2. SAFETY INFORMATION

- **Small Parts Warning:** This set contains numerous small parts which may pose a choking hazard. Keep out of reach of children under 3 years of age.
- **Recommended Age:** This building set is recommended for ages 14 and up due to its complexity and the small size of the blocks.
- **Material Safety:** The blocks are made from high-quality, non-toxic plastic. However, do not ingest any parts.
- **Handling:** Handle blocks with care to avoid loss. Keep them in a clean, dry environment.

Important Note: The micro blocks in this product are significantly smaller than standard building blocks and are completely incompatible with them.

3. PACKAGE CONTENTS

Upon opening the package, please verify that all components are present. The set includes:

- Approximately 2351 Micro Mini Building Blocks (various shapes and colors)
- Detailed Instruction Manual (printed)

All pieces are sorted and packaged by machine. While strict inspections are performed, if you find any missing pieces, please refer to the "Troubleshooting and Support" section for assistance.

4. ASSEMBLY INSTRUCTIONS

Building the Petronas Twin Towers model requires careful attention to detail due to the micro size of the blocks. Follow the steps outlined in the included printed instruction manual.

1. **Preparation:** Clear a well-lit, flat, and stable workspace. Organize your blocks by color or type if desired, though the printed manual typically guides step-by-step.

2. **Follow the Printed Manual:** Refer to the large-sized, beautifully printed instruction manual provided in the box. Each step is clearly illustrated to guide you through the assembly process.
3. **Step-by-Step Construction:** Assemble the model section by section, ensuring each block is securely fitted. The blocks are designed for a tight fit to maintain structural integrity.
4. **Patience is Key:** Due to the intricate nature and small size of the micro blocks, assembly requires patience. Take your time to ensure accuracy.
5. **Enjoy the Process:** Building this architectural model is a rewarding experience. Enjoy the challenge and the satisfaction of seeing the landmark come to life.

5. OPERATING AND DISPLAY

Once assembled, your Petronas Twin Towers model is ready for display.

- **Display:** Place your finished model on a stable, flat surface away from direct sunlight, excessive heat, or humidity to preserve its condition.
- **Collectible Item:** This model is designed as a collectible and decorative item. While durable, it is not intended for rough play.
- **Modular Design:** The modular nature of the model allows for various display positions and can facilitate

easier transport if needed.

6. MAINTENANCE

To keep your Petronas Twin Towers model in excellent condition:

- **Cleaning:** Gently dust the model with a soft, dry cloth or a soft brush. Avoid using water or chemical cleaners, as these may damage the plastic or cause discoloration.
- **Storage:** If disassembling for storage, keep all blocks in a sealed container to prevent loss and protect them from dust.
- **Environmental Conditions:** Store and display the model in a stable indoor environment. Extreme temperatures or humidity can affect the plastic over time.

7. TROUBLESHOOTING AND SUPPORT

Missing Pieces

All pieces in JOMIOD products are sorted and packaged by machine after multiple strict inspections. However, in the rare event that your set is missing pieces:

- Please contact JOMIOD customer support directly.
- Provide details of the missing parts, referring to the part numbers or illustrations in your printed instruction manual.
- JOMIOD will send the missing pieces to you free of charge.

General Assembly Issues

- If you encounter difficulty fitting blocks, ensure they are correctly oriented and aligned. Micro blocks require precise placement.
- Double-check the steps in the printed instruction manual if a section does not seem to fit or align properly.
