## Bewinner Bewinnerabwfqcggh8

### Bewinner Electric Nail Clipper and File 2-in-1: User Manual

Model: Bewinnerabwfqcggh8 | Brand: Bewinner

#### INTRODUCTION

Thank you for choosing the Bewinner Electric Nail Clipper and File. This innovative 2-in-1 device is designed to provide a safe, efficient, and convenient nail care experience for the entire family, including babies, children, and adults. Its features include automatic trimming and polishing, USB rechargeability, and a built-in nail scrap storage for cleanliness.

#### SAFETY INFORMATION

- Keep out of reach of infants and young children when not in use.
- Do not disassemble or attempt to repair the device yourself. Contact customer support for assistance.
- Avoid contact with water or other liquids to prevent electric shock or damage.
- Ensure the device is fully charged before first use to optimize battery life.
- Do not force the device onto nails; allow it to trim gently.
- If you experience any discomfort or irritation, discontinue use immediately.

#### PRODUCT OVERVIEW

The Bewinner Electric Nail Clipper combines a nail trimmer and a nail file into a single compact unit. It features a USB-C charging port, two-speed settings, and an auxiliary light for enhanced visibility.

### **SETUP**

#### **Charging the Device**

1. Locate the USB Type-C charging port on the device.
2. Connect the provided USB Type-C cable to the device and a compatible USB power source (e.g., computer, power bank, car charger).
3. The indicator light will show charging status. A full charge allows for approximately 4 hours of continuous use or over 40 trimming sessions, with a standby time of up to six months.

## OPERATING INSTRUCTIONS

### Trimming Nails

1. Ensure the device is charged.
2. Press and hold the power button to turn on the device. The auxiliary light will illuminate, providing clear visibility of the nail.
3. Gently insert your fingernail into the trimming slot. The curved fit and recessed blades are designed to separate fingertips and nails safely.
4. The device will automatically trim the nail. Do not apply excessive pressure.
5. The device features two-speed settings. Tap the power button to switch between speeds, suitable for both adults and children.
6. Nail scraps are collected in the internal storage compartment.

## **Auxiliary lightin**

**Trimming in low light**

**Image:** The electric nail clipper with its auxiliary light activated, demonstrating how it aids in trimming nails in low-light conditions for better visibility.

## Two speeds

Both adults and children can use it

**Image:** Illustration of the two-speed settings available on the electric nail clipper, indicating suitability for both adults and children.

# Automatic Grinding

**Image:** A hand using the electric nail clipper for automatic nail trimming, showing the ease of use and the device's ergonomic design.

## Polishing Nails

1. After trimming, use the integrated nail polishing head to smooth the edges of your nails.
2. Gently press your nail against the polishing head. The automatic grinding feature will ensure a smooth finish, reducing the risk of nail piercing the skin.

**Image:** A hand using the electric nail clipper's automatic grinding feature to polish nails, resulting in a smooth and refined finish.

## MAINTENANCE

### Cleaning the Device

1. After each use, slide open the nail scrap storage compartment.
2. Use the provided cleaning brush to remove any accumulated nail scraps from the compartment and the trimming blades.
3. Close the compartment securely.
4. Wipe the exterior of the device with a dry, soft cloth. Do not use water or harsh chemicals.
