PETLIBRO PLAF203

PETLIBRO Automatic Pet Feeder with Camera

Model: PLAF203

1. INTRODUCTION

Thank you for choosing the PETLIBRO Automatic Pet Feeder with Camera. This device is designed to provide scheduled meals for your pet while allowing you to monitor and interact with them remotely. It features a 1080P HD camera with night vision, two-way audio, motion and sound detection, and smart notifications to ensure your pet is well-fed and safe.

2. PRODUCT COMPONENTS

Before setup, please ensure all components are present and in good condition.

- Automatic Pet Feeder Unit x1
- Stainless Steel Food Bowl x1
- Charging Adapter x1
- User Manual x1

3. SETUP GUIDE

3.1 Unpacking and Placement

1. Remove all components from the packaging.
2. Place the feeder on a flat, stable surface indoors, away from direct sunlight or heat sources.
3. Ensure the food bowl is securely attached to the main unit.

3.2 Power Connection

1. Connect the charging adapter to the feeder's power port.
2. Plug the adapter into a standard electrical outlet. The feeder will power on.

3.3 App Download and WiFi Connection

1. Download the 'PETLIBRO' app from the App Store (iOS) or Google Play Store (Android). **Note: Ensure you download the**

'PETLIBRO' app, not 'PETLIBRO LITE'.

2. Open the app and create an account or log in.
3. Follow the in-app instructions to add your feeder. The feeder supports both 2.4GHz and 5GHz WiFi networks.

3.4 Filling the Food Tank

1. Open the twist-lock lid on top of the feeder.
2. Pour dry pet food into the tank. The feeder has a 5L capacity.
3. Close the lid securely to maintain food freshness and prevent pets from accessing it.

4. OPERATING INSTRUCTIONS

4.1 Setting Feeding Schedule

Use the PETLIBRO app to customize your pet's feeding schedule.

1. In the app, navigate to the feeder's settings.

2. Set desired feeding times and portion sizes (e.g., 10g per portion).
3. The feeder will automatically dispense food at the scheduled times.

Image: The PETLIBRO app displaying options to set feeding schedules and portion sizes.

4.2 Manual Feeding

You can dispense food instantly using the app's manual feeding option.

4.3 Two-Way Audio Communication

The feeder includes a microphone and speaker for real-time interaction with your pet.

- Use the app to speak to your pet.
- Record a 10-second voice message that plays at scheduled feeding times.

2.4GHz & 5GHzに対応

4.4 Video Monitoring (1080P HD Camera with Night Vision)

Monitor your pet with the built-in 1080P HD camera, featuring a 145° wide-angle view and infrared night vision.

- Access live video feed through the app anytime, anywhere.
- Night vision ensures clear visibility of your pet's activities even in low-light conditions.

アプリを利用して遠隔給餌

給餌スケジュールを簡単にカスタマイズ

4.5 Motion and Sound Detection

The feeder detects your pet's movements and sounds, automatically saving video clips and sending notifications.

- Receive smartphone notifications when motion or sound is detected.
- Video clips are automatically saved (requires a TF card, sold separately).

4.6 Food Level Monitoring

The feeder is equipped with a sensor to detect low food levels and prevent jamming.

- Receive notifications when the food level is low.
- An infrared sensor detects food jams and automatically stops feeding to prevent damage.
- A transparent window allows for quick visual inspection of food levels.

4.7 Sharing Device Access

You can share access to the feeder with up to 5 family members or friends through the app, allowing multiple users to monitor and feed your pet.

4.8 Video Storage Options

Video recordings can be stored locally or in the cloud.

- **TF Card:** Insert a TF card (up to 256GB, sold separately) into the feeder's base for local video storage.
- **Cloud Storage:** Easily upload videos to cloud storage via the app (subscription may be required).

5. MAINTENANCE

5.1 Cleaning

Regular cleaning ensures hygiene and proper function.

1. Disconnect the power adapter before cleaning.
2. The feeder lid, food tank, and food bowl are removable and washable. Hand wash these components with mild soap and water.
3. Ensure all parts are completely dry before reassembling and refilling with food.
4. Wipe the main unit with a damp cloth. Do not immerse the main unit in water.

5.2 Food Tank Refill

Refill the food tank promptly when the low food level notification is received or when visually inspecting the transparent window.

6. TROUBLESHOOTING

Issue	Possible Cause	Solution
Feeder not dispensing food	Food jam, empty tank, incorrect schedule, power issue.	Check food level, clear any jams in the dispenser, verify power connection, review feeding schedule in app.
Cannot connect to WiFi	Incorrect WiFi password, wrong app, network interference, feeder too far from router.	Ensure correct 'PETLIBRO' app is used, verify WiFi password, move feeder closer to router, ensure 2.4GHz or 5GHz network is selected correctly.
Camera image unclear or dark	Lens obstruction, poor lighting, night vision not active.	Clean camera lens, ensure adequate lighting, verify night vision is enabled in app if needed.
No motion/sound detection notifications	Detection sensitivity too low, notifications disabled, no TF card.	Adjust detection sensitivity in app, enable notifications, ensure TF card is inserted for video saving.

7. SPECIFICATIONS

Model Number	PLAF203 (PL-AF203-14W)
Capacity	5 Liters
Dimensions (L x W x H)	25 cm x 19 cm x 36 cm
Material	Stainless Steel (bowl), Other materials for main unit
Power Source	Corded Electric
WiFi Compatibility	2.4GHz & 5GHz
Camera Resolution	1080P HD
Camera Features	145° Wide-angle, Infrared Night Vision
Detection	Motion Detection, Sound Detection, Food Level Detection, Anti-Jam Sensor
Audio	Two-Way Talk, 10-second Voice Recording
Storage	TF Card (up to 256GB, not included), Cloud Storage (optional)
Recommended Use	Indoor
Target Species	Cats, Small Dogs
Care Instructions	Hand wash removable parts only
Color	White

8. WARRANTY & SUPPORT

8.1 Warranty Information

This product comes with a **2-year warranty** from the date of purchase. Please retain your proof of purchase for warranty claims. The warranty covers manufacturing defects and malfunctions under normal use. It does not cover damage caused by misuse, accidents, unauthorized modifications, or improper maintenance.

8.2 Customer Support

For technical assistance, troubleshooting, or warranty inquiries, please contact PETLIBRO customer support. Refer to the contact information provided on the product packaging or the official PETLIBRO website.

ASK A QUESTION ABOUT THIS MANUAL

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
