JOMIOD Big Ben (YZ058)

JOMIOD Micro Mini Blocks Big Ben Model Set Instruction Manual

Model: Big Ben (YZ058)

1. INTRODUCTION

Thank you for choosing the JOMIOD Micro Mini Blocks Big Ben Famous Landmark Model Set. This set allows you to construct a detailed replica of the iconic Big Ben clock tower and surrounding architecture using micro-sized building blocks. This manual provides essential information and step-by-step guidance to ensure a successful and enjoyable building experience.

Please read all instructions carefully before beginning assembly and keep this manual for future reference.

2. SAFETY INFORMATION

- **Small Parts Warning:** This product contains small parts which may pose a choking hazard. Not suitable for children under 3 years.
- **Recommended Age:** This building set is recommended for ages 14 years and up due to the intricate nature and small size of the blocks.
- **Adult Supervision:** Adult supervision is recommended during assembly, especially for younger builders.
- **Handling:** Handle blocks with care to avoid loss or damage.

3. PACKAGE CONTENTS

Your JOMIOD Micro Mini Blocks Big Ben Model Set package should contain the following:

- Approximately 1641 Micro Building Blocks (various shapes and colors)
- Detailed Instruction Manual (this document or a printed version)
- Packaging Box

Please verify all contents upon opening the package. If any pieces are missing, refer to the "Troubleshooting" section.

4. ASSEMBLY INSTRUCTIONS

Assembling the Big Ben model requires patience and attention to detail. Follow the steps outlined in the included printed instruction manual carefully. The micro blocks are designed for a tight fit, ensuring a stable and detailed final model.

1. **Preparation:** Unpack all components. It is recommended to sort the blocks by color and shape to facilitate easier assembly.
2. **Follow the Manual:** Refer to the large-sized, beautifully printed instruction manual provided in the box. Each step is illustrated to guide you through the construction process.
3. **Layer by Layer:** Building typically progresses layer by layer, starting from the base and working upwards. Pay close attention to the orientation of each block.
4. **Secure Connections:** Ensure each block is firmly pressed into place to create secure connections.
5. **Patience is Key:** Due to the micro size of the blocks, some steps may require more precision. Take your time and enjoy the building process.

5. DISPLAY AND HANDLING

Once assembled, your JOMIOD Big Ben model is a detailed display piece. To ensure its longevity and appearance:

- **Placement:** Display the model on a stable, flat surface away from direct sunlight, excessive heat, or humidity to prevent material degradation or discoloration.
- **Handling:** When moving the model, support it from the base to prevent individual sections or blocks from detaching.
- **Avoid Impact:** Protect the model from accidental bumps or falls, which could cause structural damage.

6. MAINTENANCE

To keep your Big Ben model looking its best:

- **Cleaning:** Gently dust the model regularly with a soft, dry brush or a microfiber cloth. Avoid using abrasive cleaners or excessive moisture.
- **Storage:** If disassembling for storage, keep all blocks in a sealed container to prevent loss and protect them from dust.

7. TROUBLESHOOTING

Missing Pieces:

All pieces are sorted and packaged by machine. While strict inspections are performed, if you find that your set is missing pieces, please contact JOMIOD customer support directly. Provide details of the missing parts, and they will arrange to send the necessary pieces to you free of charge.

Assembly Difficulties:

- **Review Instructions:** Double-check the instruction manual for the specific step you are on. Ensure all blocks are oriented correctly.
- **Block Placement:** Confirm that blocks are fully pressed into place. Micro blocks require a firm connection.
- **Take a Break:** If frustrated, take a short break and return to the assembly with fresh eyes.
