Amazfit Bip 5

Amazfit Bip 5 Smart Watch User Manual

Model: Bip 5 | Brand: Amazfit

1. INTRODUCTION

The Amazfit Bip 5 Smart Watch is designed to enhance your daily life with advanced health and fitness tracking capabilities, smart notifications, and convenient communication features. This manual provides essential information to help you set up, operate, and maintain your device effectively.

Key features include a large high-resolution display, built-in Alexa, GPS, Bluetooth calling, and a long-lasting battery.

2. SETUP

2.1 Unboxing and Initial Charge

Upon unboxing, you will find the Amazfit Bip 5 Smart Watch, a user manual, and a charging cable. Before first use, fully charge your device.

- Connect the charging cable to the charging contacts on the back of the watch.
- Plug the USB end of the cable into a compatible USB power adapter (not included) or a computer's USB port.
- The watch display will indicate charging status.

It is recommended to use a standard USB power adapter for optimal charging.

2.2 App Download and Pairing

To unlock the full potential of your Amazfit Bip 5, download the Zepp app on your smartphone.

1. Scan the QR code in the manual or on the watch screen, or search for "Zepp" in your phone's app store (Apple App Store for iOS, Google Play Store for Android).
2. Install and open the Zepp app.

3. Create an account or log in.
4. In the Zepp app, go to "Profile" > "My Devices" > "Add device" > "Watch" > "Watch with a QR code".
5. Scan the QR code displayed on your Amazfit Bip 5 screen with your phone's camera.
6. Follow the on-screen prompts on both your phone and watch to complete the pairing process.

Ensure your phone's Bluetooth is enabled during pairing.

3. FEATURES

3.1 Large Display

The Amazfit Bip 5 features a large 1.9-inch high-resolution screen with enhanced color and anti-fingerprint glass. The curved face ensures a natural and comfortable fit on your wrist.

24-HOUR HEALTH MONITORING

Test 3 Health Metrics in 1 Tap

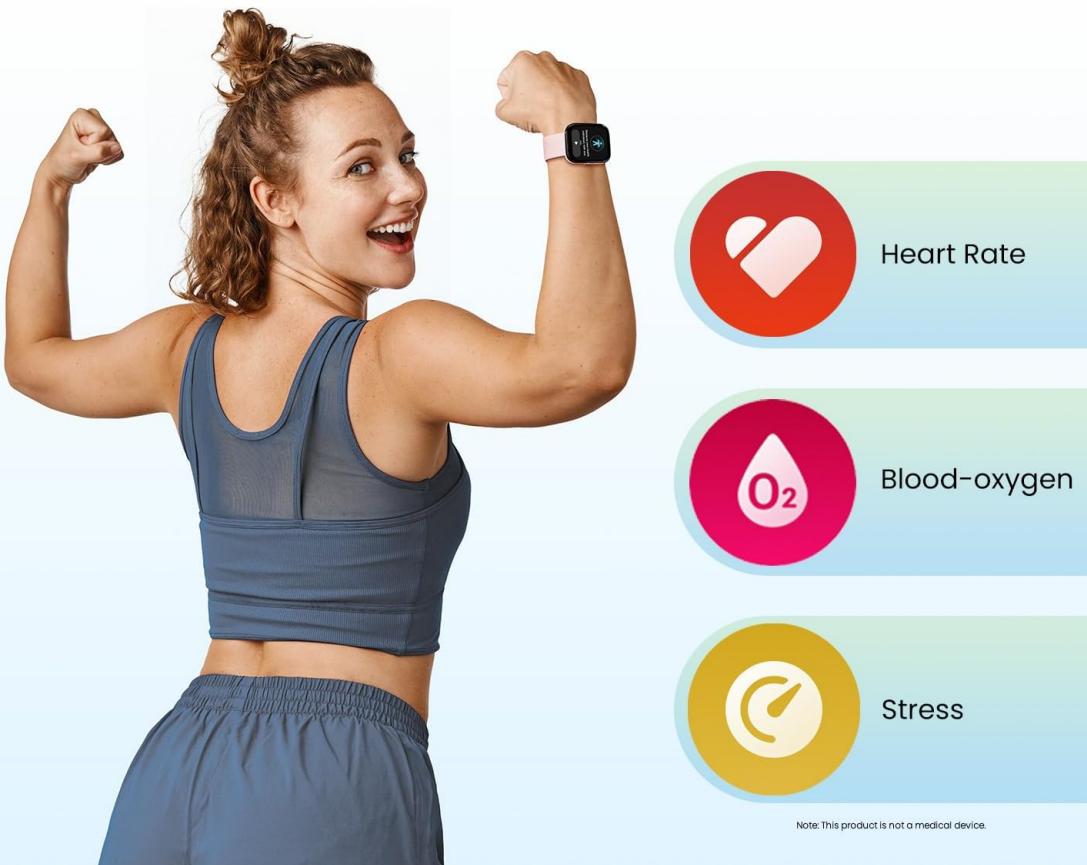

Image: Amazfit Bip 5 Smart Watch displaying time, date, steps, and other health metrics on its large 1.9-inch screen.

3.2 Health Monitoring

The watch provides reliable 24-hour health monitoring, including heart rate, blood oxygen, and stress level tracking. It also offers detailed sleep quality analysis, sedentary reminders, and can track

daytime naps.

3.4 Bluetooth Calling and Alexa

With built-in speakers and microphone, you can answer or make outgoing calls directly from your Bip 5 via Bluetooth connectivity. The integrated Amazon Alexa voice assistant allows you to set alarms, check weather, get translations, and control smart home devices.

3.5 Watch Faces and Customization

Personalize your watch with over 70 watch faces, or use your own custom photo background. Easily change the look and information displayed to suit your preferences.

3.6 Long Battery Life

The Amazfit Bip 5 offers up to 10 days of battery life with typical usage, and up to 30 days in battery saver mode, minimizing the need for frequent recharging.

4. OPERATING THE WATCH

4.1 Basic Navigation

- **Swipe Up/Down:** Scroll through notifications, quick settings, or widgets.
- **Swipe Left/Right:** Access different widgets or quick access cards.
- **Press Side Button:** Wake up the screen, return to the home screen, or open the app list. A long press can be customized for a quick action.
- **Tap:** Select an item or open an app.

4.2 Health Monitoring Access

From the home screen, swipe to the dedicated health monitoring widget or open the app list and select the desired health metric (e.g., Heart Rate, Blood Oxygen, Stress) to view real-time data or initiate a measurement.

4.3 Starting a Workout

Open the app list and select "Workout". Choose your desired sports mode (e.g., Outdoor Running, Walking). Wait for GPS positioning (if applicable) and then tap "GO" to start your workout. The watch will track your activity and display real-time data.

5. MAINTENANCE

- **Cleaning:** Regularly clean your watch and strap with a soft, damp cloth. Avoid harsh chemicals.
- **Drying:** Ensure the watch is completely dry after exposure to water or sweat to prevent skin irritation and maintain device longevity.
- **Charging:** Use only the provided charging cable. Avoid exposing the charging contacts to liquids or debris.
- **Storage:** Store the watch in a cool, dry place when not in use.

6. TROUBLESHOOTING

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger and wait a few minutes.
- **Cannot pair with phone:** Ensure Bluetooth is enabled on your phone and the watch is within range. Restart both devices and try pairing again.
- **Inaccurate heart rate/GPS:** Ensure the watch is worn snugly on your wrist, slightly above the wrist bone. For GPS, ensure you are in an open outdoor area.
- **Notifications not received:** Check notification settings in the Zepp app and your phone's system settings to ensure permissions are granted.

7. SPECIFICATIONS

Feature	Detail
Model Number	W2215US4N-REF
