

## UGREEN 30W USB C Charger Bundle

# UGREEN 30W USB C Charger and 60W Cable Bundle Instruction Manual

Model: 30W USB C Charger Bundle

## 1. INTRODUCTION

This instruction manual provides essential information for the safe and efficient use of your UGREEN 30W USB C Charger and 60W USB C to C Nylon Braided Cable bundle. Please read this manual thoroughly before using the product and retain it for future reference.

The UGREEN 30W USB C Power Adapter is designed for fast charging compatible devices, utilizing GaN II technology for a compact form factor. The included 60W USB C to C Nylon Braided Cable supports Power Delivery for efficient power transfer.

## 2. PACKAGE CONTENTS

- 1 x UGREEN 30W USB C Power Adapter
- 2 x UGREEN 60W USB C to C Nylon Braided Cables (3.3ft / 1 meter each)

### 3. SAFETY INFORMATION

---

- Do not expose the charger or cables to liquids, moisture, or extreme temperatures.
- Avoid dropping or subjecting the product to strong impacts.
- Do not attempt to disassemble, repair, or modify the product.
- Ensure the power outlet voltage is compatible with the charger's input specifications.
- Keep out of reach of children.
- Unplug the charger from the power outlet when not in use or during electrical storms.

### 4. SETUP

---

1. **Unpack the Components:** Carefully remove the UGREEN 30W USB C Power Adapter and the 60W USB C to C Nylon Braided Cables from their packaging.
2. **Inspect for Damage:** Before use, visually inspect the charger and cables for any signs of damage. Do not use if any damage is observed.
3. **Connect the Cable:** Insert one end of the UGREEN USB C to C cable into the USB-C port of the 30W power adapter.
4. **Plug into Power Outlet:** Extend the foldable prongs of the power adapter and plug it securely into a standard wall power outlet.
5. **Connect to Device:** Insert the other end of the USB C to C cable into the charging port of your compatible device (e.g., smartphone, tablet, laptop).

## 5. OPERATING INSTRUCTIONS

---

The UGREEN 30W USB C Charger and 60W Cable bundle is designed for efficient and fast charging of a wide range of USB-C compatible devices.

- **Fast Charging:** The 30W power adapter supports Power Delivery (PD) for rapid charging. For example, it can charge an iPhone 15 Pro Max from 0% to 55% in approximately 30 minutes. When charging Samsung devices, a "super fast charging" indicator may appear at the start of the charging cycle.
- **Cable Performance:** The included 60W USB C to C cables are designed to support Power Delivery up to 60W, enabling fast charging for devices like the iPhone 15 (up to 60% in 30 minutes) or a MacBook Air 2022 (up to 50% in 30 minutes).
- **Compatibility:** This charging solution is compatible with various devices including:
  - Smartphones: iPhone 15/15 Pro, Samsung Galaxy S24/S23/S22/Z Fold/Z Flip, Google Pixel, LG G8/7, HUAWEI Series.
  - Tablets: iPad Pro/Mini 6/Air, Samsung Galaxy Tab S8.
  - Laptops: MacBook Air/Pro, Dell XPS, Elitebook, Zbook.
  - Other Devices: Nintendo Switch, Surface Go 3, Kindle e-reader, DJI Mini 3 Pro, Apple Vision Pro battery.

The advertisement features a dark blue background with glowing light effects. At the top, a UGREEN 60W USB C cable is connected to an iPhone 15. Below this, the text '60W' is displayed in large, glowing blue letters. Underneath '60W', the text 'Charge iPhone 15 to 60% in 30Min' is written in white. In the center, another UGREEN 60W USB C cable is shown, with its connector resting on an iPad Pro 2022. At the bottom, there are two rounded rectangular boxes. The left box contains an icon of an iPad Pro 2022 with a green battery level indicator, followed by the text '60Min ⚡', '0-73%', and 'iPad Pro 2022'. The right box contains an icon of a MacBook Air 15.3" with a green battery level indicator, followed by the text '60Min ⚡', '0-78%', and 'Macbook Air 15.3"'. The UGREEN logo is visible on the connectors of both cables.

## 6. MAINTENANCE

- **Cleaning:** Disconnect the charger from the power outlet and your device before cleaning. Use a soft, dry cloth to wipe the surfaces. Do not use liquid cleaners or aerosols.
- **Storage:** Store the charger and cables in a cool, dry place away from direct sunlight and extreme temperatures. The foldable plug design of the adapter makes it convenient for travel and storage.
- **Cable Care:** Avoid sharp bends or kinks in the cables. The nylon braided design enhances durability, tested to withstand over 10,000 bends and plug/unplug cycles. Integrated laser-welded connectors

help prevent disconnection or cable breakage.

- **Regular Inspection:** Periodically check the charger and cables for any signs of wear, fraying, or damage. Replace immediately if any damage is found.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Device not charging.	<ul style="list-style-type: none"><li>◦ Loose connection.</li><li>◦ Faulty cable or charger.</li><li>◦ Incompatible device.</li><li>◦ Power outlet issue.</li></ul>	<ul style="list-style-type: none"><li>◦ Ensure both ends of the cable are securely connected.</li><li>◦ Try a different cable or charger if available.</li><li>◦ Verify your device is USB-C compatible and supports the charging wattage.</li><li>◦ Test the power outlet with another device.</li></ul>
Slow charging.	<ul style="list-style-type: none"><li>◦ Device not supporting fast charging.</li><li>◦ Background apps consuming power.</li><li>◦ Cable or charger not delivering full power.</li></ul>	<ul style="list-style-type: none"><li>◦ Confirm your device supports Power Delivery (PD) for fast charging.</li><li>◦ Close unnecessary applications on your device.</li><li>◦ Ensure the cable and charger are UGREEN originals and undamaged.</li></ul>
Charger feels warm.	<ul style="list-style-type: none"><li>◦ Normal operation during fast charging.</li><li>◦ Overload or poor ventilation.</li></ul>	<ul style="list-style-type: none"><li>◦ A slight warmth is normal. If it becomes excessively hot, disconnect immediately.</li><li>◦ Ensure the charger is in a well-ventilated area and not covered.</li></ul>

If the issue persists after trying these solutions, please contact UGREEN customer support.
