TOZO X1

TOZO Golden X1 Wireless Earbuds User Manual

Model: X1

PRODUCT OVERVIEW

The TOZO Golden X1 Wireless Earbuds are designed to deliver a high-fidelity audio experience with advanced features such as Hybrid Dynamic Driver and Balanced Armature Driver technology, LDAC HD Audio-decoding, and Active Noise Cancellation. These earbuds offer a comfortable fit and extended battery life, making them suitable for various uses including music listening, calls, and travel.

SETUP GUIDE

1. Package Contents

Ensure all items are present in the package:

- TOZO Golden X1 Wireless Earbuds
- Wireless Charging Case
- Eartips (various sizes)
- USB-C (A to C) cable (30cm)
- User Manual

2. Initial Charging

Before first use, fully charge the earbuds and the charging case. The case supports both USB-C wired charging and wireless charging.

- **Wired Charging:** Connect the provided USB-C cable to the charging case and a power source. The LED digital display on the case will show the battery level.
- **Wireless Charging:** Place the charging case on a compatible wireless charging pad. The digital display will indicate charging status.

A full charge for the carrying case takes approximately 2 hours. The earbuds charge automatically when placed inside the case.

**12mm diameter dynamic speaker
with polymer composite film materials.**

3. Pairing with Your Device

1. Open the charging case. The earbuds will automatically enter pairing mode.

2. On your device (smartphone, tablet, etc.), enable Bluetooth.
3. Search for "TOZO Golden X1" in the list of available Bluetooth devices and select it to connect.
4. Once connected, a voice prompt will confirm successful pairing.

The earbuds utilize Bluetooth 5.3 technology for stable and efficient connection.

4. Optimal Fit and Eartip Selection

For the best sound quality and noise cancellation, select the eartips that provide a snug and comfortable seal in your ear canal. Experiment with different sizes included in the package.

Image: A visual representation of the different eartip sizes provided with the TOZO Golden X1 earbuds, illustrating how to choose the best fit for personalized audio.

5. TOZO App Installation

Download the official TOZO App from your device's app store. The app allows for firmware updates, EQ customization, noise cancellation mode adjustments, and personalized sound settings via the EarTune AI Technology.

Support 32 preset EQ modes and 6 noise reduction modes in the App

OPERATING INSTRUCTIONS

1. Touch Controls

The TOZO Golden X1 earbuds feature intuitive touch controls on each earbud. Specific functions can be customized via the TOZO App.

Action	Left Earbud	Right Earbud
Play/Pause	Single Tap	Single Tap

Action	Left Earbud	Right Earbud
Next Track	Double Tap	
Previous Track		Triple Tap
Volume Up		Long Press
Volume Down	Long Press	
Answer/End Call	Single Tap	Single Tap
Reject Call	Long Press	Long Press
Switch ANC/Transparency Mode	Triple Tap	

2. Active Noise Cancellation (ANC) and Transparency Mode

The TOZO Golden X1 features Active Noise Cancellation (ANC) to reduce ambient noise by up to 42dB, providing an immersive listening experience. Transparency Mode allows you to hear your surroundings without removing the earbuds.

- **Switching Modes:** Use the touch controls (as per the table above) or the TOZO App to cycle between ANC On, Transparency Mode, and Normal Mode.
- **Environmental Noise Reduction:** The 6 built-in microphones enhance call clarity by blocking background noise.

TUV Rheinland Certified Noise Canceling Earbuds

TOZO's high-performance noise-canceling earbuds certified by TUV Rheinland. Active Noise Cancellation (ANC) brings you an immersive experience with a noise reduction depth of 42dB.

3. LDAC HD Audio-decoding and Hi-Res Audio Wireless

The Golden X1 supports LDAC technology, enabling high-resolution audio streaming up to 990 kbit/s, which is significantly higher than standard Bluetooth codecs. This ensures a rich and detailed sound experience, meeting Hi-Res Audio Wireless certification standards.

12Hz to 44.1KHz Super Wide Frequency Range

Golden X1 Reproduce the music with clarity, precision and impact

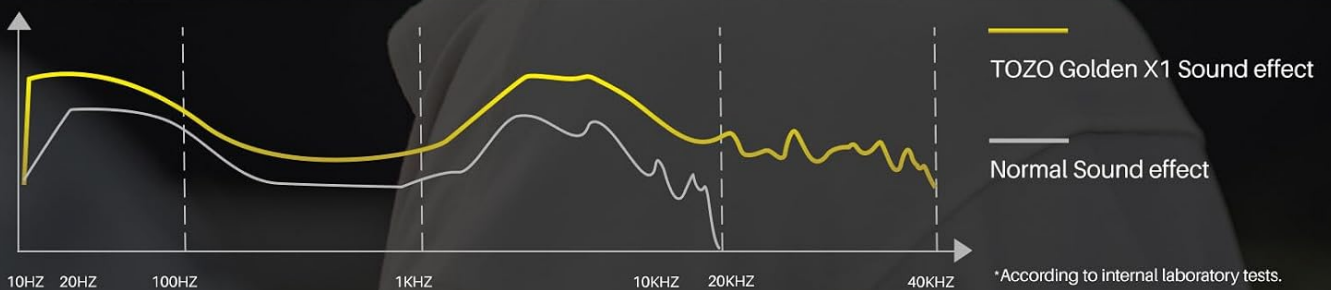

Image: A graph demonstrating the super wide frequency range of the TOZO Golden X1, from 12Hz to 44.1KHz, indicating its capability to reproduce music with clarity and impact.

4. Battery Life and Charging Indicators

The earbuds provide up to 8 hours of listening time on a single charge. With the fully charged wireless charging case, the total listening time extends up to 32 hours.

- The charging case features an LED digital display that shows the remaining battery percentage of the case and the charging status of each earbud.
- When earbuds are placed in the case, they will automatically begin charging.

MAINTENANCE

1. Cleaning Your Earbuds and Case

Regular cleaning helps maintain optimal performance and hygiene.

- **Earbuds:** Gently wipe the earbuds, especially the eartips and charging contacts, with a soft, dry, lint-free cloth. Do not use abrasive materials or harsh chemicals.
- **Eartips:** Remove the silicone eartips and clean them with mild soap and water. Ensure they are completely dry before reattaching them to the earbuds.
- **Charging Case:** Use a soft, dry cloth to clean the inside and outside of the charging case. Ensure the charging pins

inside the case are free of dust and debris.

2. Storage

Always store the earbuds in their charging case when not in use to protect them from dust, damage, and to keep them charged.

3. Water Resistance

The TOZO Golden X1 earbuds are rated as "Waterproof". While they can withstand splashes and sweat, it is not recommended to submerge them in water for extended periods or expose them to strong jets of water. Ensure earbuds are dry before placing them back in the charging case.

TROUBLESHOOTING

If you encounter issues with your TOZO Golden X1 earbuds, please refer to the following common solutions:

1. Earbuds Not Pairing or Connecting

- Ensure both earbuds are fully charged.
- Place both earbuds back into the charging case, close the lid, wait a few seconds, then open it again.
- Turn off and then turn on Bluetooth on your device.
- Forget "TOZO Golden X1" from your device's Bluetooth list and attempt to pair again.
- If issues persist, try resetting the earbuds. *(Note: Specific reset instructions may vary. Refer to the TOZO App or official TOZO support for detailed steps.)*

2. No Sound or Low Volume

- Check the volume level on both your device and the earbuds.
- Ensure the earbuds are properly seated in your ears and that the eartips provide a good seal.
- Verify that the earbuds are connected to the correct audio output on your device.
- Clean any debris from the earbud speaker meshes.

3. Charging Issues

- Ensure the USB-C cable is securely connected to both the case and the power source.
- If using wireless charging, ensure the case is correctly positioned on the charging pad.
- Clean the charging contacts on both the earbuds and inside the case.
- Try a different charging cable or power adapter.
