SETUP

1. Unboxing and Initial Inspection

Carefully remove all components from the packaging. Verify that all items listed in the "Included Components" section are present and undamaged. If any items are missing or damaged, please contact customer support.

2. Charging the Speaker

Before first use, fully charge the speaker. Connect the provided charging cable to the speaker's charging port and the other end to a compatible USB power source (e.g., a 5V DC USB adapter or computer USB port). The charging indicator light will illuminate during charging and turn off or change color once fully charged. A full charge provides up to 6 hours of playtime.

3. Attaching the Shoulder Strap

For enhanced portability, attach the removable shoulder strap to the designated attachment points on the speaker. Ensure the strap is securely fastened before carrying the speaker.

OPERATION

1. Power On/Off

Press and hold the Power button for approximately 3 seconds to turn the speaker on or off. A sound indicator will confirm the action.

2. Bluetooth Pairing

1. Ensure the speaker is powered on and in Bluetooth pairing mode. The Bluetooth indicator light will typically flash.
2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "VKX-3003-BK" from the list of found devices.
4. Once paired, the Bluetooth indicator light will become solid, and a confirmation sound may play.

The speaker has a maximum Bluetooth range of 10 meters (33 feet).

3. Audio Playback

After successful pairing, you can play audio from your connected device. Use your device's controls to manage playback (play, pause, skip tracks). The speaker delivers stereo audio output.

4. True Wireless Pairing (TWS)

If you have two Volkano X VKX-3003-BK speakers, you can pair them together for a true wireless stereo experience. Refer to the specific TWS pairing instructions provided with your speaker for detailed steps. This feature allows both speakers to play audio simultaneously from a single source.

5. Volume Control

Adjust the volume using the dedicated volume buttons on the speaker or directly from your connected device.

6. Call Handling

If your speaker has an integrated microphone, you can answer or end calls by pressing the Play/Pause button. Press and hold to reject an incoming call.

7. Water Resistance (IPX5)

The speaker is IPX5 water-resistant, meaning it can withstand splashes and light rain. It is not designed to be submerged in water. Ensure all port covers are securely closed before exposure to moisture.

MAINTENANCE

1. Cleaning

Wipe the speaker with a soft, dry cloth. Do not use abrasive cleaners, solvents, or harsh chemicals, as these may damage the surface or internal components. Ensure the speaker is powered off and disconnected from any power source before cleaning.

2. Storage

When not in use for extended periods, store the speaker in a cool, dry place away from direct sunlight and extreme temperatures. It is recommended to charge the battery periodically (e.g., every 3-6 months) to maintain battery health.

3. Battery Care

To maximize battery lifespan, avoid fully discharging the speaker frequently. Charge the speaker using only the provided cable and a compatible 5V DC power source. Do not attempt to replace the battery yourself.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Speaker does not power on.	Battery is depleted.	Charge the speaker fully using the provided cable.
Cannot pair with Bluetooth device.	Speaker is not in pairing mode; device Bluetooth is off; speaker is already paired to another device; device is out of range.	Ensure speaker is in pairing mode. Turn Bluetooth on your device. Disconnect from other devices. Move device closer to speaker (within 10 meters).
No sound or low volume.	Volume on speaker or device is too low; speaker is not properly paired; audio source issue.	Increase volume on both speaker and device. Re-pair the speaker. Check audio source on your device.
Sound distortion.	Volume too high; device too far from speaker; interference.	Reduce volume. Move device closer to speaker. Avoid sources of strong electromagnetic interference.

SPECIFICATIONS

Model Number	VKX-3003-BK
Brand	Volkano
Connectivity Technology	Bluetooth 5.1
