## Introduction

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your Bellemave Twin Size Floor Bed Door. Designed with a house-shaped roof, fence, and door, this bed offers a fun and secure sleeping environment for children. Its low-to-the-ground design promotes independence, allowing children to easily climb in and out.

The sturdy pinewood frame ensures stability and durability, providing a safe space for rest and play. This product is certified by the Children's Product Certificate (CPC) for safety.

## Safety Information

Your child's safety is paramount. Please adhere to the following safety guidelines:

- Always use the mattress with the bed frame to prevent entrapment.
- Be cautious of sharp edges and splinters when handling the wooden frame during assembly.
- This product is intended for children; adult supervision is recommended during assembly and initial use.
- Ensure all screws and fasteners are tightened securely before use and periodically check for looseness.
- Do not allow children to jump on the bed.
- Keep small parts away from young children during assembly to prevent choking hazards.

The Bellemave Twin Size Floor Bed is certified by the Children's Product Certificate (CPC), ensuring it meets safety standards for children's products.

## Operating the Floor Bed

The Bellemave Twin Size Floor Bed is designed to serve as both a comfortable sleeping area and a creative play space. Its low profile allows children to easily access the bed, fostering independence.

### Playhouse Design

The unique house-shaped design encourages imaginative play. Children can personalize their space by decorating the roof with lights, fabrics, or other accessories, transforming it into a personalized playhouse. You can choose to use it with or without a mattress, allowing the child to freely DIY the space and stimulate creativity.

The Bellemave Twin Size Floor Bed provides a cozy and imaginative space for children.

Encourage creativity by allowing children to customize their bed with various decorations.

## Maintenance

---

To ensure the longevity and appearance of your Bellemave Twin Size Floor Bed, please follow these care instructions:

- **Product Care Instructions:** Dry Clean Only.
- Regularly wipe down the wooden frame with a soft, dry cloth to remove dust.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the painted finish.
- Periodically check all screws and connections to ensure they remain tight and secure. Tighten as needed.
- Protect the bed from excessive moisture and direct sunlight to prevent warping or fading.

## Troubleshooting

---

If you encounter any issues with your Bellemave Twin Size Floor Bed, please refer to the common solutions below:

### Mattress Gap Issue

Some users have reported a gap between the mattress and the bed frame. The inner size of the Twin House Bed is 76.34" x 39.25". Standard twin mattresses typically measure 75" x 38". This slight difference might result in a small gap.

- **Solution:** Ensure your mattress dimensions are compatible with the bed frame's inner size. A small gap may be present due to standard mattress sizing. This can often be mitigated by placing a rolled blanket or a bed bumper in the gap if desired, ensuring it does not pose a safety risk.
- **Recommendation:** Always use a mattress that fits as snugly as possible to minimize gaps and enhance safety.

### Loose Connections

If the bed feels wobbly or unstable:

- **Solution:** Re-check all screws and bolts according to the assembly instructions. Tighten any loose connections. Avoid over-tightening, which can strip screws or damage the wood.

### Missing Parts

If you find any parts are missing upon unboxing:

- **Solution:** Contact Bellemave customer support immediately with your purchase details and a list of missing parts.
