# PROJOY Sponge Holder Over Faucet Kitchen Sink Caddy Organizer Instruction Manual

Model: B0CMSY7DGK | Brand: PROJOY

## 1. INTRODUCTION

Thank you for choosing the PROJOY Sponge Holder Over Faucet Kitchen Sink Caddy Organizer. This product is designed to enhance your kitchen or bathroom organization by providing a convenient and space-saving solution for storing sponges, scrubbers, soap, and other small items. Made from durable space aluminum, it is rustproof and features an innovative design for faster drying. This manual provides detailed instructions for installation, operation, and maintenance to ensure optimal performance and longevity of your new organizer.

**Disorganized**

**Clean and Tidy**

The PROJOY Sponge Holder helps transform a disorganized sink area into a clean and tidy space.

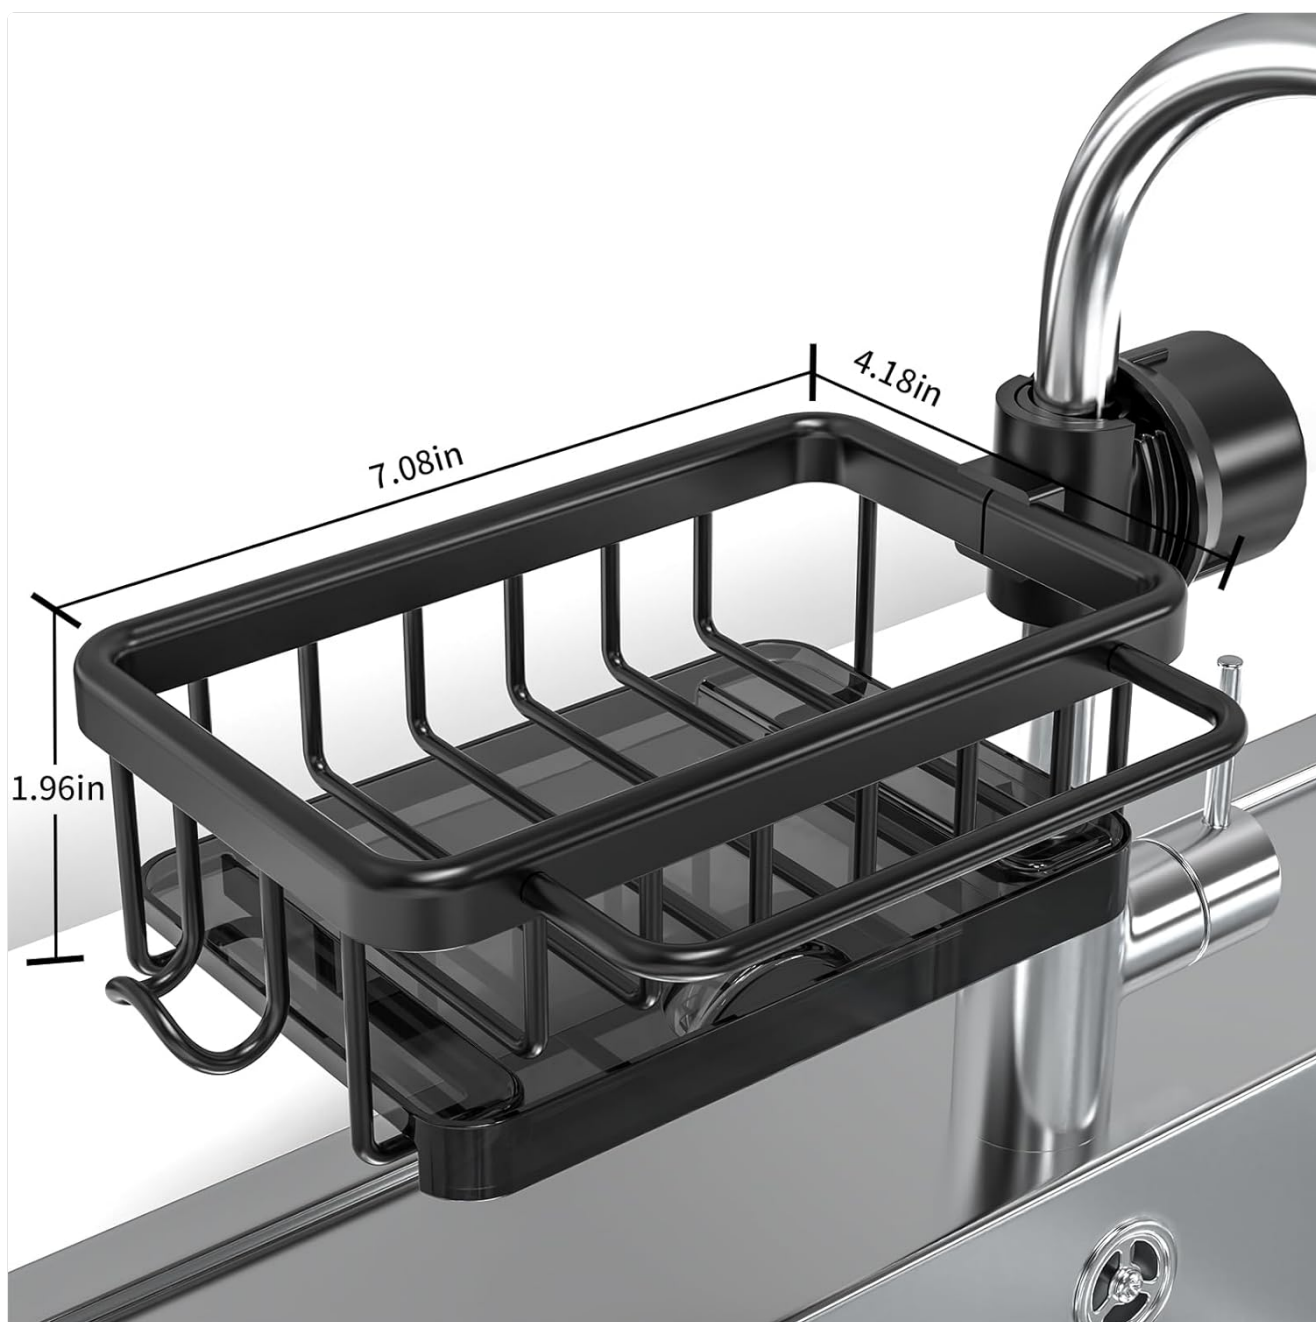

## 2. PRODUCT COMPONENTS

Please ensure all components are present before beginning installation:

- Sponge Holder Basket (Main Unit)
- Faucet Clamp Mechanism
- Detachable Drip Tray
- Additional Hook (for hanging towels, peelers, etc.)
- Rubber Gaskets (various sizes for faucet compatibility)
- Screw Cap

Item Weight	9.5 ounces (269 grams)
Material	Space Aluminum
Color	Black (Left Size)
Faucet Compatibility	Round water pipes 0.7-1.1 inches (20-28mm) in diameter
UPC	605832732466

Detailed dimensions of the sponge holder for precise fitting.

The robust construction ensures strong load-bearing capacity for various items.

## 4. SETUP AND INSTALLATION

### 4.1 Before Installation

This sponge holder is designed for easy, drill-free installation. Ensure your faucet meets the following criteria:

- **Faucet Type:** Suitable for round water pipes. Not compatible with square tube faucets.
- **Pipe Diameter:** The faucet pipe should have a diameter between 0.7 and 1.1 inches (20-28mm).

## SUITABLE FOR 0.8-1.1 INCH (20~28mm) FAUCETS

Square Tube: Not applicable

⊘ Not applicable

⊘ Not applicable

Verify your faucet type and pipe diameter for proper fit.

### 4.2 Installation Steps

Follow these simple steps to install your sponge holder:

1. **Choose the Right Gasket:** Select the appropriate rubber gasket that best fits your faucet pipe diameter (within 1.15 inches recommended).
2. **Attach the Rack:** Place the sponge holder's clamp mechanism around the faucet pipe and insert the chosen gasket.
3. **Secure the Screw Cap:** Cover the screw cap over the clamp and tighten it firmly by hand until the holder is stable on the faucet.

4. **Final Adjustment:** Ensure the holder is level and at your desired height and direction.

## Easy Installation

You don't need to drill, glue or tools to install the faucet storage rack, just follow the installation steps. The rack has a simple and stylish appearance, adding better decoration to your faucet and kitchen.

1: Choose the right faucet pipe (within 1.15 inches recommended)

2: The rack fixes the pipe and puts in the washer

3: Cover the screw cap and tighten it

4: Finish

## 5. OPERATING INSTRUCTIONS

Once installed, the PROJOY Sponge Holder is ready for use. Its design allows for versatile storage and easy access to your cleaning essentials.

- **Storage:** Place sponges, dish soap bottles, scrub brushes, and other small kitchen or bathroom items directly into the basket.
- **Hook Usage:** Utilize the integrated hook to hang dishcloths, peelers, or other small utensils, further maximizing space.
- **Adjustability:** The holder can be rotated 360 degrees around the faucet pipe, allowing you to adjust its position for optimal convenience and to avoid interfering with faucet movement.

The caddy provides convenient storage for essential sink items.

# USE SCENARIOS

1

## Use the kitchen

Neat and orderly  
clean and hygienic

2

## Use the bathroom

Clean space and  
easy access

This versatile organizer is suitable for both kitchen and bathroom environments.

# DIRECTION AND HEIGHT ADJUSTABLE

Adjust the direction and height of the holder for personalized convenience.

## 6. MAINTENANCE

To maintain the cleanliness and appearance of your PROJOY Sponge Holder, regular cleaning is recommended:

- **General Cleaning:** Wipe down the holder with a damp cloth and mild detergent as needed. Rinse thoroughly.
- **Drip Tray:** The detachable drip tray should be emptied and cleaned regularly to prevent water buildup and mildew. Simply slide it out, discard accumulated water, clean with soap and water, and reinsert.
- **Drying:** The strip-shaped hole design promotes faster drying of items placed in the caddy. Ensure proper air circulation around the holder.

# LEAK-PROOF TRAY

The leak-proof drip tray collects excess water, keeping your sink area dry.

## 7. TROUBLESHOOTING

If you encounter any issues with your sponge holder, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Holder is loose or slides down the faucet.	Incorrect gasket size or insufficient tightening.	Ensure the correct rubber gasket is used for your faucet's diameter. Tighten the screw cap more firmly.
Water accumulates in the holder.	Drip tray is full or not properly positioned.	Empty and clean the drip tray regularly. Ensure it is correctly seated beneath the basket.

Problem	Possible Cause	Solution
Holder interferes with faucet movement.	Improper positioning.	Rotate the holder 360 degrees to find a position that does not obstruct faucet operation. Adjust height if necessary.
Rust or discoloration appears.	Exposure to harsh chemicals or prolonged standing water.	Clean regularly with mild soap and water. Avoid abrasive cleaners. Ensure proper drying after use.

## 8. WARRANTY INFORMATION

Specific warranty details for the PROJOY Sponge Holder are not provided in this manual. For information regarding product warranty, returns, or exchanges, please refer to the product listing on the retailer's website or contact the manufacturer directly using the support information provided below.
