Armocity B0CMZZBXMQ

Armocity 53-inch Gaming Computer Desk with Hutch and LED Lights

MODEL: B0CMZZBXMQ

Introduction

Thank you for choosing the Armocity 53-inch Gaming Computer Desk. This manual provides essential information for the proper assembly, operation, maintenance, and troubleshooting of your new desk. Please read these instructions carefully before beginning assembly and retain them for future reference.

Figure 1: Fully assembled Armocity Gaming Computer Desk.

Product Features

- **Ample Table Space:** The 53-inch carbon fiber surface provides generous room for gaming equipment, monitors, and other accessories.
- **Integrated Storage:** Features a hutch with storage shelves and an additional DIY pegboard with 4 S-hooks for organization.
- **Ergonomic Design:** An ergonomic arch on the front edge allows for comfortable arm placement. A raised monitor stand helps reduce neck strain.
- **Reversible Configuration:** The side rack underneath the desk can be installed on either the left or right side to suit user preference. The headphone hanger can also be mounted on either side.
- **Integrated Power Outlets and USB Ports:** A built-in charging tower includes 3 AC outlets (120V/12A) and 2 USB ports (5V/2.4A) for convenient power access.
- **RGB LED Lighting:** Features RGB LED lights with static and 20 dynamic modes to enhance the gaming atmosphere.
- **Durable Construction:** Built with Z-form legs and cross members for enhanced stability and a sturdy structure.

Package Contents

Upon unpacking, please ensure all parts and hardware are present and undamaged. Refer to the separate assembly instructions provided in the package for a detailed list of components and their identification. If any parts are missing or defective, please contact customer service.

Setup Instructions

Assembly of the Armocity Gaming Computer Desk is designed to be straightforward. Follow the step-by-step instructions and diagrams included in your product packaging. Pay close attention to the details and hole alignments for each piece.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Frame:** Begin by assembling the metal Z-shaped legs and connecting cross members as per the diagrams. Ensure all screws are tightened securely.
3. **Attach Desktop:** Secure the carbon fiber desktop to the assembled frame.

4. **Install Hutch and Shelves:** Attach the hutch and storage shelves to the main desk structure. The pegboard is integrated into the hutch.
5. **Position Monitor Stand:** Place the raised monitor stand on the desktop. It is designed to be movable for optimal positioning.
6. **Install Side Rack:** Decide whether to install the reversible side rack on the left or right side of the desk based on your setup needs.
7. **Attach Headphone Hanger:** Mount the headphone hanger on either side of the desk.
8. **Connect Power Outlets and LED Lights:** Integrate the charging tower into its designated slot on the desktop. Connect the LED light strip to the hutch and plug it into the charging tower or a separate power source.

Operating Instructions

- **LED Lights:** The RGB LED lights can be controlled via a remote control (if included) or a dedicated app (if supported). Select from static colors or 20 dynamic modes to customize your lighting.
- **Power Outlets:** Use the 3 AC outlets and 2 USB ports on the charging tower to power and charge your electronic devices. Ensure devices are compatible with the provided voltage and amperage.

Figure 4: Integrated power outlets and USB ports for convenient charging.

Maintenance

- **Cleaning:** Wipe the carbon fiber surface and metal frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **LED Lights:** If the LED lights become dusty, gently wipe them with a dry, soft cloth. Do not immerse them in water.

Troubleshooting

Problem	Possible Cause	Solution
Desk is wobbly or unstable.	Loose fasteners; uneven floor.	Ensure all screws are fully tightened. Adjust leveling feet (if present) or place shims under legs on uneven surfaces.

Problem	Possible Cause	Solution
LED lights are not working.	Power connection issue; remote control battery dead; light strip damage.	Check if the LED strip is properly plugged into a power source. Replace remote control batteries. If still not working, contact customer service.
Power outlets are not providing power.	Charging tower not plugged in; circuit breaker tripped.	Ensure the desk's main power cord is securely plugged into a functional wall outlet. Check your home's circuit breaker.

For issues not listed here or if solutions do not resolve the problem, please contact Armocity customer service for assistance.

Specifications

- **Product Dimensions (D x W x H):** 20.5" x 53" x 54.5"
- **Color:** Carbon Fiber Black
- **Top Material:** Carbon Fiber
- **Base Material:** Metal
- **Maximum Weight Recommendation:** 150 Kilograms
- **Included Components:** Built-in Outlet, Built-in USB Port, Headphone Hook, Hutch, Keyboard Tray
- **Power Outlets:** 3 AC Outlets (120V/12A)
- **USB Ports:** 2 USB Spots (5V/2.4A)
- **Power Cord Length:** 6.57 FT
