T4TREAM Fluted 6 Drawers Dresser

T4TREAM Fluted 6 Drawers Dresser Instruction Manual

Model: Fluted 6 Drawers Dresser

Brand: T4TREAM

1. PRODUCT OVERVIEW

The T4TREAM Fluted 6 Drawers Dresser is designed to provide elegant storage for your bedroom or living space. It features a distinctive wave-like fluted panel design, a dark gray faux marble top with milky-toned stone veins, and smooth curved edges for safety. Constructed from FSC-Certified wood, optimal MDF, and P2 engineered wood, this dresser is built for stability and durability. The fluted panels utilize blister molding technology, and the faux marble top is melamine veneered, ensuring water resistance and easy maintenance. A steel support at the base further reinforces the cabinet's stability.

Product Dimensions

Please expect color variance between actual product and photos due to different lighting conditions and online viewing device settings.

2. SAFETY INFORMATION

- **Anti-Tip Kit:** Always install the included anti-tip kit to prevent accidental tipping, especially in households with children.
- **Weight Limits:** Do not exceed the maximum weight capacity for the dresser top or individual drawers. Distribute weight evenly.
- **Placement:** Place the dresser on a level, stable surface. Avoid placing it near heat sources or in direct sunlight to prevent material damage.
- **Children Safety:** Do not allow children to climb on or play with the dresser. Keep small parts out of reach during assembly.

3. PACKAGE CONTENTS

Before assembly, ensure all parts are present and undamaged. Refer to the parts list provided in your packaging. Typically, the package includes:

- Dresser panels (top, sides, back, base)
- 6 Drawer components (fronts, sides, backs, bottoms)

- Metal handles
- Drawer slides and runners
- Support legs
- Assembly hardware (screws, dowels, cam locks, etc.)
- Anti-tip kit
- Assembly instructions manual

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for this dresser. It is recommended to have two people for assembly. Please follow the detailed step-by-step instructions included in your product packaging. A power drill and screwdriver may be helpful.

Assembly Tips:

- Lay out all parts on a soft, clean surface to prevent scratches.
- Identify all hardware and match them with the parts list.

- Do not overtighten screws to avoid damaging the wood.
- Ensure all connections are secure before moving or using the dresser.

5. OPERATING INSTRUCTIONS

Drawer Usage:

- Gently pull and push the drawers using the metal handles.
- Avoid forcing drawers open or closed if they encounter resistance. Check for obstructions.
- The drawers are designed for smooth sliding. If a drawer does not slide properly, refer to the troubleshooting section.
- Each drawer can store approximately 20-25 T-shirts or 15-20 pairs of jeans.

Top Surface Usage:

- The faux marble top is designed to be waterproof and easy to clean.

- Place decorative items, lamps, or other personal belongings on the wide thickened tabletop.
- Avoid placing extremely hot items directly on the surface without protection.

6. MAINTENANCE

- **Cleaning:** Wipe the dresser surfaces with a dry cloth. For spills on the faux marble top, wipe immediately with a damp cloth and then dry thoroughly. Avoid abrasive cleaners or harsh chemicals.
- **Dusting:** Regularly dust the dresser with a soft, dry cloth to maintain its appearance.
- **Hardware:** Periodically check and tighten all screws and fasteners to ensure the dresser remains stable.
- **Avoid Moisture:** Protect the dresser from excessive moisture and humidity.

7. TROUBLESHOOTING

Drawers do not slide smoothly:

Check if the drawer slides are correctly aligned and installed. Ensure no objects are obstructing the drawer's path. Verify that all screws on the slides are tightened. If the issue persists, disassemble the drawer and reassemble carefully, ensuring all parts are in their correct positions.

Dresser feels unstable:

Ensure the dresser is placed on a flat, level surface. Check that all support legs are securely attached and that the bottom steel reinforcement is properly installed. Verify that the anti-tip kit is correctly anchored to the wall.

Missing or damaged parts:

If any parts are missing or damaged upon arrival, please contact T4TREAM customer support with your purchase details for assistance.
