## Safety Information

---

To ensure safe operation and prevent damage, please adhere to the following safety guidelines:

- **Weight Capacity:** Do not overload the tabletop beyond 220 lb (100 kg). Exceeding this limit may cause structural damage or injury.
- **Assembly:** Assembly requires two people. Ensure all components are securely fastened before use.
- **Stability:** Place the desk on a flat, stable surface to prevent tipping.
- **Moving the Desk:** When moving the desk, ensure the tabletop is flat and all drawers are secured to prevent items from falling.
- **Children and Pets:** Keep children and pets away from the desk during assembly and adjustment to prevent accidents.

## Package Contents

---

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

## Setup and Assembly

---

Assembly of the Yaheetech Art Desk is required and is recommended for two people. While specific step-by-step instructions are typically provided in a separate assembly guide, the general process involves:

1. **Unpacking:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. **Frame Assembly:** Assemble the metal frame components according to the provided diagrams, ensuring all connections are secure.
3. **Tabletop Attachment:** Attach the main tabletop and the side slide-out tabletop to the assembled frame.
4. **Drawer and Accessory Installation:** Install the fabric drawers into their designated slots and attach the detachable side tray and pencil ledge.
5. **Stool Assembly:** Assemble the accompanying stool.
6. **Final Check:** Before use, double-check all screws and bolts to ensure they are tightened.

## OPERATING INSTRUCTIONS

Your Yaheetech Art Desk is designed with versatility in mind. Here's how to utilize its key features:

### 1. Tabletop Angle Adjustment

The main tabletop can be adjusted from 0 to 60 degrees, allowing for various activities from writing to drawing.

- **To Adjust:** Gently lift the front edge of the tabletop. The internal mechanism will allow you to set it to your desired angle.
- **Flat Position (0°):** Ideal for general desk use, laptop work, or reading.
- **Slight Tilt (0-20°):** Suitable for writing and comfortable reading.
- **Medium Tilt (20-40°):** Optimal for reading and light sketching.
- **Steep Tilt (40-60°):** Best for drafting, drawing, and painting, providing an ergonomic working posture.

The stationery organizer keeps your stationery neat and handy

Two fabric drawers and open shelf beneath the tabletop provide storage space for drawing tools

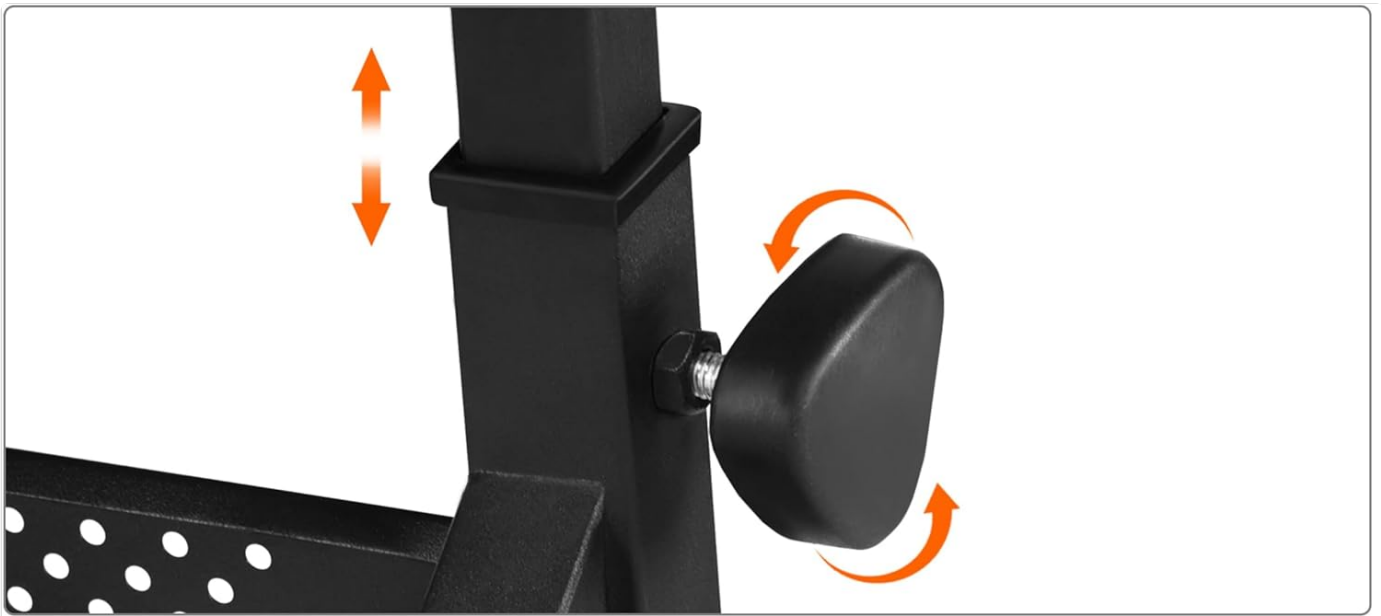

With the adjustable fixing design, you can hide the pencil ledge to create a flat desktop for working

## 2. Height Adjustment

The desk's height can be adjusted from 27.5 inches (minimum) to 36.5 inches (maximum) to suit your preference, whether sitting or standing.

- **To Adjust:** Loosen the adjustment knobs on the legs, slide the desk to the desired height, and then securely tighten the knobs.

### Art Desk

The angle of the tabletop can be adjusted from 0 to 60° by simply lifting/ lowering the top

### Workstation

This practical table works perfectly as an easel for drawing, and a table for your laptop/books

### 3. Slide-out Side Top

A convenient 23.6 x 15 inch (60 x 38 cm) surface on the left side can be pulled out for additional workspace or storage.

- **To Extend:** Gently pull the side tabletop outwards from beneath the main tabletop.
- **Usage:** Ideal for placing a laptop, tablet (for reference), palettes, or documents.
- **To Retract:** Push the side tabletop back under the main tabletop when not in use to save space.

### 4. Handy and Organized Storage

The desk includes multiple storage options to keep your workspace tidy:

- **Detachable Tabletop Side Tray:** Located on the right side, this tray has separate slots for various stationery items like pens, brushes, and cups.
- **Fabric Drawers:** Two fabric drawers beneath the tabletop provide discreet storage for supplies.
- **Extra Open Shelf:** A mesh shelf below the drawers offers additional space for larger items like paper rolls or paint cans.

## 5. Flexible Pencil Ledge

An adjustable metal pencil ledge prevents items from rolling off when the tabletop is tilted.

- **To Engage:** Lift the pencil ledge into the upright position. It will lock into place.
- **To Retract:** Use the special adjustment fitting to loosen and lower the pencil ledge, allowing for a flat desktop surface when not needed.

## MAINTENANCE

Proper maintenance will extend the life of your art desk:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Clean up spills immediately to prevent staining, especially on the MDF desktop with veneer.
- **Hardware:** Periodically check all screws and bolts and tighten them if necessary to maintain stability.
- **Moving Parts:** Ensure the tilting mechanism and height adjustment components are free of debris for smooth operation.

## TROUBLESHOOTING

If you encounter any issues with your Yaheetech Art Desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Desk wobbles or is unstable.	Loose assembly hardware; uneven floor.	Ensure all screws and bolts are tightened. Adjust the foot pads on the base to level the desk on uneven surfaces.
Tabletop does not tilt smoothly.	Mechanism obstructed or dirty.	Check for any debris or foreign objects obstructing the tilting mechanism. Clean the moving parts if necessary.
Height adjustment is difficult.	Adjustment knobs are too tight; mechanism is stiff.	Loosen the adjustment knobs sufficiently. If stiff, apply a small amount of silicone lubricant to the sliding parts.
Side slide-out top is stuck.	Obstruction in the sliding track.	Check the track for any debris or items blocking the movement. Ensure it is aligned correctly.

If the problem persists, please contact Yaheetech customer support for further assistance.
