Suite Bebe 28570-RAP

Suite Bebe Grayson Full Bed Conversion Kit Instruction Manual

Model: 28570-RAP

1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use of the Suite Bebe Grayson Full Bed Conversion Kit. Keep this manual for future reference.

- Always follow the assembly instructions precisely. Improper assembly can lead to hazards.
- Ensure all fasteners are securely tightened before use. Periodically check and re-tighten fasteners as needed.
- Do not substitute parts. Use only original Suite Bebe replacement parts.
- This conversion kit is designed to convert the Suite Bebe Grayson crib into a full-size bed. Do not use with other crib models.
- Keep small parts away from children during assembly.
- The finishes used on this product are non-toxic and nursery safe.

2. PACKAGE CONTENTS

Verify that all components listed below are present before beginning assembly. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- Full-size bed rails (2)
- Support slats (quantity may vary)
- Hardware pack (bolts, washers, nuts, Allen wrench)

3. SETUP INSTRUCTIONS

This section details the steps required to convert your Suite Bebe Grayson crib into a full-size bed using the conversion kit.

1. **Prepare the Crib:** Disassemble the front and back panels of your Suite Bebe Grayson crib. Retain the headboard and footboard sections of the crib, as these will form the headboard and footboard of your new full-size bed.
2. **Attach Bed Rails to Headboard:** Align one end of a full-size bed rail with the pre-drilled holes on the headboard (original crib headboard). Insert the provided bolts through the holes and secure them with washers and nuts using the Allen wrench. Do not fully tighten yet. Repeat for the second bed rail on the opposite side of the headboard.
3. **Attach Bed Rails to Footboard:** Align the open ends of the bed rails with the pre-drilled holes on the footboard (original crib footboard). Insert the provided bolts through the holes and secure them with washers and nuts.
4. **Tighten All Fasteners:** Once all bed rails are in place, carefully go around and fully tighten all bolts and nuts. Ensure the frame is stable and secure.
5. **Install Support Slats:** Place the support slats across the bed rails, evenly spaced, to create a stable foundation for the mattress. Secure the slats to the bed rails using the provided hardware, if applicable.
6. **Place Mattress:** Position a standard full-size mattress onto the installed support slats.

4. OPERATING INSTRUCTIONS

The Suite Bebe Grayson Full Bed Conversion Kit transforms your crib into a stable full-size bed. Once assembled, the bed functions as a standard full-size bed frame.

- Ensure the mattress fits snugly within the bed frame to prevent gaps.
- Regularly inspect the bed frame for any loose connections or signs of wear.
- Do not allow jumping on the bed, as this can stress the frame and lead to damage.

5. MAINTENANCE

Proper care will extend the life and appearance of your Suite Bebe Grayson Full Bed Conversion Kit.

- **Cleaning:** Wipe the surfaces with a damp cloth. Avoid using abrasive cleaners or strong chemicals, as these can damage the finish.
- **Inspection:** Periodically check all bolts and connections to ensure they remain tight. Re-tighten if necessary.
- **Storage:** If disassembling for storage, keep all hardware in a secure bag to prevent loss. Store components in a dry, temperate environment.

6. TROUBLESHOOTING

Refer to the table below for common issues and their solutions.

Problem	Possible Cause	Solution
Bed feels wobbly or unstable	Loose fasteners	Check and tighten all bolts and nuts securely.
Parts do not align during assembly	Incorrect orientation of parts or wrong hardware used	Review the assembly instructions to ensure parts are oriented correctly. Verify that the correct hardware is being used for each step.
Missing hardware or damaged parts	Shipping error or manufacturing defect	Do not proceed with assembly. Contact Suite Bebe customer support for replacement parts.

7. SPECIFICATIONS

Feature	Detail
Brand	Suite Bebe
Model Number	28570-RAP
Size	Full
Color	Rustic Alpine
Material	Wood
Product Dimensions	55.5"W x 5"H (Bed Rails)
Item Weight	30 Pounds
Adjustable Length	No
GTIN/UPC	723175375857
Manufacturer	Nestora Brands, LLC

8. WARRANTY INFORMATION

Suite Bebe products are manufactured with quality and care. For specific warranty details regarding your Grayson Full Bed Conversion Kit, please refer to the warranty card included with your original purchase or visit the official Suite Bebe website.
