WHAT'S IN THE Box

- TOZO S4 Smart Watch
- Magnetic Charging Cable
- Quick Guide & User Manual

SETUP GUIDE

1. Initial Charge and Activation

Before first use, fully charge your TOZO S4 Smart Watch using the provided magnetic charging cable. Connect the magnetic end to the charging points on the back of the watch and the USB-A end to a compatible power source. A full charge typically takes about 2 hours.

More Reasons to Adore

Discover the added benefits of IP68 dust and water resistance and an impressive 10-day battery life.

2. Download and Install the TOZO Health App

Locate the QR code in the Quick Guide or on the watch screen during initial setup. Scan this QR code with your smartphone to download the official TOZO Health app. Alternatively, search for "TOZO Health" in your device's app store (compatible with iOS 11.0+ and Android 9.0+).

3. Device Pairing

1. Ensure Bluetooth is enabled on your smartphone.
2. Open the TOZO Health app and follow the on-screen instructions to add a new device.
3. Select "TOZO S4" from the list of available devices.
4. Confirm the pairing request on both your smartphone and the smartwatch.

Once paired, the watch will synchronize time, date, and other settings with your phone. You can then customize

watch faces and notification preferences through the app.

OPERATING THE SMARTWATCH

Navigation and Controls

- Touchscreen:** Swipe left, right, up, or down to navigate through menus and access different features. Tap to select options.
- Side Button/Crown:** The physical button on the side can be used to wake the screen, return to the home screen, or access the app menu. Some models may feature a rotatable crown for scrolling.

Watch Faces

The TOZO S4 offers over 100 customizable watch faces. You can change them directly on the watch by long-pressing the home screen or through the TOZO Health app for a wider selection and personalized options.

Stay Connected

Manage calls effortlessly with direct call handling on the watch, and stay updated with real-time message previews.

-  Call
-  Contacts
-  Call history

-  Message
- Notification

Music Control

Control music playback on your smartphone directly from the watch. This includes play, pause, skip tracks, and volume adjustment.

HEALTH MONITORING

The TOZO S4 integrates a high-precision sensor for continuous health tracking.

- Heart Rate Monitoring:** Tracks your heart rate throughout the day, providing real-time data and historical trends in the app.

- **Blood Oxygen Monitoring:** Measures your blood oxygen saturation levels.
- **Stress Testing:** Accurately assesses stress levels in real-time.
- **Sleep Monitoring:** Analyzes your sleep patterns, including deep sleep, light sleep, and REM sleep stages, to help you understand and improve your sleep quality.

Enhance Your Sleep Quality

Comprehensive analysis provides valuable insights into your sleep patterns, offering a better understanding of your restful nights.

Charging Time	Approx. 2 hours
Water Resistance Rating	IP68
Connectivity	Bluetooth
GPS	No GPS
Operating System Compatibility	iOS 11.0+ / Android 9.0+

TROUBLESHOOTING

- **Device Not Turning On:** Ensure the watch is fully charged. Connect it to the magnetic charger and allow it to charge for at least 10-15 minutes before attempting to power it on.
- **Pairing Issues:**
 - Confirm Bluetooth is active on your smartphone.
 - Make sure the watch is within Bluetooth range of your phone.
 - Restart both your smartphone and the smartwatch.
 - Try unpairing and re-pairing the device through the TOZO Health app.
- **Inaccurate Health Data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensors on the back of the watch regularly.
- **Notifications Not Appearing:** Check the notification settings within the TOZO Health app to ensure all desired app notifications are enabled. Also, verify your phone's system notification settings for the TOZO Health app.
