlights the smooth 6.74-inch 90Hz display, the versatile 50MP AI triple camera, the massive 5000mAh battery with 18W fast charging support, and the powerful MediaTek Helio G85 processor, along with TÜV certifications for eye protection.

Connectivity

The Poco C65 supports 4G LTE (FDD: 1/2/3/4/5/7/8/20/28/66; TDD: 38/40/41), 3G (2/4/5/8), and 2G Quad Band networks. It features Wi-Fi (2.4GHz | 5GHz) and Bluetooth 5.3 with support for AAC/SBC codecs. GPS, Glonass, Galileo, and Beidou are supported for navigation. The device also includes a 3.5mm headphone jack and supports FM radio (with headphone jack).

Security Features

Unlock your device securely using the side-mounted fingerprint sensor or AI face unlock. These features provide convenient and robust protection for your personal data.

MAINTENANCE

- **Screen Care:** The display is protected by Corning Gorilla Glass, but it is still recommended to use a screen protector to prevent scratches. Clean the screen with a soft, lint-free cloth. Avoid harsh chemicals.
- **Battery Longevity:** To maximize battery life, avoid extreme temperatures. Do not let the battery drain completely frequently, and avoid overcharging for extended periods.
- **Software Updates:** Regularly check for and install system updates (MIUI 14 for POCO, based on Android 12) to ensure optimal performance, security, and access to new features.
- **Cleaning:** Use a soft, dry cloth to clean the phone's body. For ports, use a soft brush to gently remove dust. Avoid direct contact with liquids.
- **Storage Management:** Periodically clear unnecessary files and apps to maintain optimal performance. The phone comes with 256GB of internal storage, expandable via Micro SD.

TROUBLESHOOTING

Common Issues and Solutions

- Phone not turning on:**

Ensure the battery is charged. Connect the phone to the charger and wait a few minutes before attempting to power on again. If it still doesn't turn on, try a forced restart by holding the power button for an extended period (e.g., 10-15 seconds).
- Poor network signal:**

Check if your SIM card is properly inserted. Move to an area with better network coverage. Restart the phone. Verify your network settings are correct (APN settings). Ensure your carrier supports the phone's frequency bands (USA MARKET ONLY WORK ON TMOBILE MINT TELLO OR ANY UNDER TMOBILE NETWORK).
- Battery drains quickly:**

Reduce screen brightness. Close unused background apps. Disable Wi-Fi, Bluetooth, and GPS when not in use. Check battery usage in settings to identify power-hungry apps. Consider performing a factory reset if the issue persists after trying other solutions.
- Apps crashing or freezing:**

Clear the cache and data of the problematic app in settings. Update the app to its latest version. Ensure your phone's operating system is up to date. If the issue persists, uninstall and reinstall the app.
- Fingerprint sensor not working:**

Ensure your finger is clean and dry. Re-register your fingerprints in the security settings. If the issue persists, try restarting the device.

SPECIFICATIONS

Feature	Detail
Model Name	Poco C65 (2310FPCA4G)
Dimensions	6.54 x 3.07 x 0.32 inches
Weight	12.3 ounces (0.35 Kilograms)
Display	6.74-inch Dot Drop display, 1600x720 resolution, 260 ppi, 90Hz Refresh Rate, Corning Gorilla Glass
Processor	MediaTek Helio G85 (12nm process, octa-core, Arm Cortex-A75 @ 2.0GHz, Arm Cortex-A55 @ 1.8GHz, Arm Mali-G52 MC2 GPU)
RAM	8 GB
Storage	256 GB (expandable via Micro SD)
Rear Camera	50MP main (f/1.8), 2MP macro (f/2.4), Auxiliary lens
Front Camera	8MP with soft-light ring
Battery	5000mAh (typ), 18W Fast Charging (33W car charger included)
Operating System	MIUI 14 for POCO, based on Android 12
Connectivity	4G LTE, 3G, 2G, Wi-Fi (2.4GHz/5GHz), Bluetooth 5.3, GPS, Glonass, Galileo, Beidou
Ports	USB Type-C, 3.5mm Headphone Jack
Sensors	Side fingerprint sensor, AI face unlock, Virtual proximity sensor, Ambient light sensor, Accelerometer, Electronic compass

SIM Support	Dual SIM + Micro SD Slot
-------------	--------------------------

WARRANTY AND SUPPORT

For warranty information and detailed support, please refer to the official Xiaomi/Poco website or contact their customer service. Keep your proof of purchase for warranty claims. The product is typically covered by a manufacturer's warranty against defects in materials and workmanship for a specified period from the date of purchase.

Online Support: Visit the official Xiaomi support page for FAQs, troubleshooting guides, and software downloads.

www.mi.com/global/support

Customer Service: Contact details for customer service can usually be found on the official website or in the documentation included with your device.
