HopePow USB Type C to 3.5mm Headphone and Charger Adapter User Manual

Model: 1c47d7ab-2bf4-4a5d-96c7-d42b53736732

INTRODUCTION

This manual provides instructions for the HopePow 2-in-1 USB Type C to 3.5mm Headphone and Charger Adapter. This device allows simultaneous audio output through a 3.5mm jack and power delivery charging via a USB-C port for compatible devices.

Figure 1: HopePow USB Type C to 3.5mm Headphone and Charger Adapter. This image shows the green braided cable with a USB-C male connector on one end and two female ports (one 3.5mm audio jack and one USB-C charging port) on the other end.

SETUP AND CONNECTION

The HopePow 2-in-1 adapter is designed for easy plug-and-play operation. No software installation or complex setup is required.

1. **Connect to Device:** Insert the USB-C male connector of the adapter into the USB-C port of your compatible smartphone, tablet, or laptop.
2. **Connect Headphones:** Plug your 3.5mm wired headphones or auxiliary cable into the 3.5mm audio jack on the adapter.
3. **Connect Charger (Optional):** For simultaneous charging, connect a USB-C charging cable from a power source (e.g., wall adapter) to the USB-C charging port on the adapter.

Figure 2: Adapter in use, demonstrating connection to a smartphone for both audio output and charging. The image highlights the adapter's ability to handle calls, music listening, wire control, microphone input, Hi-Fi audio, and charging simultaneously.

OPERATION AND FEATURES

This 2-in-1 adapter provides both audio and charging functionalities for your USB-C enabled devices.

- **Simultaneous Audio and Charging:** Listen to music, play games, make calls, or watch videos while your device charges.
- **High-Quality Audio:** Features a built-in DAC (Digital-to-Analog Converter) chip supporting 24bit/96kHz stereo quality for clear audio transmission. It supports both CTIA and OMTP 3.5mm headphone jack standards.
- **Fast Charging Support:** The adapter supports fast charging. For optimal charging speeds, it is recommended to use a PD (Power Delivery) compatible wall charger.
- **No Data Transfer:** Please note that this adapter does not support data transfer.

Support High-quality Transmission of Audio Signal

CARE AND MAINTENANCE

To ensure the longevity and optimal performance of your HopePow adapter, follow these care guidelines:

- **Storage:** Store the adapter in a clean, dry place away from extreme temperatures.
- **Cleaning:** Use a soft, dry cloth to clean the adapter. Avoid using liquid cleaners or abrasive materials.
- **Handling:** Avoid excessive bending or pulling on the cable to prevent damage to the internal wires and connectors. The nylon braided material provides enhanced durability.
- **Connector Protection:** The connector heads are designed with good resistance to heat and corrosion.

High-quality and Durable

Double-braided
Nylon

Sleek Aluminium
Shell

Built-in DAC Chip

Figure 6: Illustration of the adapter's high-quality and durable construction, featuring double-braided nylon, a sleek aluminum shell, and a built-in DAC chip.

TROUBLESHOOTING

If you encounter issues with your adapter, please refer to the following common solutions:

- **No Audio Output:**

- Ensure the adapter is fully inserted into your device's USB-C port.
- Verify your headphones are properly connected to the 3.5mm jack.
- Check your device's audio settings to ensure output is directed to the adapter.

- **No Charging:**

- Confirm the charging cable and power source are functional.
- Ensure the charging cable is securely connected to the adapter's USB-C charging port.

- Use a PD-compatible wall charger for fast charging.

- **Calling/Music Control Issues:**

- **Important Note:** If your USB-C device already has a built-in 3.5mm audio port (e.g., Samsung Galaxy S9/S8/Note 9/Note 8/S10, iPad Pro 11", iPad Pro 12.9"), this adapter may not support calling or music control functions.
- The adapter is not compatible with iPhone devices using a Lightning (LTG) port or Moto Z.
- For iPad Pro 2018, phone call and music control are not supported.

- **Intermittent Playback/Volume Issues (Specific to Google Pixel 8 Pro):**

- Some users have reported issues with music apps playing/pausing constantly and volume changing automatically when using this adapter with Google Pixel 8 Pro devices. If you experience this, the adapter may not be fully compatible with your specific Pixel 8 Pro unit.

SPECIFICATIONS

Model Number	1c47d7ab-2bf4-4a5d-96c7-d42b53736732
Brand	HopePow
Color	Green
Connector Type	USB Type C (Male) to 3.5mm Audio Jack (Female) and USB Type C (Female) Charging Port
Material	Nylon Braided Cable, Aluminum Shell
Length	0.18m (0.6ft)
Audio Quality	Built-in DAC Chip, 24bit/96kHz Stereo
Charging Support	PD 60W Fast Charging (with compatible charger)
Data Transfer	Not Supported
Item Weight	0.317 ounces
Package Dimensions	5.83 x 4.21 x 0.51 inches
Manufacturer	Shenzhen Chuang Wei Da Technology Co.,LTD

SUPPORT

For any questions or concerns regarding your HopePow USB Type C to 3.5mm Headphone and Charger Adapter, please contact HopePow customer support. We aim to respond to inquiries within 24 hours.
