Hzuaneri CS90200G

Hzuaneri CS90200G 5-Tier Gold Corner Shelf Instruction Manual

PRODUCT OVERVIEW

The Hzuaneri CS90200G is a 5-tier corner shelf designed to maximize space and provide storage in various rooms. It features a sturdy steel frame with a gold finish and tempered glass shelves. The design incorporates rounded edges for safety and a modern aesthetic.

This versatile unit can be utilized in living rooms, bedrooms, bathrooms, entryways, and offices. Its compact corner design makes it suitable for small apartments or homes, effectively using otherwise unused corner spaces.

SAFETY INFORMATION

For optimal stability and safety, it is recommended to secure the corner shelf to the wall using the included anti-tip kit. This prevents accidental tipping, especially in households with children or pets. The shelves feature rounded edges to minimize the risk of scratches or injury.

PACKAGE CONTENTS

Please verify that all components are present before beginning assembly:

- Steel frame components
- Tempered glass shelves (5 units)
- Assembly kit (screws, tools)
- Anti-tip kit
- Instruction manual

SETUP INSTRUCTIONS

Assembly of the Hzueneri CS90200G corner shelf is designed to be straightforward. Follow the detailed

instructions provided in the included assembly manual. Typically, assembly involves connecting the steel frame components and then placing the tempered glass shelves into position. The unit is equipped with 5 adjustable feet to ensure stability on uneven surfaces.
